(b) agreements, either formal or informal, written or oral, between or among political subdivisions of this state, that exist or are entered into for the purpose of providing mutual aid in the event of a disaster or emergency should remain options for political subdivisions and should not be infringed upon or in any way affected by the provisions of [sections 1 through 12]; and

If a part of [this act] is invalid in one or more of its applications, the part remains in effect in all valid applications that are severable from the invalid applications.

Section 19. Effective date. [This act] is effective on passage and approval.

Section 20. Applicability. (1) [This act], except [sections 7 through 12], applies on [the effective date of this act].

(2) [Sections 7 through 12] apply October 1, 2005.

Section 21. Transition. Because [section 4], creating the Montana intrastate mutual aid committee, is effective and applicable on passage and approval, the state emergency response commission established in 10-3-1204 will not have had the opportunity to appoint the members of the committee. Therefore, the state emergency response commission shall appoint the members of the Montana intrastate mutual aid committee before August 1, 2005.

A person is not eligible for early reimbursement unless the person is in substantial compliance with all department-approved remedial action plans.

~~(9)~~(8) A person participating in the allocation process who received funds under the mixed funding pilot program provided for in sections 14 through 20, Chapter 584, Laws of 1995, may not claim or receive reimbursement from the orphan share fund for the amount of funds received under the mixed funding pilot program that are later attributed to the orphan share under the allocation process.

CHAPTER NO. 360

[SB 207]

AN ACT REQUIRING AS A CONDITION OF SENTENCE THAT SEXUAL OFFENDERS DESIGNATED AS LEVEL 3 OFFENDERS PARTICIPATE IN A PROGRAM FOR CONTINUOUS, SATELLITE-BASED MONITORING; REQUIRING THE DEPARTMENT OF CORRECTIONS TO ESTABLISH A PROGRAM FOR THE CONTINUOUS SATELLITE-BASED MONITORING OF LEVEL 3 SEXUAL OFFENDERS; REQUIRING PROGRESS REPORTS; AMENDING SECTION 46-23-1031, MCA; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, the United States Department of Justice has published confirmed statistics that over 60% of serious and violent offenders in state prisons have a history of prior convictions and that the number of prisoners convicted for violent sexual assault has increased by an annual rate of 15% each year since 1980; and

WHEREAS, criminals who commit sexual and violent crimes have shown unusually high recidivism rates, thereby posing an unacceptable level of risk to the community; and

WHEREAS, intensive supervision of sexual or violent offenders is a crucial element to both the rehabilitation of the released convicts and the safety of the surrounding community; and

WHEREAS, mature technological solutions now exist to provide improved supervision and behavioral control of sexual or violent offenders following their release; and

WHEREAS, these solutions can now also provide law enforcement and correctional professionals with significant new tools for electronic correlation of the constantly updated geographical location of supervised sexual or violent offenders following their release with the geographic location of reported crimes, both to possibly link released offenders to crimes or to possibly exclude released offenders from ongoing criminal investigations; and

WHEREAS, continuous 24-hour-a-day, 7-day-a-week electronic monitoring of those convicted of sexual offenses is a valuable and reasonable requirement for those convicts who are placed on probation, who failed to register as sexual or violent offenders as required by law, or who have been released from incarceration while they remain under the active supervision of the state.

Be it enacted by the Legislature of the State of Montana:

Section 1. Sexual offenders — electronic monitoring as additional condition of sentence. Upon sentencing a person for conviction of a sexual offense under Title 45, chapter 5, part 5, who is designated as a level 3 offender under 46-23-509, the sentencing judge shall, as a condition of probation, parole, conditional release, or deferment or suspension of sentence, require the offender to participate in the program for the continuous satellite-based monitoring of sexual offenders established under [section 2].

Section 2. Sexual offenders — electronic monitoring program — contract — rules. (1) The department shall establish a program for the continuous, satellite-based monitoring of sexual offenders designated as level 3 offenders under 46-23-509. The program may include:

(a) time-correlated and continuous tracking of the geographic location of a monitored person using a global positioning system based on satellite and other location-tracking technology;

(b) reporting of a monitored person's violation of prescriptive and proscriptive schedule or location requirements. Frequency of reporting may range from once-a-day, passive reporting to near-real-time, active reporting.

(c) an automated system that allows local and state law enforcement officials to compare the geographic positions of a monitored person with reported criminal incidents to determine whether the monitored person was at or near the scene of a reported criminal incident and to include or exclude a monitored person from the investigation of a criminal incident.

(2) The department shall adopt rules for the establishment and operation of the program required under subsection (1), including rules establishing supervisory fees. The department may consult with state and local law enforcement officials in developing the rules.

(3) The department shall contract with a single vendor for the procurement of the equipment and services needed to monitor persons under the program and correlate the movements of monitored persons to reported criminal incidents. The contract may provide for equipment and services necessary to implement or facilitate any of the provisions of this section and for the collection and disposition of the fees provided for in 46-23-1031 and may allow for the reasonable cost of collection of the proceeds.

Section 3. Section 46-23-1031, MCA, is amended to read:

"46-23-1031. Supervisory fees — account established. (1) (a) Except as provided in subsection ~~(1)(b)~~ (1)(c), a probationer, parolee, or person committed to the department who is supervised by the department:

(i) under intensive supervision or conditional release shall pay to the clerk of the district court that has jurisdiction over the person during the person's supervision a supervisory fee of no less than \$120 a year and no more than \$360 a year, prorated at no less than \$10 a month for the number of months under supervision; or

(ii) *under continuous satellite-based monitoring shall pay to the clerk of the district court that has jurisdiction over the person during the person's supervision a supervisory fee of no more than \$4,000 a year as established by rules adopted by the department under [section 2].*

(b) A person allowed to transfer supervision to another state shall pay a fee of \$50 to cover the cost of processing the transfer. The interstate transfer fees required by this subsection must be collected by the department.

~~(b)(c)~~ The court, department, or board may reduce or waive a fee required by subsection (1)(a) *or* (1)(b) or suspend the monthly payment of the supervisory fee if it determines that the payment would cause the person a significant financial hardship.

(2) (a) There is an account in the state special revenue fund for the supervisory fees collected under the provisions of this section.

[SB 311]

AN ACT REGULATING THE USE OF CREDIT INFORMATION IN PERSONAL INSURANCE; PROVIDING THE PURPOSE, SCOPE, AND DEFINITIONS FOR THE ACT; ESTABLISHING CRITERIA FOR THE USE OF CREDIT INFORMATION IN INSURANCE UNDERWRITING; LISTING CONDITIONS FOR UNDERWRITING OR RATING EXCEPTIONS; PROVIDING FOR DISPUTE RESOLUTION AND ERROR CORRECTION; PROVIDING FOR NOTICE TO CONSUMERS OF THE USE OF CREDIT INFORMATION AND ADVERSE ACTION BASED ON THE USE OF CREDIT INFORMATION; REQUIRING INSURERS TO FILE THEIR CREDIT SCORING MODELS WITH THE COMMISSIONER OF INSURANCE; PROVIDING FOR THE INDEMNIFICATION OF INSURANCE PRODUCERS USING SCORING INFORMATION; PROHIBITING CONSUMER REPORTING AGENCIES FROM PROVIDING OR SELLING CERTAIN DATA PERTAINING TO A CONSUMER'S CREDIT; AMENDING SECTION 33-18-210, MCA; AND PROVIDING AN APPLICABILITY DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. Short title. [Sections 1 through 11] may be cited as the "Montana Use of Credit Information in Personal Insurance Act".

Section 2. Purpose. The purpose of [sections 1 through 11] is to regulate the use of credit information for personal insurance so that consumers are afforded certain protections with respect to the use of credit information.

Section 3. Scope. [Sections 1 through 11] apply to personal insurance and not to commercial insurance. For purposes of [sections 1 through 11], "personal insurance" means private passenger automobile, home owners, motorcycle, mobile home owners, and noncommercial dwelling fire insurance policies and boat, personal watercraft, snowmobile, and recreational vehicle policies. These policies must be individually underwritten for personal, family, or household use. Other types of insurance may not be included as personal insurance for the purpose of [sections 1 through 11].

Section 4. Definitions. For the purposes of [sections 1 through 11], the following definitions apply:

(1) "Adverse action" means, in regard to the terms of coverage or amount of coverage of any insurance, existing or applied for, in connection with the underwriting of personal insurance, any of the following:

- (a) denial, nonrenewal, or cancellation of coverage;
- (b) an increase in any charge for coverage;
- (c) failure to give an otherwise available credit-related discount; or
- (d) a reduction or any other adverse or unfavorable change in the terms of coverage or the amount of coverage.

(2) "Affiliate" means a company that controls, is controlled by, or is under common control with another company.

(3) "Applicant" means an individual who has applied to be covered by a personal insurance policy with an insurer.

(4) "Consumer" means an insured whose credit information is used or whose insurance score is calculated in the underwriting or rating of a personal insurance policy or of an applicant for a personal insurance policy.

(5) "Consumer reporting agency" means any entity that, for monetary fees or dues or on a cooperative nonprofit basis, regularly engages in whole or in part in the practice of assembling or evaluating consumer credit information or other information on consumers for the purpose of furnishing consumer reports to third parties.

(6) "Credit information" means any credit-related information derived from a credit report, found on a credit report itself, or provided on an application for personal insurance. Information that is not credit related may not be considered credit information regardless of whether it is contained in a credit report or in an application or is used to calculate an insurance score.

(7) "Credit report" means any written, oral, or other communication of information by a consumer reporting agency bearing on a consumer's credit worthiness, credit standing, or credit capacity that is used or expected to be used or collected in whole or in part for the purpose of serving as a factor to determine personal insurance premiums, eligibility for coverage, or tier placement.

(8) "Insurance score" means a number or rating that is derived from an algorithm, computer application, model, or other process that is based in whole or in part on credit information for the purposes of predicting the future insurance loss exposure of an individual applicant or insured.

Section 5. Use of credit information. (1) An insurer authorized to do business in this state that uses credit information to underwrite or rate risks may not:

- (a) use an insurance score that is calculated using income, gender, address, zip code, ethnic group, religion, marital status, or nationality of the consumer as a factor;

- (b) deny, cancel, or not renew a policy of personal insurance on the basis of credit information without consideration of any other applicable underwriting factor independent of credit information and not expressly prohibited by subsection (1)(a);

- (c) base an insured's renewal rates for personal insurance upon credit information without consideration of any other applicable factor independent of credit information;

- (d) take an adverse action against a consumer because the consumer does not have a credit card account without consideration of any other applicable factor independent of credit information;

(e) consider an absence of credit information or an inability to calculate an insurance score in underwriting or rating personal insurance unless the insurer does one of the following:

(i) treats the consumer as otherwise approved by the commissioner if the insurer presents information that the absence or inability relates to the risk for the insurer;

(ii) treats the consumer as if the consumer had neutral credit information, as defined by the insurer; or

(iii) excludes the use of credit information as a factor and uses only other underwriting criteria;

(f) take an adverse action against a consumer based on credit information unless an insurer obtains and uses a credit report issued or an insurance score calculated within 90 days from the date that the policy is first written or renewal is issued;

(g) use credit information unless not later than every 36 months following the last time that the insurer obtained current credit information for the insured, the insurer recalculates the insurance score or obtains an updated credit report. Regardless of the requirements of this subsection (1)(g):

(i) at annual renewal, upon the request of a consumer or the consumer's agent, the insurer shall reunderwrite and rerate the policy based upon a current credit report or insurance score. An insurer need not recalculate the insurance score or obtain the updated credit report of a consumer more frequently than once in a 12-month period.

(ii) the insurer has the discretion to obtain current credit information upon any renewal before the 36 months provided for in subsection (1)(g), if consistent with its underwriting guidelines;

(iii) an insurer may but does not have to obtain current credit information for an insured, despite the requirements of subsection (1)(g)(i), if one of the following applies:

(A) the insurer is treating the consumer as otherwise approved by the commissioner;

(B) the insured is in the most favorably priced tier of the insurer within a group of affiliated insurers.

(C) credit was not used for underwriting or rating the insured when the policy was initially written.

(D) the insurer reevaluates the insured beginning not later than 36 months after inception and at similar succeeding times based upon other underwriting or rating factors, excluding credit information; or

(h) use a credit score that treats any of the following as a negative factor for the purpose of underwriting or rating a policy of personal insurance:

(i) credit inquiries not initiated by the consumer or inquiries requested by the consumer for the consumer's own credit information;

(ii) inquiries relating to insurance coverage, if so identified on a consumer's credit report;

(iii) collection accounts with a medical industry code, if so identified on the consumer's credit report;

(iv) multiple-lender inquiries, if coded by the consumer reporting agency on the consumer's credit report as being from the home mortgage industry and made within 30 days of one another, unless only one inquiry is considered;

(v) multiple-lender inquiries, if coded by the consumer reporting agency on the consumer's credit report as being from the automobile lending industry and made within 30 days of one another, unless only one inquiry is considered;

(vi) the number of credit inquiries;

(vii) the consumer's use of a particular type of credit card, charge card, or debit card or the number of credit cards obtained by a consumer;

(viii) a loan if information from the credit report makes it evident that the loan is for the purchase of an automobile or a personal residence. However, an insurer may consider the bill payment history of any loan, the total number of loans, or both.

(ix) the consumer's total available line of credit or total debt. However, an insurer may consider:

(A) the consumer's bill payment history on the debt; or

(B) the total amount of outstanding debt if the outstanding debt exceeds the total line of credit.

(2) (a) An insurer shall, on written request from an applicant or an insured, provide reasonable underwriting or rating exceptions for a consumer whose credit report has been directly affected by an extraordinary event.

(b) An insurer may require reasonable written and independently verifiable documentation of the event and the effect of the event on the consumer's credit before granting an exception. An insurer is not required to consider repeated extraordinary events or extraordinary events the insurer reconsidered previously.

(c) An insurer may also consider granting an exception to a consumer for an extraordinary event not listed in this section.

(d) An insurer may not be considered to be out of compliance with its filed rules and rates as a result of granting an exception pursuant to this subsection (2).

(e) As used in this subsection (2), "extraordinary event" means:

(i) expenses related to a catastrophic injury or illness;

(ii) temporary loss of employment;

(iii) death of an immediate family member; or

(iv) theft of identity pursuant to 45-6-332.

Section 6. Dispute resolution and error correction. If it is determined through the dispute resolution process set forth in the federal Fair Credit Reporting Act, 15 U.S.C. 1681i(a)(5), that the credit information of a current insured was incorrect or incomplete and if the insurer receives notice of that determination from either the consumer reporting agency or the insured, the insurer shall reunderwrite and rerate the consumer within 30 days of receiving the notice. After reunderwriting or rerating the insured, the insurer shall make any adjustments necessary consistent with its underwriting and rating guidelines. If an insurer determines that the insured has overpaid the premium, the insurer shall refund to the insured the amount of overpayment calculated

back to the shorter of either the last 12 months of coverage or the actual policy period.

Section 7. Initial notification. (1) If an insurer writing personal insurance uses credit information in underwriting or rating a consumer, the insurer or its agent shall disclose, either on the insurance application or at the time that the insurance application is taken, that it may obtain credit information in connection with the application. The disclosure must be either written or provided to an applicant in the same medium as the application for insurance. The insurer does not have to provide the disclosure statement required under this section to any insured on a renewal policy if the consumer has previously been provided a disclosure statement.

(2) Use of the following disclosure statement constitutes compliance with this section: "In connection with this application for insurance, we may review your credit report or obtain or use a credit-based insurance score based on the information contained in that credit report. We may use a third party in connection with the development of your insurance score."

Section 8. Adverse action notification. If an insurer takes an adverse action based upon credit information, the insurer shall:

(1) provide notification to the consumer that an adverse action has been taken, in accordance with the requirements of the federal Fair Credit Reporting Act, 15 U.S.C. 1681m(a); and

(2) provide notification to the consumer explaining the reason for the adverse action. The reasons must be provided in sufficiently clear and specific language so that a person can identify the basis for the insurer's decision to take an adverse action. The notification must include a description of up to four factors that were the primary influences of the adverse action. The use of generalized terms, such as "poor credit history", "poor credit rating", or "poor insurance score", does not meet the explanation requirements of this subsection. Standardized credit explanations provided by consumer reporting agencies or other third-party vendors are considered to comply with this section.

Section 9. Filing. (1) Insurers that use insurance scores to underwrite and rate risks shall file their scoring models or other scoring processes with the commissioner. A third party may file scoring models on behalf of insurers.

(2) A filing relating to credit information is considered a trade secret under the laws of this state.

Section 10. Indemnification. An insurer shall indemnify, defend, and hold insurance producers harmless from and against all liability, fees, and costs arising out of or relating to the actions, errors, or omissions of an insurance producer that obtains or uses credit information or insurance scores for an insurer if the insurance producer follows the instructions of or procedures established by the insurer and complies with any applicable law or regulation. This section may not be construed to provide a consumer or other insured with a cause of action that does not exist in the absence of this section.

Section 11. Sale of policy term information by consumer reporting agency. (1) A consumer reporting agency may not provide or sell data or lists that include any information that in whole or in part was submitted in conjunction with an insurance inquiry about a consumer's credit information or a request for a credit report or insurance score. This information includes but is not limited to the expiration dates of an insurance policy or any other information that may identify time periods during which a consumer's

insurance may expire and the terms and conditions of the consumer's insurance coverage.

(2) The restrictions provided in subsection (1) do not apply to data or lists that the consumer reporting agency supplies to the insurance producer from whom information was received, the insurer on whose behalf the insurance producer acted, or the insurer's affiliates or holding companies.

(3) This section may not be construed to restrict any insurer from being able to obtain a claims history report or a motor vehicle report.

Section 12. Section 33-18-210, MCA, is amended to read:

"33-18-210. Unfair discrimination and rebates prohibited — property, casualty, and surety insurances. (1) A title, property, casualty, or surety insurer or an employee, representative, or insurance producer of an insurer may not, as an inducement to purchase insurance or after insurance has been effected, pay, allow, or give or offer to pay, allow, or give, directly or indirectly, a:

(a) rebate, discount, abatement, credit, or reduction of the premium named in the insurance policy;

(b) special favor or advantage in the dividends or other benefits to accrue on the policy; or

(c) valuable consideration or inducement not specified in the policy, except to the extent provided for in an applicable filing with the commissioner as provided by law.

(2) An insured named in a policy or an employee of the insured may not knowingly receive or accept, directly or indirectly, a:

(a) rebate, discount, abatement, credit, or reduction of premium;

(b) special favor or advantage; or

(c) valuable consideration or inducement.

(3) An insurer may not make or permit unfair discrimination in the premium or rates charged for insurance, in the dividends or other benefits payable on insurance, or in any other of the terms and conditions of the insurance either between insureds or property having like insuring or risk characteristics or between insureds because of race, color, creed, religion, or national origin.

(4) This section may not be construed as prohibiting the payment of commissions or other compensation to ~~duly~~ licensed insurance producers or as prohibiting an insurer from allowing or returning lawful dividends, savings, or unabsorbed premium deposits to its participating policyholders, members, or subscribers.

(5) An insurer may not make or permit unfair discrimination between individuals or risks of the same class and of essentially the same hazards by refusing to issue, refusing to renew, canceling, or limiting the amount of insurance coverage on a property or casualty risk because of the geographic location of the risk, unless:

(a) the refusal, cancellation, or limitation is for a business purpose that is not a mere pretext for unfair discrimination; or

(b) the refusal, cancellation, or limitation is required by law or regulatory mandate.

(6) An insurer may not make or permit unfair discrimination between individuals or risks of the same class and of essentially the same hazards by refusing to issue, refusing to renew, canceling, or limiting the amount of insurance coverage on a residential property risk or on the personal property contained in the residential property, because of the age of the residential property, unless:

(a) the refusal, cancellation, or limitation is for a business purpose that is not a mere pretext for unfair discrimination; or

(b) the refusal, cancellation, or limitation is required by law or regulatory mandate.

(7) An insurer may not refuse to insure, refuse to continue to insure, or limit the amount of coverage available to an individual because of the sex or marital status of the individual. However, an insurer may take marital status into account for the purpose of defining persons eligible for dependents' benefits.

(8) An insurer may not terminate or modify coverage or refuse to issue or refuse to renew a property or casualty policy or contract of insurance solely because the applicant or insured or any employee of either is mentally or physically impaired. However, this subsection does not apply to accident and health insurance sold by a casualty insurer, and this subsection may not be interpreted to modify any other provision of law relating to the termination, modification, issuance, or renewal of any insurance policy or contract.

(9) An insurer may not refuse to insure, refuse to continue to insure, charge higher rates, or limit the amount of coverage available to an individual based solely on adverse information contained in a driving record that is 3 years old or older. However, an insurer may provide discounts to an insured based on favorable aspects of an insured's claims history that is 3 years old or older.

(10) An insurer may not charge points or surcharge a private passenger motor vehicle policy because of a claim submitted under the insured's policy if the insured was not at fault.

~~(11) (a) For the purposes of this subsection (11), "credit history" means that portion of a credit report or background report that addresses the applicant's or insured's debt payment history or lack of history but does not include public information including convictions, lawsuits, bankruptcies, or similar public information.~~

~~(b) An insurer writing automobile or homeowner insurance may not refuse to insure, refuse to continue to insure, charge higher rates, or limit the scope or amount of coverage or benefits available to an individual based solely on the insurer's knowledge of the individual's credit history unless:~~

~~(i) the insurer possesses substantial documentation that credit history is significantly correlated with the types of risks insured or to be insured;~~

~~(ii) the insurer sends written communication to the individual disclosing that the insurance coverage was declined, not renewed, or limited in scope or amount of coverage or benefits because of credit information relating to the applicant or the insured; and~~

~~(iii) upon subsequent request of the individual, mailed within 10 days of receipt of the denial, nonrenewal, or limitation, the insurer provides the individual with a copy of the credit report at issue or the name and address of a third party from whom the individual may obtain a copy of the credit report, within 10 days of receipt of the request.~~

~~(c) The provisions of this subsection (11) are not intended to conflict with any disclosure provisions of state law or the federal Truth in Lending Act applicable to lending institutions, credit bureaus, or other credit service organizations that maintain or distribute credit histories on insurance applicants or policyholders."~~

Section 13. Codification instruction. [Sections 1 through 11] are intended to be codified as an integral part of Title 33, chapter 18, and the provisions of Title 33, chapter 18, apply to [sections 1 through 11].

Section 14. Severability. If a part of [this act] is invalid, all valid parts that are severable from the invalid part remain in effect. If a part of [this act] is invalid in one or more of its applications, the part remains in effect in all valid applications that are severable from the invalid applications.

Section 15. Applicability. [This act] applies to personal insurance policies written to be effective or renewed on or after October 1, 2005.

(5) The grazing on land by a horse or other animals kept as a hobby and not as a part of a bona fide agricultural enterprise is not considered a bona fide agricultural operation.

(6) The department may not classify land less than 160 acres as agricultural unless the owner has applied to have land classified as agricultural land. Land of 20 acres or more but less than 160 acres for which no application for agricultural classification has been made is *valued as provided in 15-6-133(1)(c) and is* taxed as provided in 15-6-133(1)(e)(3). If land has been valued, assessed, and taxed as agricultural land in any year, it must continue to be valued, assessed, and taxed as agricultural until the department reclassifies the property. A reclassification does not mean revaluation pursuant to 15-7-111.

(7) For the purposes of this part, growing timber is not an agricultural use."

Section 3. Section 15-10-420, MCA, is amended to read:

"15-10-420. Procedure for calculating levy. (1) (a) Subject to the provisions of this section, a governmental entity that is authorized to impose mills may impose a mill levy sufficient to generate the amount of property taxes actually assessed in the prior year plus one-half of the average rate of inflation for the prior 3 years. The maximum number of mills that a governmental entity may impose is established by calculating the number of mills required to generate the amount of property tax actually assessed in the governmental unit in the prior year based on the current year taxable value, less the current year's value of newly taxable property, plus one-half of the average rate of inflation for the prior 3 years.

(b) A governmental entity that does not impose the maximum number of mills authorized under subsection (1)(a) may carry forward the authority to impose the number of mills equal to the difference between the actual number of mills imposed and the maximum number of mills authorized to be imposed. The mill authority carried forward may be imposed in a subsequent tax year.

(c) For the purposes of subsection (1)(a), the department shall calculate one-half of the average rate of inflation for the prior 3 years by using the consumer price index, U.S. city average, all urban consumers, using the 1982-84 base of 100, as published by the bureau of labor statistics of the United States department of labor.

(2) A governmental entity may apply the levy calculated pursuant to subsection (1)(a) plus any additional levies authorized by the voters, as provided in 15-10-425, to all property in the governmental unit, including newly taxable property.

(3) For purposes of this section, newly taxable property includes:

- (a) annexation of real property and improvements into a taxing unit;
- (b) construction, expansion, or remodeling of improvements;
- (c) transfer of property into a taxing unit;
- (d) subdivision of real property; and
- (e) transfer of property from tax-exempt to taxable status.

(4) (a) For the purposes of subsection (1), the taxable value of newly taxable property includes the release of taxable value from the incremental taxable value of a tax increment financing district because of:

- (i) a change in the boundary of a tax increment financing district;
- (ii) an increase in the base value of the tax increment financing district pursuant to 7-15-4287; or
- (iii) the termination of a tax increment financing district.

(b) For the purpose of subsection (3)(d), the subdivision of real property includes the first sale of real property that results in the property being taxable as class four property or as ~~nonagricultural~~ *nonqualified agricultural* land as described in 15-6-133(1)(c).

(c) For the purposes of this section, newly taxable property does not include an increase in appraised value of land that was previously valued at 75% of the value of improvements on the land, as provided in 15-7-111(4) and (5), as those subsections applied on December 31, 2001.

(5) Subject to subsection (8), subsection (1)(a) does not apply to:

- (a) school district levies established in Title 20; or
 - (b) the portion of a governmental entity's property tax levy for premium contributions for group benefits excluded under 2-9-212 or 2-18-703.
- (6) For purposes of subsection (1)(a), taxes imposed do not include net or gross proceeds taxes received under 15-6-131 and 15-6-132.

(7) In determining the maximum number of mills in subsection (1)(a), the governmental entity may increase the number of mills to account for a decrease in reimbursements.

(8) The department shall calculate, on a statewide basis, the number of mills to be imposed for purposes of 15-10-107, 20-9-331, 20-9-333, 20-9-360,

20-25-423, and 20-25-439. However, the number of mills calculated by the department may not exceed the mill levy limits established in those sections. The mill calculation must be established in whole mills. If the mill levy calculation does not result in a whole number of mills, then the calculation must be rounded up to the nearest whole mill.

(9) (a) The provisions of subsection (1) do not prevent or restrict:

(i) a judgment levy under 2-9-316, 7-6-4015, or 7-7-2202;

(ii) a levy to repay taxes paid under protest as provided in 15-1-402; or

(iii) an emergency levy authorized under 10-3-405, 20-9-168, or 20-15-326.

(b) A levy authorized under subsection (9)(a) may not be included in the amount of property taxes actually assessed in a subsequent year.

(10) A governmental entity may levy mills for the support of airports as authorized in 67-10-402, 67-11-301, or 67-11-302 even though the governmental entity has not imposed a levy for the airport or the airport authority in either of the previous 2 years and the airport or airport authority has not been appropriated operating funds by a county or municipality during that time.

(11) The department may adopt rules to implement this section. The rules may include a method for calculating the percentage of change in valuation for purposes of determining the elimination of property, new improvements, or newly taxable property in a governmental unit."

Section 4. Coordination instruction. If House Bill No. 72 [LC 370] is passed and approved, then [section 1 of this act] and [section 1] of House Bill No. 72 [LC 370], amending 15-6-133, are void and 15-6-133 must be amended as follows:

"15-6-133. Class three property — description — taxable percentage. (1) Class three property includes:

(a) agricultural land as defined in 15-7-202;

(b) nonproductive patented mining claims outside the limits of an incorporated city or town held by an owner for the ultimate purpose of developing the mineral interests on the property. For the purposes of this subsection (1)(b), the following provisions apply:

(i) The claim may not include any property that is used for residential purposes, recreational purposes as described in 70-16-301, or commercial purposes as defined in 15-1-101 or any property the surface of which is being used for other than mining purposes or has a separate and independent value for other purposes.

(ii) Improvements to the property that would not disqualify the parcel are taxed as otherwise provided in this title, including that portion of the land upon which the improvements are located and that is reasonably required for the use of the improvements.

(iii) Nonproductive patented mining claim property must be valued as if the land were devoted to agricultural grazing use.

(c) parcels of land of 20 acres or more but less than 160 acres under one ownership that are not eligible for valuation, assessment, and taxation as agricultural land under 15-7-202(1), *which are considered to be nonqualified agricultural land.* ~~The Nonqualified agricultural land~~ may not be devoted to a commercial or industrial purpose. *For the tax year beginning January 1, 2006, through the tax year ending December 31, 2008, nonqualified agricultural land*

is valued at the productive capacity value of grazing land, at the average grade of grazing land. For tax years beginning after December 31, 2008, nonqualified agricultural land is valued at the statewide average productive capacity value of grazing land.

(2) ~~Class~~ Subject to subsection (3), class three property is taxed at the taxable percentage rate applicable to class four property, as provided in 15-6-134(2)(a).

(3) The *taxable value* of land described in subsection (1)(c) is ~~valued at the productive capacity value of grazing land, at the average grade of grazing land, and the taxable value is computed by multiplying the value of the land by seven times the taxable percentage rate for agricultural land.~~

Section 5. Applicability. [This act] applies to property tax years beginning after December 31, 2005.

AN ACT ALLOCATING TWO SPECIAL WILD BUFFALO LICENSES ANNUALLY TO INDIVIDUALS DESIGNATED BY THE MONTANA TRIBES FREE OF CHARGE; PROVIDING THAT WILD BUFFALO TAKEN PURSUANT TO THE SPECIAL LICENSES BE HUNTED AND USED IN THE MANNER TRADITIONAL TO EACH TRIBE; DESIGNATING THE TERMS AND CONDITIONS OF THE SPECIAL TRIBAL LICENSES; PROVIDING THAT ANY ADDITIONAL WILD BUFFALO LICENSES BE MADE AVAILABLE FOR PUBLIC HUNTING TO BE USED AND SOLD COINCIDENT WITH THE ISSUANCE AND USE OF SPECIAL WILD BUFFALO LICENSES ANNUALLY OFFERED TO INDIVIDUALS DESIGNATED BY THE MONTANA TRIBES; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE AND A TERMINATION DATE.

WHEREAS, for millennia, wild buffalo roamed the vast, open spaces of Montana, followed in their migration by the ancient peoples of this state who relied on the buffalo for food, shelter, and clothing—indeed, for life itself; and

WHEREAS, through the ages, Montana tribes recognized this gift of life given by the Creator to the people through the buffalo and thus hunted the buffalo with utmost respect and appreciation, developing traditional ceremonies and practices that honored that gift; and

WHEREAS, beginning in the late 1880s, poaching and hunting reduced the population of the native wild buffalo herd in Yellowstone National Park to only 25 by 1901, so to avoid extinction, the park herd was supplemented by 21 buffalo from tribal captive herds in 1902, thereby keeping the gift alive for future generations of Americans; and

WHEREAS, as Yellowstone Park buffalo thrived in their protected environment, they achieved numbers that now provide for limited hunting in Montana when they migrate into this state and are authorized for hunting by the state veterinarian and the Department of Livestock; and

WHEREAS, buffalo meat is used as part of the treatment of tribal members who suffer from diabetes; and

WHEREAS, it is a fitting gesture by the State of Montana and the Legislature to honor and return the gift of the buffalo to Montana tribes for hunting and use in the traditional ceremonial ways.

Be it enacted by the Legislature of the State of Montana:

Section 1. Allocation of wild buffalo licenses to tribes for traditional purposes. (1) If the commission authorizes the issuance of 40 or more special wild buffalo licenses in any license year, the department shall issue special licenses to individuals of each tribe designated in subsection (4) to hunt wild buffalo during the regular season for wild buffalo and as prescribed in department rules and regulations. The department shall issue two special wild buffalo licenses to individuals designated by the respective tribal diabetic programs of each of the Montana tribes designated in subsection (4), coincident with the sale of any special wild buffalo licenses for public hunting pursuant to 87-2-730 and in accordance with the terms and conditions of this section.

(2) Wild buffalo taken pursuant to the special licenses issued under subsection (1) must be harvested by tribal members in accordance with the traditional ceremonies of each tribe. All parts of wild buffalo taken pursuant to this section may be possessed and used by each designated tribe in the manner that the tribe sees fit.

(3) Special wild buffalo licenses granted for tribal use pursuant to this section must be issued free of charge. The tribes must be informed of and abide by any rules adopted pursuant to 87-2-730(3)(c) through (3)(h), except that fair chase hunting by tribal members may include hunting conducted on horseback.

(4) The following Montana tribes may designate individuals from their tribal diabetic programs to receive department-issued special licenses, and the individuals are entitled to hunt during the season set aside by the commission for hunting wild buffalo:

- (a) Assiniboine and Sioux tribes;
- (b) Blackfeet tribe;
- (c) Chippewa Cree tribe;
- (d) Confederated Salish and Kootenai tribes;
- (e) Crow tribe;
- (f) Gros Ventre and Assiniboine tribes;

(g) Northern Cheyenne tribe; and

(h) Little Shell band of Chippewa.

(5) Special wild buffalo licenses granted under this section must be offered to the designated tribes as the first wild buffalo licenses available for hunting each year and may be granted to tribal designees in any order. When each of the two individuals designated by each tribe has been offered a license in any license year, any additional available licenses may be issued in the manner provided by the rules adopted by the commission pursuant to 87-2-730.

(6) Use of the special wild buffalo licenses granted under this section to individuals designated by the Montana tribes must coincide with the use of any other special wild buffalo license purchased for public hunting pursuant to 87-2-730.

Section 2. Notification to tribal governments. The secretary of state shall send a copy of [this act] to each tribal government located on the seven Montana reservations and to the Little Shell band of Chippewa.

Section 3. Codification instruction. [Section 1] is intended to be codified as an integral part of Title 87, chapter 2, part 7, and the provisions of Title 87, chapter 2, part 7, apply to [section 1].

Section 4. Effective date. [This act] is effective on passage and approval.

Section 5. Termination. [This act] terminates July 1, 2015.

[SB 92]

AN ACT CLARIFYING THE METHOD OF APPRAISING RESIDENTIAL AND COMMERCIAL CONDOMINIUM PROPERTY FOR PROPERTY TAX PURPOSES; AMENDING SECTIONS 15-8-111, 15-8-511, AND 15-8-512, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE AND A RETROACTIVE APPLICABILITY DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 15-8-111, MCA, is amended to read:

“15-8-111. Assessment — market value standard — exceptions. (1) All taxable property must be assessed at 100% of its market value except as otherwise provided.

(2) (a) Market value is the value at which property would change hands between a willing buyer and a willing seller, neither being under any compulsion to buy or to sell and both having reasonable knowledge of relevant facts.

(b) If the department uses construction cost as one approximation of market value, the department shall fully consider reduction in value caused by depreciation, whether through physical depreciation, functional obsolescence, or economic obsolescence.

(c) If the department uses the ~~capitalization of net income~~ *capitalization-of-net-income* method as one approximation of market value and sufficient, relevant information on comparable sales and construction cost

exists, the department shall rely upon the two methods that provide a similar market value as the better indicators of market value.

(d) Except as provided in subsection (3), the market value of special mobile equipment and agricultural tools, implements, and machinery is the average wholesale value shown in national appraisal guides and manuals or the value before reconditioning and profit margin. The department shall prepare valuation schedules showing the average wholesale value when a national appraisal guide does not exist.

(3) The department may not adopt a lower or different standard of value from market value in making the official assessment and appraisal of the value of property, except:

(a) the wholesale value for agricultural implements and machinery is the average wholesale value category as shown in Guides 2000, Northwest Region Official Guide, published by the North American equipment dealers association, St. Louis, Missouri. If the guide or the average wholesale value category is unavailable, the department shall use a comparable publication or wholesale value category.

(b) for agricultural implements and machinery not listed in an official guide, the department shall prepare a supplemental manual in which the values reflect the same depreciation as those found in the official guide; ~~and~~

(c) *for condominium property, the department shall establish the value as provided in subsection (4); and*

(d) as otherwise authorized in Titles 15 and 61.

(4) (a) *Subject to subsection (4)(c), if sufficient, relevant information on comparable sales is available, the department shall use the comparable sales method to appraise residential condominium units. Because the undivided interest in common elements is included in the sales price of the condominium units, the department is not required to separately allocate the value of the common elements to the individual units being valued.*

(b) *Subject to subsection (4)(c), if sufficient, relevant information on income is made available to the department, the department shall use the capitalization-of-net-income method to appraise commercial condominium units. Because the undivided interest in common elements contributes directly to the income-producing capability of the individual units, the department is not required to separately allocate the value of the common elements to the individual units being valued.*

(c) *If sufficient, relevant information on comparable sales is not available for residential condominium units or if sufficient, relevant information on income is not made available for commercial condominium units, the department shall value condominiums using the construction-cost method. When using the construction-cost method, the department shall determine the value of the entire condominium project and allocate a percentage of the total value to each individual unit. The allocation is equal to the percentage of undivided interest in the common elements for the unit as expressed in the declaration made pursuant to 70-23-403, regardless of whether the percentage expressed in the declaration conforms to market value.*

(5) For purposes of taxation, assessed value is the same as appraised value.

~~(5)(6)~~ (6) The taxable value for all property is the percentage of market or assessed value established for each class of property.

~~(6)~~(7) The assessed value of properties in 15-6-131 through 15-6-134, 15-6-143, and 15-6-145 is as follows:

(a) Properties in 15-6-131, under class one, are assessed at 100% of the annual net proceeds after deducting the expenses specified and allowed by 15-23-503 or, if applicable, as provided in 15-23-515, 15-23-516, 15-23-517, or 15-23-518.

(b) Properties in 15-6-132, under class two, are assessed at 100% of the annual gross proceeds.

(c) Properties in 15-6-133, under class three, are assessed at 100% of the productive capacity of the lands when valued for agricultural purposes. All lands that meet the qualifications of 15-7-202 are valued as agricultural lands for tax purposes.

(d) Properties in 15-6-134, under class four, are assessed at the applicable percentage of market value minus any portion of market value that is exempt from taxation under 15-6-201(1)(z) and (1)(aa).

(e) Properties in 15-6-143, under class ten, are assessed at 100% of the forest productivity value of the land when valued as forest land.

(f) Railroad transportation properties in 15-6-145 are assessed based on the valuation formula described in 15-23-205.

~~(7)~~(8) Land and the improvements on the land are separately assessed when any of the following conditions occur:

- (a) ownership of the improvements is different from ownership of the land;
- (b) the taxpayer makes a written request; or
- (c) the land is outside an incorporated city or town."

Section 2. Section 15-8-511, MCA, is amended to read:

"15-8-511. Undivided interest in common elements of condominium project — definition. (1) Each unit of a condominium project is considered a parcel of real property subject to separate assessment and taxation. Each unit owner must be assessed for the unit owner's percentage of undivided interest in elements of the condominium project, except parks, owned in common by the unit owners. The percentage of undivided interest stated in a unit declaration is the figure to be used in assessing common elements under this section.

(2) ~~Unless otherwise agreed by all the unit owners, for purposes of assessment common elements include:~~

~~(a) the land on which the building is located, except any portion thereof included in a unit or made a limited common element by the declaration;~~

~~(b) the foundations, columns, girders, beams, supports, mainwalls, roofs, halls, corridors, lobbies, stairs, fire escapes, entrances, and exits of the building;~~

~~(c) the basements, yards, gardens, parking areas, outside storage spaces, private pathways, sidewalks, and private roads;~~

~~(d) installations of central services such as power, light, gas, hot and cold water, heating, refrigeration, air conditioning, waste disposal, and incinerating;~~

~~(e) the elevators, tanks, pumps, motors, fans, compressors, ducts, and in general all apparatus and installations existing for common use;~~

~~(f) the premises for the lodging of janitors or caretakers of the property; and~~

~~(g) all other elements of the building necessary or convenient to its existence, maintenance, and safety and normally in common use As used in this chapter, "common elements" has the meaning provided in 70-23-102."~~

Section 3. Section 15-8-512, MCA, is amended to read:

"15-8-512. Common elements serving residential or commercial development. (1) Each lot in a residential or commercial development, regardless of whether improved or unimproved, is considered a parcel of real property subject to separate assessment and taxation. ~~Each lot owner is assessed on a pro rata basis for elements of the development serving the lots in common, such as recreational areas, pathways, sidewalks, private roads, street lights, main communication cables, main gas or electric lines, community water and sewer systems, or any other common element enumerated in 15-8-511, but not for park areas that serve the lots~~ *The value of common elements must be allocated to each lot owner pursuant to 15-8-111.*

(2) The assessment provisions of subsection (1) are not negated by the existence or formation of a contract between the developer and lot purchasers or an agreement among lot purchasers that would attempt to obligate the developer or an association of lot owners to pay taxes on the common elements."

Section 4. Effective date. [This act] is effective on passage and approval.

Section 5. Retroactive applicability. [This act] applies retroactively, within the meaning of 1-2-109, to property tax years beginning after December 31, 2004.

(5) “Member” means a member of the state’s organized militia provided for in 10-1-103.

(6) “Military service” includes both federally funded military duty and state active duty.

(7) (a) “State active duty” means duty performed by a member when a disaster or an emergency has been declared by the proper authority of the state pursuant to Article VI, section 13, of the Montana constitution to include the time period, if any, required pursuant to a licensed physician’s certification to recover from an illness or injury incurred while performing the active duty.

(b) The term does not include federally funded military duty.

Section 4. Rights under federal law. A person ordered to federally funded military duty is entitled to all of the employment and reemployment rights and benefits provided pursuant to the federal Uniformed Services Employment and Reemployment Rights Act of 1994, 38 U.S.C. 4301, et seq., and other applicable federal law.

Section 5. Prohibition against employment discrimination. An employer may not deny employment, reemployment, reinstatement, retention, promotion, or any benefit of employment or obstruct, injure, discriminate

against, or threaten negative consequences against a person with regard to employment because of the person's membership, application for membership, or potential application for membership in the state organized militia or because the person may exercise or has exercised a right or may claim or has claimed a benefit under [sections 1 through 18].

Section 6. Entitlement to leave of absence. (1) A member ordered to state active duty is entitled to a leave of absence from the person's employment during the period of that state active duty.

(2) A leave of absence for state active duty may not be deducted from any sick leave, vacation leave, military leave, or other leave accrued by the member unless the member desires the deduction.

Section 7. Right to return to employment without loss of benefits — exceptions — definition. (1) Subject to the provisions of this section, after a leave of absence for state active duty, a member is entitled to return to employment with the same seniority, status, pay, health insurance, pension, and other benefits as the member would have accrued if the member had not been absent for the state active duty.

(2) (a) If a member was a probationary employee when ordered to state active duty, the employer may require the member to resume the member's probationary period from the date when the member's leave of absence for state active duty began.

(b) An employer may decide whether or not to authorize the member to accrue sick leave, vacation leave, military leave, or other leave benefits during the member's leave of absence for state active duty. However, the member may not be provided with lesser leave accrual benefits than are provided to all other employees of the employer in a similar but nonmilitary leave status.

(c) (i) An employer's health plan must provide that:

(A) a member may elect to not remain covered under the employer's health plan while the member is on state active duty but that when the member returns, the member may resume coverage under the plan without the plan considering the employee to have incurred a break in service; and

(B) a member may elect to remain on the employer's health plan while the member is on state active duty without being required to pay more than the regular employee share of the premium, except as provided in subsection (2)(c)(ii);

(ii) If a member's state active duty qualifies the member for coverage under the state of Montana's health insurance plan as an employee of the department of military affairs, the employer's health plan may require the member to pay up to 102% of the full premium for continued coverage.

(iii) A health insurance plan covering an employee who is a member serving on state active duty is not required to cover any illness or injury caused or aggravated by state active duty.

(iv) If the member is a state employee prior to being ordered to state active duty, the member does not become qualified as an employee of the department of military affairs for the purposes of health plan coverage until the member's state active duty qualifies the member to be considered an employee of the department of military affairs pursuant to 2-18-701.

(d) An employer's pension plan must provide that when a member returns to employment from state active duty:

(i) the member's period of state active duty may constitute service with the employer or employers maintaining the plan for the purposes of determining the nonforfeitable of the member's accrued benefits and for the purposes of determining the accrual of benefits under the plan; and

(ii) if the member elects to receive credit and makes the contributions required to accrue the pension benefits that the member would have accrued if the member had not been absent for the state active duty, then the employer shall pay the amount of the employer contribution that would have been made for the member if the member had not been absent.

(e) An employer is not obligated to allow the member to return to employment after the member's absence for state active duty if:

(i) the member is no longer qualified to perform the duties of the position, subject to the provisions of 49-2-303 prohibiting employment discrimination because of a physical or mental disability;

(ii) the member's position was temporary and the temporary employment period has expired;

(iii) the member's request to return to employment was not done in a timely manner;

(iv) the employer's circumstances have changed so significantly that the member's continued employment with the employer cannot reasonably be expected; or

(v) the member's return to employment would cause the employer an undue hardship.

(3) (a) For the purposes of this section and except as provided in subsection (3)(b), "timely manner" means:

(i) for state active duty of up to 30 days, the member returned to employment the next regular work shift following safe travel time plus 8 hours;

(ii) for state active duty of 30 days to 180 days, the member returned to employment within 14 days of termination of state active duty; and

(iii) for state active duty of more than 180 days, the member returned to employment within 90 days of termination of the state active duty.

(b) If there are extenuating circumstances that preclude the member from returning to employment within the time period provided in subsection (3)(a) through no fault of the member, then for the purposes of this section "timely manner" means within the time period specified by the adjutant general provided for in 2-15-1202.

(3) If an acting official is appointed pursuant to [section 9], the leave of absence must be without pay.

(4) An elected official ordered to military service is entitled to the employment rights and benefits that would be provided to any other employee under the official's employer if the employee were on a leave of absence subject to the provisions of [sections 1 through 18].

The investigation may include an investigation at the home of the child involved, the child's school or day-care facility, or any other place where the child is present and into all other nonfinancial matters that in the discretion of the investigator are relevant to the investigation. In conducting an investigation under this section, a social worker may not inquire into the financial status of the child's family or of any other person responsible for the child's care, except as necessary to ascertain eligibility for state or federal assistance programs or to comply with the provisions of 41-3-446.

If the child is treated at a medical facility, the social worker, county attorney, or peace officer, consistent with reasonable medical practice, has the right of access to the child for interviews, photographs, and securing physical evidence and has the right of access to relevant hospital and medical records pertaining to the child. (5) (a) If from the investigation the department has reasonable cause to suspect that the child suffered abuse or neglect, the department may provide emergency protective services to the child, pursuant to 41-3-301, or voluntary protective services pursuant to 41-3-302, and may provide protective services to any other child under the same care. The department shall:

(i) after interviewing the parent or guardian, if reasonably available, document its determination regarding abuse or neglect of a child; and

(ii) notify the child's family of its investigation and determination, unless the notification can reasonably be expected to result in harm to the child or other person.

(b) If from the investigation it is determined that the child has not suffered abuse or neglect and the initial report is determined to be unfounded, the department and the social worker, county attorney, or peace officer who conducted the investigation into the circumstances surrounding the allegations of abuse or neglect shall destroy all of their records concerning the report and the investigation. The destruction must be completed within 30 days of the determination that the child has not suffered abuse or neglect.

(c) (i) If the report is unsubstantiated, the department and the social worker who conducted the investigation into the circumstances surrounding the initial allegations of abuse or neglect shall destroy all of the records, except for medical records, concerning the unsubstantiated report and the investigation within 30 days after the end of the 3-year period starting from the date the report was determined to be unsubstantiated, unless:

(B) an order has been issued under this chapter based on the circumstances surrounding the initial allegations.

(ii) A person who is the subject of an unsubstantiated report that was made prior to October 1, 2003, and after which a period of 3 years has elapsed without there being submitted a subsequent substantiated report or an order issued under this chapter based on the circumstances surrounding the initial allegations may request that the department destroy all of the records concerning the unsubstantiated report as provided in subsection (5)(c)(i).

Section 5. Section 41-3-438, MCA, is amended to read:

"41-3-438. Disposition — hearing — order. (1) Unless a petition is dismissed or unless otherwise stipulated by the parties pursuant to 41-3-434 or ordered by the court, a dispositional hearing must be held on every petition filed under this chapter within 20 days after an adjudicatory order has been entered under 41-3-437. Exceptions to the time limit may be allowed only in cases involving newly discovered evidence, unavoidable delays, stipulation by the parties pursuant to 41-3-434, and unforeseen personal emergencies.

(2) (a) A dispositional order must be made after a dispositional hearing that is separate from the adjudicatory hearing under 41-3-437. The hearing process must be scheduled and structured so that dispositional issues are specifically addressed apart from adjudicatory issues. Hearsay evidence is admissible at the dispositional hearing.

(b) A dispositional hearing may follow an adjudicatory hearing in a bifurcated manner immediately after the adjudicatory phase of the proceedings if:

(i) all required reports are available and have been received by all parties or their attorneys at least 5 working days in advance of the hearing; and

(ii) the judge has an opportunity to review the reports after the adjudication.

(c) The dispositional hearing may be held prior to the entry of written findings required by 41-3-437.

(3) If a child is found to be a youth in need of care under 41-3-437, the court may enter its judgment, making any of the following dispositions to protect the welfare of the child:

(a) permit the child to remain with the child's custodial parent or guardian, subject to those conditions and limitations the court may prescribe;

(b) order the placement of the child with the noncustodial parent, superseding any existing custodial order, and dismiss the proceeding with no further obligation on the part of the department to provide services to the parent with whom the child is placed or to work toward reunification of the child with the parent or guardian from whom the child was removed in the initial proceeding;

(c) grant an order of limited emancipation to a child who is 16 years of age or older, as provided in 41-1-501;

(d) transfer temporary legal custody to any of the following:

(iii) a relative or other individual who is recommended by the department or a licensed child-placing agency designated by the court and who is found by the court to be qualified to receive and care for the child;

(e) order a party to the action to do what is necessary to give effect to the final disposition, including undertaking medical and psychological evaluations, treatment, and counseling that does not require an expenditure of money by the department unless the department consents and informs the court that resources are available for payment. The department is the payor of last resort after all family, insurance, and other resources have been examined.

(f) order further care and treatment as the court considers in the best interests of the child that does not require an expenditure of money by the department unless the department consents and informs the court that resources are available for the proposed care and treatment. The department is the payor of last resort after all family, insurance, and other resources have been examined pursuant to 41-3-446.

(4) (a) If the court awards temporary legal custody of an abandoned child other than to the department or to a noncustodial parent, the court shall award temporary legal custody of the child to a member of the child's extended family, including adult siblings, grandparents, great-grandparents, aunts, and uncles, if:

(i) placement of the abandoned child with the extended family member is in the best interests of the child;

(ii) the extended family member requests that the child be placed with the family member; and

(iii) the extended family member is found by the court to be qualified to receive and care for the child.

(b) If more than one extended family member satisfies the requirements of subsection (4)(a), the court may award custody to the extended family member who can best meet the child's needs.

(5) If reasonable efforts have been made to prevent removal of a child from the home or to return a child to the child's home but continuation of the efforts is determined by the court to be inconsistent with permanency for the child, the department shall make reasonable efforts to place the child in a timely manner in accordance with a permanent plan and to complete whatever steps are necessary to finalize the permanent placement of the child.

(6) If the court finds that reasonable efforts are not necessary pursuant to 41-3-442(1) or subsection (5) of this section, a permanency ~~plan~~ hearing must be held within 30 days of that determination and reasonable efforts must be made to place the child in a timely manner in accordance with the permanency plan and to complete whatever steps are necessary to finalize the permanent placement of the child.

(7) If the time limitations of this section are not met, the court shall review the reasons for the failure and order an appropriate remedy that considers the best interests of the child."

Section 6. Section 41-3-443, MCA, is amended to read:

(c) the court has made an adjudication under 41-3-437 that the child is a youth in need of care.

(2) Every treatment plan must contain the following information:

(a) the identification of the problems or conditions that resulted in the abuse or neglect of a child;

(b) the treatment goals and objectives for each condition or requirement established in the plan. If the child has been removed from the home, the treatment plan must include but is not limited to the conditions or requirements that must be established for the safe return of the child to the family.

(c) the projected time necessary to complete each of the treatment objectives;

(d) the specific treatment objectives that clearly identify the separate roles and responsibilities of all parties addressed in the treatment plan; and

(e) the signature of the parent or parents or guardian, unless the plan is ordered by the court.

(3) A treatment plan may include but is not limited to any of the following remedies, requirements, or conditions:

(5) A treatment plan must contain a notice provision advising parents:

(a) of timelines for hearings and determinations required under this chapter;

(b) that the state is required by federal and state laws to hold a permanency ~~plan~~ hearing to determine the permanent placement of a child no later than 12 months after a judge determines that the child has been abused or neglected or 12 months after the first 60 days that the child has been removed from the child's home;

(c) that if a child has been in foster care for 15 of the last 22 months, state law presumes that termination of parental rights is in the best interests of the child and the state is required to file a petition to terminate parental rights; and

(d) that completion of a treatment plan does not guarantee the return of a child and that completion of the plan without a change in behavior that caused removal in the first instance may result in termination of parental rights."

Section 7. Section 41-3-445, MCA, is amended to read:

"41-3-445. Permanency plan hearing. (1) (a) (i) Subject to subsection (1)(b), a permanency ~~plan~~ hearing must be held by the court *or, subject to the approval of the court and absent an objection by a party to the proceeding, by the foster care review committee, as provided in 41-3-115, or the citizen review board, as provided in 41-3-1010:*

(A) within 30 days of a determination that reasonable efforts to provide preservation or reunification services are not necessary under 41-3-423, 41-3-438(6), or 41-3-442(1); ~~and or~~

(B) no later than 12 months after the initial court finding that the child has been subjected to abuse or neglect or 12 months after the child's first 60 days of removal from the home, whichever comes first.

(ii) Within 12 months of a hearing under subsection (1)(a)(i)(B) and every 12 months thereafter until the child is permanently placed in either an adoptive or a guardianship placement, the court *or the court-approved entity holding the permanency hearing* shall conduct a hearing and ~~make the court shall issue a finding as to~~ whether the department has made reasonable efforts to finalize the permanency plan for the child.

(b) A permanency ~~plan~~ hearing is not required if the proceeding has been dismissed, the child was not removed from the home, ~~or~~ the child has been returned to the child's parent or guardian, *or the child has been legally adopted or appointed a legal guardian.*

(c) The permanency ~~plan~~ hearing may be combined with a hearing that is required in other sections of this part *or with a review held pursuant to 41-3-115 or 41-3-1010* if held within the *applicable* time limits ~~of that section~~. If a permanency ~~plan~~ hearing is combined with another hearing *or a review*, the requirements of the court related to the disposition of the other hearing *or review* must be met in addition to the requirements of this section.

(d) The court-approved entity conducting the permanency hearing may elect to hold joint or separate reviews for groups of siblings, but the court shall issue specific findings for each child.

(2) At least 3 working days prior to the permanency ~~plan~~ hearing, the department ~~and the guardian ad litem~~ shall ~~each~~ submit a report regarding the child to the ~~court~~ *entity that will be conducting the hearing* for review. The report must address the department's efforts to effectuate the permanency plan for the child, address the options for the child's permanent placement, examine the reasons for excluding higher priority options, and set forth the proposed plan to carry out the placement decision, including specific times for achieving the plan.

(3) At least 3 working days prior to the permanency ~~plan~~ hearing, *the guardian ad litem or an attorney or advocate for a parent or guardian* may submit an informational report to the ~~court~~ *entity that will be conducting the hearing* for review.

(4) *(a) The court's order must be issued within a reasonable time 20 days after the permanency ~~plan~~ hearing if the hearing was conducted by the court. The court shall make findings on whether the permanency plan is in the best interests of the child and whether the department has made reasonable efforts to finalize the plan. The court shall order the department to take whatever additional steps are necessary to effectuate the terms of the plan.*

(b) If an entity other than the court conducts the hearing, the entity shall keep minutes of the hearing and the minutes and written recommendations must be provided to the court within 20 days of the hearing.

(c) If an entity other than the court conducts the hearing and the court concurs with the recommendations, the court may adopt the recommendations as findings with no additional hearing required. In this case, the court shall issue written findings within 10 days of receipt of the written recommendations.

(5) The court shall approve a specific permanency plan for the child and make written findings on:

(a) *whether the permanency plan is in the best interests of the child;*

(b) whether the department has made reasonable efforts to finalize the plan; and

(c) other necessary steps that the department is required to take to effectuate the terms of the plan.

~~(5)~~(6) In its discretion, the court may enter any other order that it determines to be in the best interests of the child that does not conflict with the options provided in subsection ~~(6)~~ (7) and that does not require an expenditure of money by the department unless the court finds after notice and a hearing that the expenditures are reasonable and that resources are available for payment. The department is the payor of last resort after all family, insurance, and other resources have been examined.

~~(6)~~(7) Permanency options include:

- (a) reunification of the child with the child's parent or guardian;
- (b) adoption;
- (c) appointment of a guardian pursuant to 41-3-444; or

 - (iii) the child is at least 16 years of age and is participating in an independent living program and that termination of parental rights is not in the best interests of the child;
 - (iv) the child's parent is incarcerated and circumstances, including placement of the child and continued, frequent contact with the parent, indicate that it would not be in the best interests of the child to terminate parental rights of that parent; or
 - (v) the child meets the following criteria:
 - (A) the child has been adjudicated a youth in need of care;
 - (B) the department has made reasonable efforts to reunite the parent and child, further efforts by the department would likely be unproductive, and reunification of the child with the parent or guardian would be contrary to the best interests of the child;
 - (C) there is a judicial finding that other more permanent placement options for the child have been considered and found to be inappropriate or not to be in the child's best interests; and
 - (D) the child has been in a placement in which the foster parent or relative has committed to the long-term care and to a relationship with the child, and it is in the best interests of the child to remain in that placement.

~~(7)~~(8) The court may terminate a planned permanent living arrangement upon petition of the birth parents or the department if the court finds that the circumstances of the child or family have substantially changed and the best interests of the child are no longer being served."

(a) The declaration of the member must be recorded in the official records of the board.

(b) If, in the judgment of the majority of the board, the potential conflict of interest may prevent the member from fairly and objectively reviewing the case, the board may remove the member from participation in the review.

(7) The board shall keep accurate records and retain the records on file. The board shall send copies of its written findings and recommendations to the district court, the department, and other participants in the review unless prohibited by the confidentiality provisions of 41-3-205.

CHAPTER NO. 386

[SB 137]

AN ACT PROVIDING FOR THE LICENSURE AND REGULATION OF TATTOOING AND BODY-PIERCING ESTABLISHMENTS BY THE DEPARTMENT OF PUBLIC HEALTH AND HUMAN SERVICES AND LOCAL BOARDS OF HEALTH; GRANTING RULEMAKING AUTHORITY REGARDING STANDARDS FOR SANITATION AND SAFETY, LICENSING, ENFORCEMENT PROCEDURES, AND FEES; PROVIDING FOR INJUNCTIONS, CIVIL ACTIONS, PROSECUTION, AND CIVIL AND CRIMINAL PENALTIES FOR VIOLATIONS OF TATTOOING AND BODY-PIERCING LAWS; PROVIDING FOR THE DENIAL AND CANCELLATION OF LICENSES; PROVIDING FOR INSPECTIONS AND INVESTIGATIONS BY HEALTH AUTHORITIES; CREATING AN ACCOUNT IN THE STATE SPECIAL REVENUE FUND FOR THE DEPARTMENT TO USE IN ADMINISTERING THE LAWS; AMENDING SECTIONS 45-5-623, 50-1-202, 50-2-116, AND 50-2-130, MCA; AND PROVIDING A DELAYED EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. Purpose. The regulation of tattooing and body-piercing establishments is required to protect the public health and safety.

Section 2. Definitions. As used in [sections 1 through 15], unless the context clearly indicates otherwise, the following definitions apply:

(1) "Body piercing" means penetrating the skin to make a hole, mark, or scar that is generally permanent in nature.

(2) "Department" means the department of public health and human services provided for in 2-15-2201.

(3) "Establishment" means either a body-piercing operation, a tattooing operation, or a combination of both operations in a multiple-type establishment.

(4) "Local board of health" means a county, city, city-county, or district board of health provided for in Title 50, chapter 2.

(5) "Local health officer" has the meaning provided in 50-2-101.

(6) "Multiple-type establishment" means an operation encompassing both body piercing and tattooing on the same premises and under the same management.

(7) "Person" means an individual, partnership, corporation, association, or other entity engaged in the business of operating, owning, or offering the services of body piercing or tattooing.

(8) "Regulatory authority" means the department of public health and human services, the local board of health, the local health officer, or the local sanitarian.

(9) (a) "Tattooing" means making permanent marks on the skin of a live human being by puncturing the skin and inserting indelible colors. The term includes imparting permanent makeup on the skin such as permanent lip coloring and permanent eyeliner.

(b) The term does not include:

(i) the practice of electrology as defined in 37-31-101; or

(ii) the use by a physician or medical professional who is licensed to practice in the state of Montana of colors, dyes, or pigments for the purpose of obscuring scar tissue or imparting color to the skin for cosmetic, medical, or figurative purposes.

Section 3. Rulemaking authority. The department shall adopt and enforce minimum safety and sanitation requirements for tattooing and body piercing, including rules to:

(1) set standards to ensure sanitation and safety in establishments to protect the public health and safety;

(2) license establishments;

(3) provide procedures for enforcement of the laws and rules relating to establishments, including implementing plans of correction;

(4) impose fees for licensure, inspection, enforcement, training, and administration.

Section 4. Licensure and regulation by local boards of health. (1) A local board of health may implement its own licensure and regulatory program for tattooing and body-piercing establishments independent of that of the department. A local board of health's licensure and regulatory program must be operated in lieu of the department's licensure and regulatory program.

(2) Subject to the restrictions in 50-2-130, a local board of health that operates its own licensure and regulatory program pursuant to subsection (1) may adopt necessary regulations that are not less stringent than department rules adopted under [section 3]. The rules may include:

(a) standards to ensure sanitation and safety in establishments to protect public health and safety;

(b) licensure of establishments;

(c) procedures for enforcement of the laws and rules relating to establishments, including the implementation of plans of correction; and

(d) fees that reflect and may not exceed the actual costs incurred for licensure, inspection, enforcement, training, and administration.

(3) The local board of health shall report annually to the department on the number of establishments that it licenses and regulates.

Section 5. Injunctions. A regulatory authority may bring an action for an injunction against any continued violation of [sections 1 through 15] or any rule adopted under [section 3 or 4].

Section 6. County attorney to prosecute violations. When a regulatory authority furnishes evidence to the county attorney of a county in this state where the violating establishment operates, the county attorney shall prosecute any person violating [sections 1 through 15] or any rule adopted under [section 3 or 4].

Section 7. Penalties — misdemeanor. A person who purposefully or knowingly violates any provision of [sections 1 through 15] or rules adopted under [section 3 or 4] is guilty of a misdemeanor. Upon conviction, the person shall be fined:

(1) an amount of not less than \$50 or more than \$100 for the first offense;

(2) an amount of not less than \$75 or more than \$200 for the second offense; and

(3) an amount of not less than \$200 and imprisoned in the county jail for not more than 90 days for the third and subsequent offenses.

Section 8. Civil penalties — injunctions not barred. (1) An establishment that violates [sections 1 through 15] or rules adopted under [section 3 or 4] is subject to a civil penalty not to exceed \$500 for each violation.

(2) An action to impose civil penalties under this section does not bar actions for injunctions to enforce compliance with [sections 1 through 15] or to enforce compliance with a rule adopted under [section 3 or 4].

Section 9. Costs and expenses — recovery by regulatory authority. In a civil action initiated by the regulatory authority under [section 5 or 8], the court may, by petition of the regulatory authority, order an establishment that is found to be in willful violation of [sections 1 through 15] or a rule adopted under [section 3 or 4] to pay the costs of investigations and any other expenses incurred. These costs are limited to the direct costs of investigations and other expenses.

Section 10. License required — fees — application. (1) A person operating an establishment shall procure an annual license from the appropriate regulatory authority having jurisdiction. For each annual license, the regulatory authority shall collect a fee established by rule pursuant to [section 3 or 4].

(2) A separate license is required for each establishment operating on different premises.

(3) A person operating a multiple-type establishment shall procure separate licenses for body piercing and tattooing businesses.

(4) An application for a license must be made to the department on forms containing the information required by the department.

(5) Licenses are not transferable.

Section 11. Late fee — allocation of licensure and late fees. (1) A person operating an establishment who fails to renew a license issued by the department by the expiration date and who operates the establishment in the license year for which an annual renewal fee was not paid shall, upon renewal, pay to the department a late renewal fee of \$25 in addition to the annual fee required by [section 10]. Payment of the late renewal fee does not relieve the operator of responsibility for operating without a license.

(2) The department shall deposit the fees collected under [section 10] and subsection (1) of this section in the state special revenue account provided for in [section 15].

Section 12. Denial or cancellation of license by regulatory authority — multiple-type establishments. (1) The regulatory authority may deny or cancel a license it issues if it finds, after proper investigation, that the applicant or licensee is not in compliance with [sections 1 through 15] or a rule adopted under [section 3 or 4] and the applicant or licensee has failed or refused to remedy or correct the noncompliance or violation.

(2) When a multiple-type establishment is licensed, the denial or cancellation may affect both tattooing and body-piercing operations or only one of the operations, as determined by the regulatory authority.

Section 13. Notice and hearing required for license denial or cancellation. (1) A license may not be denied or canceled by the regulatory authority without delivery to the applicant or licensee of a written statement of the grounds for denial or cancellation and an opportunity for a hearing before the regulatory authority to show cause, if any, why the license should not be denied or canceled.

(2) The applicant or licensee shall make a written request to the department for a hearing within 10 days after notice of the grounds for denial or cancellation has been received.

(3) The hearing conducted by the department must be held in accordance with the contested case procedures of the Montana Administrative Procedure Act.

Section 14. Health officers to make investigations and inspections — free access. (1) State and local health officers or their designees shall conduct investigations and inspections of establishments.

(2) State and local health officers or their designees must be provided access to establishments at all reasonable hours for the purpose of conducting investigations and inspections as required under subsection (1).

(3) If a local board of health inspection and regulatory program is being operated in lieu of a department program, the local board of health and not the department has the duty and authority provided in this section.

(9) *When a broker or salesperson is acting only as a property manager, another relationship disclosure is not required and a disclosure that complies*

with subsection (8) must be construed as a sufficient disclosure of the contractual relationship.

~~(8)~~(10) Any disclosure required by this section may contain the following information:

(a) a description of the other relationships and corresponding duties available under this part, as long as the disclosure clearly indicates the relationship being disclosed;

(a) dishonored for lack of funds or credit or because the issuer does not have an account with the drawee; or

(b) issued in partial or complete fulfillment of a valid and legally binding obligation and the issuer stops payment with the intent to fraudulently defeat a possessory lien or otherwise defraud the payee of the check.

(2) The person who issues the check, draft, converted check, electronic funds transfer, or order is liable to the payee or the payee's assignee for a service charge in a reasonable amount, not greater than \$30. The payee or the payee's assignee may waive the service charge. Demand for the service charge must be made in writing by the payee or the payee's assignee and mailed to the address shown on the check, draft, converted check, or order or to the issuer's last-known address. The demand must state that the issuer is required to pay the value of the check, draft, converted check, electronic funds transfer, or order and service charge and must state the service charge provided for in this section.

(c) does not affect the obligation of the issuer provided for in 30-3-423 to pay the amount of the draft. However, in case of any inconsistency with the provisions of Title 30, chapter 3, the provisions of this section apply.

(6) Upon introduction by the payee or the payee's assignee of evidence sufficient to establish the fact of mailing as required under subsection (2), the failure to receive the written demand is not a defense to the action allowed under subsection (3). *The statute of limitations for the liability created under this section is 6 years from the date of the demand under subsection (2).*

(7) This section applies to all checks, drafts, converted checks, electronic funds transfers, and orders, including those electronically presented for payment.

(8) Making partial payments of amounts owed under this section or entering into an agreement for paying in whole or in part amounts owed under this section does not waive any right that the payee or the payee's assignee may have under this section. Once a demand required under this section is made, the demand is not required to be repeated upon partial payment of amounts owed under this section."

Section 7. Section 28-1-1001, MCA, is amended to read:

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 33-1-501, MCA, is amended to read:

“33-1-501. Filing and approval of forms — approval — review of disapproval or withdrawal of approval — application. (1) (a) An insurance policy or annuity contract form, certificate, enrollment form, application form, ~~viatical disclosure form~~, printed rider or endorsement form, or form of renewal certificate may not be delivered or issued for delivery in Montana unless the form and, for the purposes of disability insurance, an outline of coverage as required by 33-22-244 and 33-22-521 have been filed with and approved by the commissioner and, if required, the regulatory official of the state of domicile of the insurer. This provision does not apply to surety bonds or policies, riders, endorsements, or forms of unique character designed for and used with relation to insurance upon a particular subject or that relate to the manner of distribution of benefits or to the reservation of rights and benefits under life or disability insurance policies and are used at the request of the individual policyholder, contract holder, or certificate holder. Forms for use in property, marine, other than ocean marine and foreign trade coverages, casualty, and surety insurance coverages may be filed by a rating organization on behalf of its members and subscribers or by a member or subscriber on its own behalf.

(b) A filing required by subsection (1)(a) must be submitted by an officer of the insurer with a certification in a form prescribed by the commissioner. The certification must state that to the best of the officer's knowledge and belief, the policy, contract form, certificate, enrollment form, application form, printed rider or endorsement form, or form of renewal certificate complies with the applicable provisions of Title 33.

~~(b)~~(c) The approval of an insurance policy or annuity contract form, certificate, enrollment form, application form, or other related insurance form by the state of domicile may be waived by the commissioner if the commissioner considers the requirements of subsection (1)(a) unnecessary for the protection of Montana insurance consumers. If the requirement is waived, an insurer shall notify the commissioner in writing within 10 days of disapproval, denial, or withdrawal of approval of a form by the state of domicile.

(2) (a) ~~The filing must be made not less than 60 days in advance of before delivery and must be delivered by hand or sent by certified mail with a return receipt requested. The commissioner's office shall mark a filing with the date of receipt by the commissioner's office.~~

(b) (i) *If after 60 days from the date of receipt by the commissioner's office the commissioner has not approved or disapproved the form by a notice pursuant to the provisions in subsection (4), the form is considered approved for all purposes, subject to subsection (2)(c).*

(ii) *The running of the 60-day period is tolled for a period commencing on the date that the commissioner notifies the insurer of problems or questions and requests additional information from the insurer concerning a form filed pursuant to subsection (1)(a) and ending on the date that the insurer submits its response to the commissioner.*

(iii) *For purposes of tolling the 60-day period as provided in subsection (2)(b)(ii), the commissioner's request notification may be made electronically.*

(c) *In a letter separate from the original filing and delivered by hand or sent by certified mail with return receipt requested, the insurer shall notify the commissioner, at least 10 days before the use of the form in the market, that the insurer believes that:*

(i) the form has been or will be considered approved; and

(ii) the insurer will begin marketing the form in Montana.

(d) *The commissioner's office shall mark a letter received pursuant to subsection (2)(c) with the date of receipt by the commissioner's office.*

(3) *Approval of a form by the commissioner constitutes a waiver of any unexpired portion of the waiting period. The commissioner may extend by not more than an additional 60 days the period within which the commissioner may approve or disapprove a form by giving notice of the extension before expiration of the initial 60-day period.*

(4) *The commissioner may at any time, after notice and for cause shown, withdraw any approval.*

~~(3)~~ Notice by the commissioner disapproving a form or withdrawing a previous approval must state the grounds for disapproval or withdrawal in sufficient detail to inform the insurer *of the specific reason or reasons for and the legal authority supporting the disapproval or withdrawal of approval in whole or in part. The disapproval or withdrawal of approval does not take effect unless*

it is issued after the commissioner has reviewed the form and provided notice to the person who filed the form pursuant to 33-1-314 and this subsection.

(5) After the date of the insurer's receipt of notice of disapproval or withdrawal of approval by the commissioner, the insurer may not deliver the form or issue the form for delivery in Montana.

(6) The insurer may request a hearing, as provided for in 33-1-701, for unresolved disputes regarding a disapproval or a withdrawal of approval.

~~(4)~~(7) The commissioner may exempt from the requirements of this section, for so long as the commissioner considers proper, an insurance document, form, or type of document or form to which, in the commissioner's opinion, this section may not practicably be applied or the filing and approval of which are not desirable or necessary for the protection of the public.

~~(5)~~(8) This section applies to a form used by a domestic insurer for delivery in a jurisdiction outside Montana if the insurance supervisory official of the jurisdiction informs the commissioner that the form is not subject to approval or disapproval by the official and upon the commissioner's order requiring the form to be submitted to the commissioner for the purpose. The same standards apply to these forms as apply to forms for domestic use.

~~(6)~~(9) ~~This section and~~ Section 33-1-502 and this section do not apply to:

- (a) reinsurance;
- (b) policies or contracts not issued for delivery in Montana or delivered in Montana, except as provided in subsection ~~(5)~~ (8);
- (c) ocean marine and foreign trade insurances.

~~(7)~~(10) Except as provided in chapter 21, group certificates that are delivered or issued for delivery in Montana for group insurance policies effectuated and delivered outside Montana but covering persons resident in Montana must be filed with the commissioner upon request. The certificates must meet the minimum provisions mandated by Montana if Montana law prevails over conflicting provisions of other state law."

(i) if the evidence of coverage or any portion of it on an enrollee, dependents, or family members covered under the evidence of coverage ceases because of termination of employment or termination of membership in the class or classes eligible for coverage under the policy or because the employer discontinues the business or the coverage;

(ii) if the enrollee had been enrolled in the health maintenance organization for a period of 3 months preceding the termination of group coverage; and

(4) A health maintenance organization may amend an enrollment form or an evidence of coverage in a separate document if the separate document is filed with and approved by the commissioner *in accordance with 33-1-501* and issued to the enrollee.

(5) (a) Except as provided in 33-22-262, a health maintenance organization shall provide the same coverage for newborn infants, required by subsection (3)(e), as it provides for enrollees, except that for newborn infants, there may be no waiting or elimination periods. A health maintenance organization may not assess a deductible or reduce benefits applicable to the coverage for newborn infants unless the deductible or reduction in benefits is consistent with the deductible or reduction in benefits applicable to all covered persons.

(b) Except as provided in 33-22-262, a health maintenance organization may not issue or amend an evidence of coverage in this state if it contains any disclaimer, waiver, or other limitation of coverage relative to the accident and sickness coverage or insurability of newborn infants of an enrollee or dependents from and after the moment of birth.

(c) If a health maintenance organization requires payment of a specific fee to provide coverage of a newborn infant beyond 31 days of the date of birth of the infant, the evidence of coverage may contain a provision that requires notification to the health maintenance organization, within 31 days after the date of birth, of the birth of an infant and payment of the required fee.

benefits covered by the plan. The definition of geographical service area need not be stated in the text of the evidence of coverage if the definition is adequately described in an attachment that is given to each enrollee along with the evidence of coverage.

(j) a provision that clearly describes the amount of money an enrollee shall pay to the health maintenance organization to be covered for basic health care services.

(4) A health maintenance organization may amend an enrollment form or an evidence of coverage in a separate document if the separate document is filed with and approved by the commissioner *in accordance with 33-1-501* and issued to the enrollee.

(5) (a) A health maintenance organization shall provide the same coverage for newborn infants, required by subsection (3)(e), as it provides for enrollees, except that for newborn infants, there may be no waiting or elimination periods. A health maintenance organization may not assess a deductible or reduce benefits applicable to the coverage for newborn infants unless the deductible or reduction in benefits is consistent with the deductible or reduction in benefits applicable to all covered persons.

(b) A health maintenance organization may not issue or amend an evidence of coverage in this state if it contains any disclaimer, waiver, or other limitation of coverage relative to the accident and sickness coverage or insurability of newborn infants of an enrollee or dependents from and after the moment of birth.

(c) If a health maintenance organization requires payment of a specific fee to provide coverage of a newborn infant beyond 31 days of the date of birth of the infant, the evidence of coverage may contain a provision that requires notification to the health maintenance organization, within 31 days after the date of birth, of the birth of an infant and payment of the required fee.

CHAPTER NO. 411

[SB 452]

AN ACT AUTHORIZING A JUDGE TO ISSUE A STANDING NO CONTACT ORDER AND TO DIRECT LAW ENFORCEMENT TO SERVE THE ORDER ON DEFENDANTS CHARGED WITH PARTNER OR FAMILY MEMBER ASSAULT; PROVIDING FOR ORAL AND WRITTEN NOTIFICATION OF THE ORDER TO THE DEFENDANT; PROVIDING THAT VIOLATION OF A NO CONTACT ORDER IS A MISDEMEANOR; AND AMENDING SECTIONS 46-6-311 AND 46-9-108, MCA.

WHEREAS, the Legislature has reviewed and considered the report filed by the Montana Domestic Violence Fatality Review Commission, which conducted case reviews of domestic violence homicides of spouses, partners, and children; and

WHEREAS, victims of domestic violence are at high risk for additional threats, violence, and homicide; and

WHEREAS, a victim's participation in a prosecution is jeopardized when a domestic violence assault is followed by intimidation in the form of threats and coercion; and

WHEREAS, courts have the authority to impose conditions on defendants charged with partner or family member assault when conditions will improve victim safety; and

WHEREAS, a court order restricting contact between the offender and the victim will improve victim safety.

Be it enacted by the Legislature of the State of Montana:

Section 1. Partner or family member assault — no contact order — notice — violation of order — penalty. (1) A court may issue a standing no contact order and direct law enforcement to serve the order on all defendants charged with a violation of 45-5-206. The court order may specify conditions necessary to enhance the safety of any protected person. The court-ordered conditions may include prohibiting the defendant from contacting the protected person in person, by a third party, by telephone, by electronic communication, as

defined in 45-8-213, and in writing. The court may impose up to a 1,500-foot restriction on the defendant to stay away from the protected person's location.

(2) Notice of the no contact order must be given orally and in writing by a peace officer at the time that the offender is charged with a violation of 45-5-206. One copy of the order must be given to the defendant, and one copy must be filed with the court.

(3) The charge of a violation of 45-5-206 must be supported by a peace officer's affidavit of probable cause.

(4) The no contact order issued at the time that the defendant is charged with a violation of 45-5-206 is effective for 72 hours or until the defendant makes the first appearance in court.

(5) The court order must state:

"You have been charged with an assault on a partner or family member. You are not allowed to have contact with _____. (list names). You may not _____. Violation of this no contact order is a criminal offense under [this section], MCA, and may result in your arrest. You may be arrested even if the person protected by the no contact order invites or allows you to violate the prohibitions. This order lasts 72 hours or until the court continues or changes the order."

(6) The court shall review and amend, if appropriate, the no contact order at the defendant's first appearance.

(7) A no contact order may be issued by a court with jurisdiction over violations of 45-5-206 at the time of the defendant's arraignment or at any other appearance of the defendant, including sentencing. The no contact order must be in writing. A copy of the no contact order must be given to the defendant when it is issued by the court. The court order shall specify protected persons and prohibited contact, including but not limited to the restriction mentioned in subsection (1).

(8) (a) A person commits the offense of violation of a no contact order if the person, with knowledge of the order, purposely or knowingly violates any provision of any order issued under this section.

(b) Each contact or attempt to make contact with each protected person, directly or indirectly, is a separate offense. Consent of the protected person to prohibited contact is not a defense. A protected person may not be charged with a violation of this offense.

(c) An offender convicted of violation of a no contact order shall be fined an amount not to exceed \$500 or be imprisoned in the county jail for a term not to exceed 6 months, or both.

(9) As used in this section, the following definitions apply:

(a) "No contact order" means a court order that prohibits a defendant charged with or convicted of an assault on a partner or family member from contacting a protected person.

(b) "Partner" or "family member" has the meaning provided in 45-5-206.

(c) "Protected person" means a victim of a partner or family member assault listed in a no contact order.

Section 2. Section 46-6-311, MCA, is amended to read:

“46-6-311. Basis for arrest without warrant — arrest of predominant aggressor — no contact order. (1) A peace officer may arrest a person when a warrant has not been issued if the officer has probable cause to believe that the person is committing an offense or that the person has committed an offense and existing circumstances require immediate arrest.

(2) (a) The summoning of a peace officer to a place of residence by a partner or family member constitutes an exigent circumstance for making an arrest. Arrest is the preferred response in partner or family member assault cases involving injury to the victim, use or threatened use of a weapon, violation of a restraining order, or other imminent danger to the victim.

(b) When a peace officer responds to a partner or family member assault complaint and if it appears that the parties were involved in mutual aggression, the officer shall evaluate the situation to determine who is the predominant aggressor. If, based on the officer's evaluation, the officer determines that one person is the predominant aggressor, the officer may arrest only the predominant aggressor. A determination of who the predominant aggressor is must be based on but is not limited to the following considerations, regardless of who was the first aggressor:

(i) the prior history of violence between the partners or family members, if information about the prior history is available to the officer;

(ii) the relative severity of injuries received by each person;

(iii) whether an act of or threat of violence was taken in self-defense;

(iv) the relative sizes and apparent strength of each person;

(v) the apparent fear or lack of fear between the partners or family members; and

(vi) statements made by witnesses.

(3) *If a judge has issued a standing order as provided in [section 1], a peace officer shall give a defendant charged with partner or family member assault both written and verbal notice of the no contact order issued pursuant to [section 1]. The notice must include specific conditions as ordered by the court.”*

Section 3. Section 46-9-108, MCA, is amended to read:

“46-9-108. Conditions upon defendant's release — notice to victim of stalker's release. (1) The court may impose any condition that will reasonably ensure the appearance of the defendant as required or that will ensure the safety of any person or the community, including but not limited to the following conditions:

(a) the defendant may not commit an offense during the period of release;

(b) the defendant shall remain in the custody of a designated person who agrees to supervise the defendant and report any violation of a release condition to the court, if the designated person is reasonably able to assure the court that the defendant will appear as required and will not pose a danger to the safety of any person or the community;

(c) the defendant shall maintain employment or, if unemployed, actively seek employment;

(d) the defendant shall abide by specified restrictions on the defendant's personal associations, place of abode, and travel;

(e) the defendant shall avoid all contact with:

(i) an alleged victim of the crime, *including in a case of partner or family member assault the restrictions contained in a no contact order issued under [section 1]*; and

(ii) any potential witness who may testify concerning the offense;

(f) the defendant shall report on a regular basis to a designated agency or individual, pretrial services agency, or other appropriate individual;

(g) the defendant shall comply with a specified curfew;

(h) the defendant may not possess a firearm, destructive device, or other dangerous weapon;

(i) the defendant may not use or possess alcohol or use or possess any dangerous drug or other controlled substance without a legal prescription;

(j) the defendant shall furnish bail in accordance with 46-9-401; or

(k) the defendant shall return to custody for specified hours following release from employment, schooling, or other approved purposes.

(2) The court may not impose an unreasonable condition that results in pretrial detention of the defendant and shall subject the defendant to the least restrictive condition or combination of conditions that will ensure the defendant's appearance and provide for protection of any person or the community. At any time, the court may, upon a reasonable basis, amend the order to impose additional or different conditions of release upon its own motion or upon the motion of either party.

(3) Whenever a person accused of a violation of 45-5-206, 45-5-220, or 45-5-626 is admitted to bail, the detention center shall, as soon as possible under the circumstances, make one and if necessary more reasonable attempts, by means that include but are not limited to certified mail, to notify the alleged victim or, if the alleged victim is a minor, the alleged victim's parent or guardian of the accused's release."

Section 4. Codification instruction. [Section 1] is intended to be codified as an integral part of Title 45, chapter 5, part 2, and the provisions of Title 45, chapter 5, part 2, apply to [section 1].

The autopsy must be made under the supervision of the county coroner or a medical examiner. The expense of the autopsy must be paid by the insurer.

Section 4. Benefits for pneumoconiosis. (1) Pneumoconiosis is an occupational disease that is compensable under this part. However, any benefits granted a claimant under this chapter for pneumoconiosis must be reduced, but

not below zero, by an amount equal to the benefits granted the claimant under any program under federal law that pays benefits for a claimant suffering disability from pneumoconiosis.

(2) "Pneumoconiosis" means a chronic dust disease of the lungs arising out of employment in coal mines and includes anthracosis, coal workers' pneumoconiosis, silicosis, or anthracosilicosis arising out of employment.

(b) another statute of this state expressly governs the creation, perfection, priority, or enforcement of a security interest created by this state or a governmental unit of this state;

(4) This chapter does not apply to:

(2) sit in judgment in hearings for the suspension, revocation, or denial of a license of an actual or potential member of the particular profession or occupation within its jurisdiction. The hearings must be conducted by a hearing examiner when required under 37-1-121(1).

(3) suspend, revoke, or deny a license of a person who the board determines, after a hearing as provided in subsection (2), is guilty of knowingly defrauding, abusing, or aiding in the defrauding or abusing of the workers' compensation system in violation of the provisions of Title 39, chapter 71 ~~or 72~~;

(4) pay to the department its pro rata share of the assessed costs of the department under 37-1-101(6);

(5) consult with the department before the board initiates a program expansion, under existing legislation, to determine if the board has adequate money and appropriation authority to fully pay all costs associated with the proposed program expansion. The board may not expand a program if the board does not have adequate money and appropriation authority available.

(6) A board, board panel, or subcommittee convened to conduct board business must have a majority of its members, which constitutes a quorum, present to conduct business.”

Section 9. Section 39-71-105, MCA, is amended to read:

“39-71-105. Declaration of public policy. For the purposes of interpreting and applying Title 39, ~~chapters chapter 71 and 72~~, the following is the public policy of this state:

(1) It is an objective of the Montana workers' compensation system to provide, without regard to fault, wage supplement and medical benefits to a worker suffering from a work-related injury or disease. Wage-loss benefits are not intended to make an injured worker whole; they are intended to assist a worker at a reasonable cost to the employer. Within that limitation, the wage-loss benefit should bear a reasonable relationship to actual wages lost as a result of a work-related injury or disease.

(2) A worker's removal from the work force due to a work-related injury or disease has a negative impact on the worker, the worker's family, the employer,

and the general public. Therefore, it is an objective of the workers' compensation system to return a worker to work as soon as possible after the worker has suffered a work-related injury or disease.

(3) Montana's workers' compensation and occupational disease insurance systems are intended to be primarily self-administering. Claimants should be able to speedily obtain benefits, and employers should be able to provide coverage at reasonably constant rates. To meet these objectives, the system must be designed to minimize reliance upon lawyers and the courts to obtain benefits and interpret liabilities.

(4) Title 39, ~~chapters~~ *chapter* 71 and 72, must be construed according to ~~their~~ *its* terms and not liberally in favor of any party.

(5) It is the intent of the legislature that:

(a) stress claims, often referred to as "mental-mental claims" and "mental-physical claims", are not compensable under Montana's workers' compensation and occupational disease laws. The legislature recognizes that these claims are difficult to objectively verify and that the claims have a potential to place an economic burden on the workers' compensation and occupational disease system. The legislature also recognizes that there are other states that do not provide compensation for various categories of stress claims and that stress claims have presented economic problems for certain other jurisdictions. In addition, not all injuries are compensable under the present system, as is the case with repetitive injury claims, and it is within the legislature's authority to define the limits of the workers' compensation and occupational disease system.

(b) *for occupational disease claims, because of the nature of exposure, workers should not be required to provide notice to employers of the disease as required of injuries and that the requirements for filing of claims reflect consideration of when the worker knew or should have known that the worker's condition resulted from an occupational disease. The legislature recognizes that occupational diseases in the workplace are caused by events occurring on more than a single day or work shift and that it is within the legislature's authority to define an occupational disease and establish the causal connection to the workplace."*

Section 10. Section 39-71-106, MCA, is amended to read:

"39-71-106. No liability for reporting violation. A person, including but not limited to an insurer or an employer, may not be held liable for civil damages as a result of reporting in good faith information that the person believes proves a violation of the provisions of ~~chapter 72 or this chapter.~~"

Section 11. Section 39-71-107, MCA, is amended to read:

"39-71-107. Insurers to act promptly on claims — in-state adjusters.

(1) Pursuant to the public policy stated in 39-71-105, prompt claims handling practices are necessary to provide appropriate service to injured workers, to employers, and to providers who are the customers of the workers' compensation system.

(2) All workers' compensation and occupational disease claims filed pursuant to the Workers' Compensation Act ~~and the Occupational Disease Act of Montana~~ must be adjusted by a person in Montana. For a claim to be considered as adjusted by a person in Montana, the person adjusting the claim is required to determine the entitlement to benefits, authorize payment of all benefits due, manage the claim, have authority to settle the claim, maintain an

office located in Montana, and adjust Montana claims from that office. Use of a mailbox or maildrop in Montana does not constitute maintaining an office in Montana.

(3) An insurer shall maintain the documents related to each claim filed with the insurer under the Workers' Compensation Act ~~and the Occupational Disease Act of Montana~~ at the Montana office of the person adjusting the claim in Montana until the claim is settled. The documents may be either original documents or duplicates of the original documents and must be maintained in a manner that allows the documents to be retrieved from that office and copied at the request of the claimant or the department. Settled claim files stored outside of the adjuster's office must be made available within 48 hours of a request for the file. Electronic or optically imaged documents are permitted.

(4) An insurer shall provide to the claimant:

(a) a written statement of the reasons that a claim is being denied at the time of denial;

(b) whenever benefits requested by a claimant are denied, a written explanation of how the claimant may appeal an insurer's decision; and

(c) a written explanation of the amount of wage loss benefits being paid to the claimant, along with an explanation of the calculation used to compute those benefits. The explanation must be sent within 7 days of the initial payment of the benefit.

(5) An insurer shall:

(a) begin making payments that are due on a claim within 14 days of acceptance of the claim, unless the insurer promptly notifies the claimant that the insurer needs additional information in order to begin paying benefits and specifies the information needed; and

(b) pay settlements within 30 days of the date the department issues an order approving the settlement.

(6) An insurer may not make payments pursuant to 39-71-608 or any other reservation of rights for more than 90 days without:

(a) written consent of the claimant; or

(b) approval of the department.

(7) The department may adopt rules to implement this section.

(8) (a) For purposes of this section, "settled claim" means a department-approved or court-ordered compromise of benefits between a claimant and an insurer or a claim that was paid in full.

(b) The term does not include a claim in which there has been only a lump-sum advance of benefits."

Section 13. Section 39-71-201, MCA, is amended to read:

"39-71-201. Administration fund. (1) A workers' compensation administration fund is established out of which all costs of administering the Workers' Compensation and Occupational Disease Acts Act and the statutory occupational safety acts *that* the department is required to administer, with the exception of the subsequent injury fund, as provided for in 39-71-907, and the uninsured employers' fund, are to be paid upon lawful appropriation. The department shall collect and deposit in the state treasury to the credit of the workers' compensation administration fund:

(a) all fees and penalties provided in 39-71-205, 39-71-223, 39-71-304, 39-71-307, 39-71-308, 39-71-315, 39-71-316, 39-71-401(6), 39-71-2204, 39-71-2205, and 39-71-2337; and

(b) all fees paid by an assessment of 3% of paid losses, plus administrative fines and interest provided by this section.

(2) For the purposes of this section, paid losses include the following benefits paid during the preceding calendar year for injuries covered by the Workers' Compensation Act ~~and the Occupational Disease Act of Montana~~ without regard to the application of any deductible whether the employer or the insurer pays the losses:

(a) total compensation benefits paid; and

(b) except for medical benefits in excess of \$200,000 for each occurrence that are exempt from assessment, total medical benefits paid for medical treatment rendered to an injured worker, including hospital treatment and prescription drugs.

(3) Each plan No. 1 employer, plan No. 2 insurer subject to the provisions of this section, and plan No. 3, the state fund, shall file annually on March 1 in the form and containing the information required by the department a report of paid losses pursuant to subsection (2).

(4) Each employer enrolled under compensation plan No. 1, compensation plan No. 2, or compensation plan No. 3, the state fund, shall pay a proportionate share of all costs of administering and regulating the Workers' Compensation Act ~~and the Occupational Disease Act of Montana~~ and the statutory occupational safety acts that the department is required to administer, with the exception of the subsequent injury fund, as provided for in 39-71-907, and the uninsured employers' fund. In addition, compensation plan No. 3, the state fund, shall pay a proportionate share of these costs based upon paid losses for claims arising before July 1, 1990.

(5) (a) Each employer enrolled under compensation plan No. 1 shall pay an assessment to fund administrative and regulatory costs. The assessment is equal to 3% of the paid losses paid in the preceding calendar year by or on behalf of the plan No. 1 employer or \$500, whichever is greater. Any entity, other than the department, that assumes the obligations of an employer enrolled under compensation plan No. 1 is considered to be the employer for the purposes of this section.

(b) An employer formerly enrolled under compensation plan No. 1 shall pay an assessment to fund administrative and regulatory costs. The assessment is equal to 3% of the paid losses paid in the preceding calendar year by or on behalf of the employer for claims arising out of the time when the employer was enrolled under compensation plan No. 1.

(c) Payment of the assessment provided for by this subsection (5) must be paid by the employer in:

(i) one installment due on July 1; or

(ii) two equal installments due on July 1 and December 31 of each year.

(d) If an employer fails to timely pay to the department the assessment under this section, the department may impose on the employer an administrative fine of \$500 plus interest on the delinquent amount at the annual interest rate of 12%. Administrative fines and interest must be deposited in the workers' compensation administration fund.

(6) (a) Compensation plan No. 3, the state fund, shall pay an assessment to fund administrative and regulatory costs attributable to claims arising before July 1, 1990. The assessment is equal to 3% of the paid losses paid in the

preceding calendar year for claims arising before July 1, 1990. As required by 39-71-2352, the state fund may not pass along to insured employers the cost of the assessment for administrative and regulatory costs that is attributable to claims arising before July 1, 1990.

(b) Payment of the assessment must be paid in:

- (i) one installment due on July 1; or
- (ii) two equal installments due on July 1 and December 31 of each year.

(c) If the state fund fails to timely pay to the department the assessment under this section, the department may impose on the state fund an administrative fine of \$500 plus interest on the delinquent amount at the annual interest rate of 12%. Administrative fines and interest must be deposited in the workers' compensation administration fund.

(7) (a) Each employer insured under compensation plan No. 2 or plan No. 3, the state fund, shall pay a premium surcharge to fund administrative and regulatory costs. The premium surcharge must be collected by each plan No. 2 insurer and by plan No. 3, the state fund, from each employer that it insures. The premium surcharge must be stated as a separate cost on an insured employer's policy or on a separate document submitted to the insured employer and must be identified as "workers' compensation regulatory assessment surcharge". The premium surcharge must be excluded from the definition of premiums for all purposes, including computation of insurance producers' commissions or premium taxes. However, an insurer may cancel a workers' compensation policy for nonpayment of the premium surcharge. When collected, assessments may not constitute an element of loss for the purpose of establishing rates for workers' compensation insurance but, for the purpose of collection, must be treated as a separate cost imposed upon insured employers.

(b) The amount to be funded by the premium surcharge is equal to 3% of the paid losses paid in the preceding calendar year by or on behalf of all plan No. 2 insurers and 3% of paid losses for claims arising on or after July 1, 1990, for plan No. 3, the state fund, plus or minus any adjustments as provided by subsection (7)(f). The amount to be funded must be divided by the total premium paid by all employers enrolled under compensation plan No. 2 or plan No. 3 during the preceding calendar year. A single premium surcharge rate, applicable to all employers enrolled in compensation plan No. 2 or plan No. 3, must be calculated annually by the department by not later than April 30. The resulting rate, expressed as a percentage, is levied against the premium paid by each employer enrolled under compensation plan No. 2 or plan No. 3 in the next fiscal year.

(c) On or before April 30, 2001, and on each succeeding April 30, the department, in consultation with the advisory organization designated pursuant to 33-16-1023, shall notify plan No. 2 insurers and plan No. 3, the state fund, of the premium surcharge percentage to be effective for policies written or renewed annually on and after July 1 of that year.

(d) The premium surcharge must be paid whenever the employer pays a premium to the insurer. Each insurer shall collect the premium surcharge levied against every employer that it insures. Each insurer shall pay to the department all money collected as a premium surcharge within 20 days of the end of the calendar quarter in which the money was collected. If an insurer fails to timely pay to the department the premium surcharge collected under this section, the department may impose on the insurer an administrative fine of \$500 plus interest on the delinquent amount at the annual interest rate of 12%.

Administrative fines and interest must be deposited in the workers' compensation administration fund.

(e) If an employer fails to remit to an insurer the total amount due for the premium and premium surcharge, the amount received by the insurer must be applied to the premium surcharge first and the remaining amount applied to the premium due.

(f) The amount actually collected as a premium surcharge in a given year must be compared to the 3% of paid losses paid in the preceding year. Any amount collected in excess of the 3% must be deducted from the amount to be collected as a premium surcharge in the following year. The amount collected that is less than the 3% must be added to the amount to be collected as a premium surcharge in the following year.

(8) On or before April 30, 2001, and on of each succeeding April 30 year, upon a determination by the department, an insurer under compensation plan No. 2 that pays benefits in the preceding calendar year but that will not collect any premium for coverage in the following fiscal year shall pay an assessment equal to 3% of paid losses paid in the preceding calendar year, subject to a minimum assessment of \$500, that is due on July 1.

(9) An employer that makes a first-time application for permission to enroll under compensation plan No. 1 shall pay an assessment of \$500 within 15 days of being granted permission by the department to enroll under compensation plan No. 1.

(10) The department shall deposit all funds received pursuant to this section in the state treasury, as provided in this section.

(11) The administration fund must be debited with expenses incurred by the department in the general administration of the provisions of this chapter, including the salaries of its members, officers, and employees and the travel expenses of the members, officers, and employees, as provided for in 2-18-501 through 2-18-503, incurred while on the business of the department either within or without the state.

(12) Disbursements from the administration money must be made after being approved by the department upon claim for disbursement.

(13) The department may assess and collect the workers' compensation regulatory assessment surcharge from uninsured employers, as defined in 39-71-501, that fail to properly comply with the coverage requirements of the Workers' Compensation Act and the Occupational Disease Act of Montana. Any amounts collected by the department pursuant to this subsection must be deposited in the workers' compensation administration fund."

"39-71-206. Legal advisers of department and state fund — investigative and prosecution services. (1) The attorney general is the legal adviser of the department and the state fund and shall represent either entity in all proceedings if requested by the department or state fund. The department and state fund may employ other attorneys or legal advisers as they consider necessary.

The unit is responsible for developing detection and prevention procedures, providing detection services, and providing training in the prevention and detection of fraudulent conduct under Title 39, ~~chapters~~ *chapter* 71 ~~and 72~~, that is subject to prosecution under Title 45. The unit shall refer all cases of suspected fraudulent conduct to the workers’ compensation fraud investigation and prosecution office established in 2-15-2015.

(2) The state fund shall expend money to investigate fraud pursuant to this section and shall separately account for money expended.”

Section 16. Section 39-71-315, MCA, is amended to read:

“39-71-315. Prohibited actions — penalty. (1) The following actions by a medical provider constitute violations and are subject to the penalty in subsection (2):

(a) failing to document, under oath, the provision of the services or treatment for which compensation is claimed under ~~chapter 72~~ or this chapter; or

(b) referring a worker for treatment or diagnosis of an injury or illness that is compensable under ~~chapter 72~~ or this chapter to a facility owned wholly or in part by the provider, unless the provider informs the worker of the ownership interest and provides the name and address of alternate facilities, if any exist.

(2) A person who violates this section may be assessed a penalty of not less than \$200 or more than \$500 for each offense. The department shall assess and collect the penalty. Penalties collected pursuant to this section must be paid into the state general fund. The workers’ compensation court has jurisdiction over actions brought to collect the penalty and over disputes concerning the penalty assessment. Disputes brought pursuant to this section are not subject to mediation.

(3) Subsection (1)(b) does not apply to medical services provided to an injured worker by a treating physician with an ownership interest in a managed care organization that has been certified by the department.”

(2) (a) A person who obtains or assists in obtaining benefits to which the person is not entitled or who obtains or assists another person in obtaining benefits to which the other person is not entitled under ~~chapter 72~~ or this chapter is guilty of theft and may be prosecuted under 45-6-301. A county attorney or the attorney general may initiate criminal proceedings against the person. This subsection includes but is not limited to a person who is receiving temporary total disability benefits, permanent total disability benefits, or rehabilitation benefits while working without the knowledge and concurrence of the insurer.

(b) As used in subsection (2)(a), “person” includes but is not limited to an employee, employer, insurer, or medical service provider.

(3) (a) The department may require a person convicted of theft under 45-6-301(5) to pay to the department an amount equal to 10 times the amount

paid by an insurer on the false claim, provided that the amount does not exceed \$50,000. If upon demand of the department the person refuses to pay the fine, the department may petition the workers' compensation court to collect the money owed.

(b) The department shall:

(i) use the money collected pursuant to subsection (3)(a) to administer and enforce the provisions of this section; and

(ii) forward any surplus money to the department of justice. The forwarded money must be used exclusively for the staffing and operation of the workers' compensation fraud investigation and prosecution office established in 2-15-2015.

(c) This section does not limit an insurer's civil remedies to collect for money paid to a person convicted under 45-6-301(5).

(4) A person licensed under the provisions of Title 37 is subject to suspension, revocation, or denial of a license if the person knowingly claims or assists in the claiming of benefits in violation of the provisions of ~~chapter 72 or~~ this chapter."

Section 18. Section 39-71-317, MCA, is amended to read:

(2) When an injured worker is capable of returning to work within 2 years from the date of injury and has received a medical release to return to work, the worker must be given a preference over other applicants for a comparable position that becomes vacant if the position is consistent with the worker's physical condition and vocational abilities.

(3) This preference applies only to employment with the employer for whom the employee was working at the time the injury occurred.

(4) The workers' compensation court has exclusive jurisdiction to administer or resolve a dispute concerning the reemployment preference under this section. A dispute concerning the reemployment preference is not subject to mediation or a contested case hearing."

Section 19. Section 39-71-403, MCA, is amended to read:

"39-71-403. Plan three exclusive for state agencies — election of plan by public corporations — financing of self-insurance fund — exemption for university system — definition. (1) Except as provided in subsection (5), if a state agency is the employer, the terms, conditions, and provisions of compensation plan No. 3, state fund, are exclusive, compulsory, and obligatory upon both employer and employee. Any sums necessary to be paid under the provisions of this chapter by a state agency are considered to be ordinary and necessary expenses of the agency. The agency shall ~~make appropriation of and~~ pay the sums into the state fund at the time and in the manner provided for in this chapter, notwithstanding that the state agency may have failed to anticipate the ordinary and necessary expense in a budget, estimate of expenses, appropriations, ordinances, or otherwise.

(2) A public corporation, other than a state agency, may elect coverage under compensation plan No. 1, plan No. 2, or plan No. 3, separately or jointly with any

other public corporation, other than a state agency. A public corporation electing compensation plan No. 1 may purchase reinsurance or issue bonds or notes pursuant to subsection (3)(b). A public corporation electing compensation plan No. 1 is subject to the same provisions as a private employer electing compensation plan No. 1.

(3) (a) A public corporation, other than a state agency, that elects plan No. 1 may establish a fund sufficient to pay the compensation and benefits provided for in ~~chapter 72~~ and this chapter and to discharge all liabilities that are reasonably incurred during the fiscal year for which the election is effective. Proceeds from the fund must be used only to pay claims covered by ~~chapter 72~~ and this chapter and for actual and necessary expenses required for the efficient administration of the fund, including debt service on any bonds and notes issued pursuant to subsection (3)(b).

(b) (i) A public corporation, other than a state agency, separately or jointly with another public corporation, other than a state agency, may issue and sell its bonds and notes for the purpose of establishing, in whole or in part, the self-insurance workers' compensation fund provided for in subsection (3)(a) and to pay the costs associated with the sale and issuance of the bonds. Bonds and notes may be issued in an amount not exceeding 0.18% of the total assessed value of taxable property, determined as provided in 15-8-111, of the public corporation as of the date of issue. The bonds and notes must be authorized by resolution of the governing body of the public corporation and are payable from an annual property tax levied in the amount necessary to pay principal and interest on the bonds or notes. This authority to levy an annual property tax exists despite any provision of law or maximum levy limitation, including 15-10-420, to the contrary. The revenue derived from the sale of the bonds and notes may not be used for any other purpose.

(ii) The bonds and notes:

(A) may be sold at public or private sale;

(B) do not constitute debt within the meaning of any statutory debt limitation; and

(C) may contain other terms and provisions that the governing body determines.

(iii) Two or more public corporations, other than state agencies, may agree to exercise their respective borrowing powers jointly under this subsection (3)(b) or may authorize a joint board to exercise the powers on their behalf.

(iv) The fund established from the proceeds of bonds and notes issued and sold under this subsection (3)(b) may, if sufficient, be used in lieu of a surety bond, reinsurance, specific and aggregate excess insurance, or any other form of additional security necessary to demonstrate the public corporation's ability to discharge all liabilities as provided in subsection (3)(a). Subject to the total assessed value limitation in subsection (3)(b)(i), a public corporation may issue bonds and notes to establish a fund sufficient to discharge liabilities for periods greater than 1 year.

(4) All money in the fund established under subsection (3)(a) not needed to meet immediate expenditures must be invested by the governing body of the public corporation or the joint board created by two or more public corporations as provided in subsection (3)(b)(iii), and all proceeds of the investment must be credited to the fund.

(5) The provisions of subsection (1) do not apply to the Montana university system.

(6) As used in subsections (2) through (4), "public corporation" includes the Montana university system."

Section 20. Section 39-71-407, MCA, is amended to read:

"39-71-407. Liability of insurers — limitations. (1) ~~Each~~ *For workers' compensation injuries, each* insurer is liable for the payment of compensation, in the manner and to the extent provided in this section, to an employee of an employer *covered under plan No. 1, plan No. 2, and the state fund under plan No. 3* that it insures who receives an injury arising out of and in the course of employment or, in the case of death from the injury, to the employee's beneficiaries, if any.

(2) (a) An insurer is liable for an injury, as defined in 39-71-119, if the injury is established by objective medical findings and if the claimant establishes that it is more probable than not that:

- (i) a claimed injury has occurred; or
- (ii) a claimed injury aggravated a preexisting condition.

(b) Proof that it was medically possible that a claimed injury occurred or that the claimed injury aggravated a preexisting condition is not sufficient to establish liability.

(3) (a) An employee who suffers an injury or dies while traveling is not covered by this chapter unless:

(i) the employer furnishes the transportation or the employee receives reimbursement from the employer for costs of travel, gas, oil, or lodging as a part of the employee's benefits or employment agreement and the travel is necessitated by and on behalf of the employer as an integral part or condition of the employment; or

(ii) the travel is required by the employer as part of the employee's job duties.

(b) A payment made to an employee under a collective bargaining agreement, personnel policy manual, or employee handbook or any other document provided to the employee that is not wages but is designated as an incentive to work at a particular jobsite is not a reimbursement for the costs of travel, gas, oil, or lodging, and the employee is not covered under this chapter while traveling.

(4) An employee is not eligible for benefits otherwise payable under this chapter if the employee's use of alcohol or drugs not prescribed by a physician is the major contributing cause of the accident. However, if the employer had knowledge of and failed to attempt to stop the employee's use of alcohol or drugs, this subsection does not apply.

(5) If a claimant who has reached maximum healing suffers a subsequent nonwork-related injury to the same part of the body, the workers' compensation insurer is not liable for any compensation or medical benefits caused by the subsequent nonwork-related injury.

(6) An employee is not eligible for benefits payable under this chapter unless the entitlement to benefits is established by objective medical findings that contain sufficient factual and historical information concerning the relationship of the worker's condition to the original injury.

(7) *For occupational diseases, every employer enrolled under plan No. 1, every insurer under plan No. 2, or the state fund under plan No. 3 is liable for the payment of compensation, in the manner and to the extent provided in this chapter, to an employee of an employer covered under plan No. 1, plan No. 2, or the state fund under plan No. 3 with an occupational disease that arises out of or is contracted in the course and scope of employment.*

(8) *Occupational diseases are considered to arise out of employment or be contracted in the course and scope of employment if:*

(a) *the occupational disease is established by objective medical findings; and*

(b) *the events occurring on more than a single day or work shift are the major contributing cause of the occupational disease in relation to other factors contributing to the occupational disease.*

(9) *When compensation is payable for an occupational disease, the only employer liable is the employer in whose employment the employee was last injuriously exposed to the hazard of the disease.*

(10) *When there is more than one insurer and only one employer at the time that the employee was injuriously exposed to the hazard of the disease, the liability rests with the insurer providing coverage at the earlier of:*

(a) *the time that the occupational disease was first diagnosed by a treating physician or medical panel; or*

(b) *the time that the employee knew or should have known that the condition was the result of an occupational disease.*

(11) *In the case of pneumoconiosis, any coal mine operator who has acquired a mine in the state or substantially all of the assets of a mine from a person who was an operator of the mine on or after December 30, 1969, is liable for and shall secure the payment of all benefits that would have been payable by that person with respect to miners previously employed in the mine if acquisition had not occurred and that person had continued to operate the mine, and the prior operator of the mine is not relieved of any liability under this section.*

(12) *As used in this section, "major contributing cause" means a cause that is the leading cause contributing to the result when compared to all other contributing causes."*

Section 21. Section 39-71-416, MCA, is amended to read:

"39-71-416. Benefit reduction for third-party recovery. (1) If an employee is injured or dies and obtains a third-party recovery, settlement, or award, an insurer may reduce by 30% the benefits paid or that are required to be paid to the employee or beneficiary pursuant to *this chapter 71 or 72* as a result of the injury or death. The reduction applies to any recovery, settlement, or award regardless of the form of action or the nature of damages. The total of any reductions may not exceed 30% of any third-party recovery, settlement, or award.

(2) This section does not limit or prohibit an insurer's right to pursue subrogation pursuant to 39-71-414.

(3) If an insurer is entitled to subrogation pursuant to 39-71-414, the amount subrogated must be offset by any reduction in benefits pursuant to subsection (1)."

Section 22. Section 39-71-525, MCA, is amended to read:

“39-71-525. Confidentiality of records — exception for use by public employees. Information obtained from any individual under this part is confidential and may not be disclosed, sold, or opened to public inspection except to department employees when necessary to allow them to perform their public duties under Title 39, ~~chapters~~ *chapter 71 and 72*, or to provide relevant and necessary information to other public entities or pursuant to a subpoena issued upon a showing of compelling state interest.”

Section 23. Section 39-71-601, MCA, is amended to read:

“39-71-601. Statute of limitation on presentment of claim — waiver.

(1) ~~In case of personal injury or death~~ *Except for a claim for benefits for occupational diseases pursuant to subsections (3) and (4), all claims in the case of personal injury or death* must be forever barred unless signed by the claimant or the claimant’s representative and presented in writing to the employer, the insurer, or the department, as the case may be, within 12 months from the date of the happening of the accident, either by the claimant or someone legally authorized to act on the claimant’s behalf.

(2) The insurer may waive the time requirement up to an additional 24 months upon a reasonable showing by the claimant of:

- (a) lack of knowledge of disability;
- (b) latent injury; or
- (c) equitable estoppel.

(3) *When a claimant seeks benefits for an occupational disease, the claimant’s claims for benefits must be presented in writing to the employer, the employer’s insurer, or the department within 1 year from the date that the claimant knew or should have known that the claimant’s condition resulted from an occupational disease. When a beneficiary seeks benefits under this chapter, claims for death benefits must be presented in writing to the employer, the employer’s insurer, or the department within 1 year from the date that the beneficiary knew or should have known that the decedent’s death was related to an occupational disease.*

~~(4)~~ Any dispute regarding the statute of limitations for filing time is considered a dispute that, after mediation pursuant to department rules, is subject to jurisdiction of the workers’ compensation court.”

Section 24. Section 39-71-603, MCA, is amended to read:

“39-71-603. Notice of injuries other than death to be submitted within thirty days — exception. (1) A claim to recover benefits under the Workers’ Compensation Act for injuries not resulting in death may not be considered compensable unless, within 30 days after the occurrence of the accident that is claimed to have caused the injury, notice of the time and place where the accident occurred and the nature of the injury is given to the employer or the employer’s insurer by the injured employee or someone on the employee’s behalf. Actual knowledge of the accident and injury on the part of the employer or the employer’s managing agent or superintendent in charge of the work in which the injured employee was engaged at the time of the injury is equivalent to notice.

(2) If a sole proprietor, partner, manager of a manager-managed limited liability company, member of a member-managed limited liability company, or corporate officer covered under this chapter is injured in an accident, the sole proprietor, partner, manager, member, or corporate officer or an appointed

designee shall, within 30 days, notify the insurer of the time and location of the accident and the nature of the injury.

(3) *This section does not apply to occupational diseases.*

Section 25. Section 39-71-612, MCA, is amended to read:

“39-71-612. Costs and attorney fees that may be assessed against insurer by workers’ compensation judge — barring of attorney fees under common fund or other doctrines. (1) If an insurer pays or submits a written offer of payment of compensation under *this* chapter ~~71 or 72 of this title~~ but controversy relates to the amount of compensation due, the case is brought before the workers’ compensation judge for adjudication of the controversy, and the award granted by the judge is greater than the amount paid or offered by the insurer, reasonable attorney fees and costs as established by the workers’ compensation judge if the case has gone to a hearing may be awarded by the judge in addition to the amount of compensation.

(2) An award of attorney fees under subsection (1) may be made only if it is determined that the actions of the insurer were unreasonable. Any written offer of payment made 30 days or more before the date of hearing must be considered a valid offer of payment for the purposes of this section.

(3) A finding of unreasonableness against an insurer made under this section does not constitute a finding that the insurer acted in bad faith or violated the unfair trade practices provisions of Title 33, chapter 18.

(4) Attorney fees may be awarded only under the provisions of subsections (1) and (2) and may not be awarded under the common fund doctrine or any other action or doctrine in law or equity.”

Section 26. Section 39-71-743, MCA, is amended to read:

“39-71-743. Assignment or attachment of payments. (1) Payments under this chapter may not be assignable, subject to attachment or garnishment, or held liable in any way for debts, except:

(a) as provided in 71-3-1118;

(b) a portion of any lump-sum award or periodic payment to pay a monetary obligation for current or past-due child support, subject to the limitations in subsection (2), whenever the support obligation is established by order of a court of competent jurisdiction or by order rendered in an administrative process authorized by state law; or

(c) as provided in 53-2-612 or 53-2-613 for medical benefits paid pursuant to ~~chapter 71 or 72 of this title~~ *chapter*.

(2) Payments under this chapter are subject to assignment, attachment, or garnishment for child support as follows:

(a) for any periodic payment, an amount up to the percentage amount established in the guidelines promulgated by the department of public health and human services pursuant to 40-5-209; or

(b) for any lump-sum award, an amount up to that portion of the award that is approved for payment on the basis of a past-due child support obligation.

(3) After determination that the claim is covered under the Workers’ Compensation Act ~~or Occupational Disease Act of Montana~~, the liability for payment of the claim is the responsibility of the appropriate workers’ compensation insurer. Except as provided in 39-71-704(7), a fee or charge is not

payable by the injured worker for treatment of injuries sustained if liability is accepted by the insurer.”

Section 27. Section 39-71-915, MCA, is amended to read:

“39-71-915. Assessment of insurer — employers — definition — collection. (1) As used in this section, “paid losses” means the following benefits paid during the preceding calendar year for injuries covered by the ~~Montana Workers’ Compensation Act and the Occupational Disease Act of Montana~~ without regard to the application of any deductible, regardless of whether the employer or the insurer pays the losses:

(a) total compensation benefits paid; and

(b) except for medical benefits in excess of \$200,000 for each occurrence that are exempt from assessment, total medical benefits paid for medical treatment rendered to an injured worker, including hospital treatment and prescription drugs.

(2) The fund must be maintained by assessing each plan No. 1 employer, each employer insured by a plan No. 2 insurer, plan No. 3, the state fund, with respect to claims arising before July 1, 1990, and each employer insured by plan No. 3, the state fund. The assessment amount is the total amount of paid losses reimbursed from the fund in the preceding calendar year and the expenses of administration less other income. The total assessment amount to be collected must be allocated among plan No. 1 employers, plan No. 2 employers, plan No. 3, the state fund, and plan No. 3 employers, based on a proportionate share of paid losses for the calendar year preceding the year in which the assessment is collected. The board of investments shall invest the money of the fund, and the investment income must be deposited in the fund.

(3) On or before May 31 each year, the department shall notify each plan No. 1 employer, plan No. 2 insurer, and plan No. 3, the state fund, of the amount to be assessed for the ensuing fiscal year. The amount to be assessed against the state fund must separately identify the amount attributed to claims arising before July 1, 1990, and the amount attributable to state fund claims arising on or after July 1, 1990. On or before April 30 each year, the department, in consultation with the advisory organization designated under 33-16-1023, shall notify plan No. 2 insurers and plan No. 3 of the premium surcharge rate to be effective for policies written or renewed on and after July 1 in that year.

(4) The portion of the plan No. 1 assessment assessed against an individual plan No. 1 employer is a proportionate amount of total plan No. 1 paid losses during the preceding calendar year that is equal to the percentage that the total paid losses of the individual plan No. 1 employer bore to the total paid losses of all plan No. 1 employers during the preceding calendar year.

(5) The portion of the assessment attributable to state fund claims arising before July 1, 1990, is the proportionate amount that is equal to the percentage that total paid losses for those claims during the preceding calendar year bore to the total paid losses for all plans in the preceding calendar year. As required by 39-71-2352, the state fund may not pass along to insured employers the cost of the subsequent injury fund assessment that is attributable to claims arising before July 1, 1990.

(6) The remaining portion of the assessment must be paid by way of a surcharge on premiums paid by employers being insured by a plan No. 2 insurer or plan No. 3, the state fund, for policies written or renewed annually on or after July 1. The surcharge rate must be computed by dividing the remaining portion

of the assessment by the total amount of premiums paid by employers insured under plan No. 2 or plan No. 3 in the previous calendar year. The numerator for the calculation must be adjusted as provided by subsection (9).

(7) Each plan No. 2 insurer providing workers' compensation insurance and plan No. 3, the state fund, shall collect from its policyholders the assessment premium surcharge provided for in subsection (6). When collected, the assessment premium surcharge may not constitute an element of loss for the purpose of establishing rates for workers' compensation insurance but, for the purpose of collection, must be treated as separate costs imposed upon insured employers. The total of this assessment premium surcharge must be stated as a separate cost on an insured employer's policy or on a separate document submitted by the insured employer and must be identified as "workers' compensation subsequent injury fund surcharge". Each assessment premium surcharge must be shown as a percentage of the total workers' compensation policyholder premium. This assessment premium surcharge must be collected at the same time and in the same manner that the premium for the coverage is collected. The assessment premium surcharge must be excluded from the definition of premiums for all purposes, including computation of insurance producers' commissions or premium taxes, except that an insurer may cancel a workers' compensation policy for nonpayment of the assessment premium surcharge. Cancellation must be in accordance with the procedures applicable to the nonpayment of premium. If an employer fails to remit to an insurer the total amount due for the premium and assessment premium surcharge, the amount received by the insurer must be applied to the assessment premium surcharge first and the remaining amount applied to the premium due.

(8) (a) All assessments paid to the department must be deposited in the fund.

(b) Each plan No. 1 employer shall pay its assessment by July 1.

(c) Each plan No. 2 insurer and plan No. 3, the state fund, shall remit to the department all assessment premium surcharges collected during a calendar quarter by not later than 20 days following the end of the quarter.

(d) The state fund shall pay the portion of the assessment attributable to claims arising before July 1, 1990, by July 1.

(e) If a plan No. 1 employer, a plan No. 2 insurer, or plan No. 3, the state fund, fails to timely pay to the department the assessment or assessment premium surcharge under this section, the department may impose on the plan No. 1 employer, the plan No. 2 insurer, or plan No. 3, the state fund, an administrative fine of \$100 plus interest on the delinquent amount at the annual interest rate of 12%. Administrative fines and interest must be deposited in the fund.

(9) The amount of the assessment premium surcharge actually collected pursuant to subsection (7) must be compared each year to the amount assessed and upon which the premium surcharge was calculated. The amount undercollected or overcollected in any given year must be used as an adjustment to the numerator provided for by subsection (6) for the following year's assessment premium surcharge."

Section 28. Section 39-71-1105, MCA, is amended to read:

"39-71-1105. Managed care organizations — application — certification. (1) A health care provider, a group of medical service providers, or an entity with a managed care organization may make written application to the department to become certified under this section to provide managed care

to ~~injured~~ workers for injuries *or occupational diseases* that are covered under this chapter ~~or for occupational diseases that are covered under the Occupational Disease Act of Montana~~. However, this section does not authorize an organization that is formed, owned, or operated by a workers' compensation insurer or self-insured employer other than a health care provider to become certified to provide managed care. When a health care provider, a group of medical service providers, or an entity with a managed care organization is establishing a managed care organization and independent physical therapy practices exist in the community, the managed care organization is encouraged to utilize independent physical therapists as part of the managed care organization if the independent physical therapists agree to abide by all the applicable requirements for a managed care organization set forth in this section, in rules established by the department, and in the provisions of a managed care plan for which certification is being sought.

(2) Each application for certification must be accompanied by an application fee if prescribed by the department. A certificate is valid for the period prescribed by the department, unless it is revoked or suspended at an earlier date.

(3) The department shall establish by rule the form for the application for certification and the required information regarding the proposed plan for providing medical services. The information includes but is not limited to:

(a) a list of names of each individual who will provide services under the managed care plan, together with appropriate evidence of compliance with any licensing or certification requirements for that individual to practice in the state;

(b) names of the individuals who will be designated as treating physicians and who will be responsible for the coordination of medical services;

(c) a description of the times, places, and manner of providing primary medical services under the plan;

(d) a description of the times, places, and manner of providing secondary medical services, if any, that the applicants wish to provide; and

(e) satisfactory evidence of the ability to comply with any financial requirements to ensure delivery of service in accordance with the plan that the department may require.

(4) The department shall certify a group of medical service providers or an entity with a managed care organization to provide managed care under a plan if the department finds that the plan:

(a) proposes to provide coordination of services that meet quality, continuity, and other treatment standards prescribed by the department and will provide all primary medical services that may be required by this chapter in a manner that is timely and effective for the worker;

(b) provides appropriate financial incentives to reduce service costs and utilization without sacrificing the quality of services;

(c) provides adequate methods of peer review and service utilization review to prevent excessive or inappropriate treatment, to exclude from participation in the plan those individuals who violate these treatment standards, and to provide for the resolution of any medical disputes that may arise;

(d) provides for cooperative efforts by the worker, the employer, the rehabilitation providers, and the managed care organization to promote an early return to work for the injured worker;

(e) provides a timely and accurate method of reporting to the department necessary information regarding medical and health care service cost and utilization to enable the department to determine the effectiveness of the plan;

(f) authorizes workers to receive medical treatment from a primary care physician who is not a member of the managed care organization but who maintains the worker's medical records and with whom the worker has a documented history of treatment, if that primary care physician agrees to refer the worker to the managed care organization for any specialized treatment, including physical therapy, that the worker may require and if that primary care physician agrees to comply with all the rules, terms, and conditions regarding services performed by the managed care organization. As used in this subsection (4)(f), "primary care physician" means a physician who is qualified to be a treating physician and who is a family practitioner, a general practitioner, an internal medicine practitioner, or a chiropractor.

(g) complies with any other requirements determined by department rule to be necessary to provide quality medical services and health care to injured workers.

(5) The department shall refuse to certify or may revoke or suspend the certification of a health care provider, a group of medical service providers, or an entity with a managed care organization to provide managed care if the department finds that:

(a) the plan for providing medical care services fails to meet the requirements of this section; and

(b) service under the plan is not being provided in accordance with the terms of a certified plan."

Section 29. Section 39-71-2401, MCA, is amended to read:

"39-71-2401. Disputes — jurisdiction — settlement requirements — mediation. (1) A dispute concerning benefits arising under this chapter ~~or chapter 72~~, other than the disputes described in subsection (2), must be brought before a department mediator as provided in this part. If a dispute still exists after the parties satisfy the mediation requirements in this part, either party may petition the workers' compensation court for a resolution.

(2) A dispute arising under this chapter that does not concern benefits or a dispute for which a specific provision of this chapter gives the department jurisdiction must be brought before the department.

(3) An appeal from a department order may be made to the workers' compensation court.

(4) Except as otherwise provided in this chapter, before a party may bring a dispute concerning benefits before a mediator, the parties shall attempt to settle as follows:

(a) The party making a demand shall present the other party with a specific written demand that contains sufficient explanation and documentary evidence to enable the other party to thoroughly evaluate the demand.

(b) The party receiving the demand shall respond in writing within 15 working days of receipt. If the demand is denied in whole or in part, the response shall state the basis of the denial.

(c) Upon motion of a party or upon the mediator's own motion, the mediator has the authority to dismiss a petition if he finds that either party did not comply

with this subsection. A decision dismissing a petition under this subsection must be in writing and must state in detail the grounds for dismissal. The mediator's decision may be reviewed by the workers' compensation court upon motion of a party.

(d) Nothing in this subsection relieves a party of an obligation otherwise contained in this chapter."

Section 30. Section 39-71-2406, MCA, is amended to read:

"39-71-2406. Purpose. The purpose of this part is to prevent when possible the filing in the workers' compensation court of actions by claimants or insurers relating to claims under ~~chapter 71 or 72 of this title~~ *chapter* if an equitable and reasonable resolution of the dispute may be effected at an earlier stage. To achieve this purpose, this part provides for a procedure for mandatory, nonbinding mediation. It is the intent of this part that the mediation process be used to resolve cases on an informal basis at minimal cost to the parties, and to this end, the parties are required to fully present their cases at the mediation level. However, if a cause proceeds to the workers' compensation court, the parties are not precluded from presenting additional evidence before the court. If a new issue is raised at the workers' compensation court that was not raised at mediation, the court shall remand the issue to the mediator for consideration."

Section 31. Section 39-71-2408, MCA, is amended to read:

"39-71-2408. Mandatory, nonbinding mediation. (1) Except as otherwise provided, in a dispute arising under ~~chapter 71 or 72 of this title~~ *chapter*, the insurer and claimant shall mediate any issue concerning benefits and the mediator shall issue a report following the mediation process recommending a solution to the dispute before either party may file a petition in the workers' compensation court.

(2) The resolution recommended by the mediator is without administrative or judicial authority and is not binding on the parties."

Section 32. Section 39-71-2411, MCA, is amended to read:

"39-71-2411. Mediation procedure. (1) Except as otherwise provided, a claimant or an insurer having a dispute relating to benefits under ~~chapter 71 or 72 of this title~~ *chapter* may petition the department for mediation of the dispute.

(2) A party may take part in mediation proceedings with or without representation.

(3) The mediator shall review the department file for the case and may receive any additional documentation or argument either party submits.

(4) The mediator shall request that each party offer argument summarizing the party's position. A party's argument must fully present the party's case. The argument is not limited by the rules of evidence.

(5) After the parties have presented all their information and argument to the mediator, the mediator shall recommend a solution to the parties within a reasonable time to be established by rule.

(6) A party shall notify the mediator within 25 days of the mailing of the mediator's report whether the party accepts the mediator's recommendation. If either party does not accept the mediator's recommendation, the party may petition the workers' compensation court for resolution of the dispute.

(7) (a) If a mediator determines that either party failed to cooperate in the mediation process, the mediator shall prepare a written report setting forth the

determination and the grounds for the determination. The report must be mailed to the parties and to the workers' compensation court. Unless a party disputes the determination as set forth in subsection (7)(c), the parties shall repeat the mediation process, but only one time.

(b) A mediator may determine that a party has failed to cooperate in the mediation process only if the party failed to:

(i) supply information or offer a summary of the party's position as reasonably requested by the mediator;

(ii) attend scheduled mediation conferences unless excused by the mediator; or

(iii) listen to and review the information and position offered by the opposing party.

(c) If a party disputes a mediator's determination that the party failed to cooperate in the mediation process, the party may file a petition with the workers' compensation court. Upon receipt of a petition, the court shall summon the parties and the mediator to determine by oral discussion whether the mediator's determination of noncooperation is supportable. If the court finds that the mediator's determination is supportable, the court may order the parties to attempt a second time to mediate their dispute."

Section 33. Section 39-73-104, MCA, is amended to read:

"39-73-104. Eligibility requirements for benefits. Payment ~~shall~~ *must* be made under this chapter to any person who:

(1) has silicosis, as defined in 39-73-101, ~~which that~~ *results in his the person's* total disability so as to render it impossible for ~~him the person~~ *to follow* continuously any substantially gainful occupation;

(2) has resided in and been an inhabitant of the state of Montana for 10 years or more immediately preceding the date of the application;

(3) is not receiving, with respect to any month for which ~~he the person~~ *would* receive a payment under this chapter, compensation under ~~The Occupational Disease Act of Montana, as provided by chapter 72 of this title [section 4],~~ *which will equal the sum of \$200."*

Section 34. Section 39-73-107, MCA, is amended to read:

Subject to the provisions of this chapter and the deductions provided in this chapter, any person who has silicosis and who has, subject to the regulations and standards of the department of labor and industry, been determined by the department to be entitled payment under this chapter for silicosis must be granted a payment by the department of \$250 a month, subject to any additional appropriations. If the person is receiving payments under ~~the Occupational Disease Act of Montana, as provided by chapter 72 of this title, [section 4]~~ *that are less in the aggregate than \$200, then the person is entitled to a payment under this chapter of the difference between the amount received under the Occupational Disease Act of Montana, as provided by chapter 72 of this title [section 4], and \$250 a month. The legislature shall authorize additional appropriations that may be necessary to make the increased monthly payments provided in this section."*

The commissioners have authority to admeasure and distribute to the parties owning water rights in the source affected by the decree the waters to which they are entitled, according to their rights as fixed by the decree and by any certificates and permits issued under chapter 2 of this title. When petitioners make proper showing that they are not able to obtain the application of the owners of at least 15% of the water rights affected and they are unable to

obtain the water to which they are entitled, the judge of the district court having jurisdiction may appoint a water commissioner.

(2) When the existing rights of all appropriators from a source or in an area have been determined in a temporary preliminary decree, preliminary decree, or final decree issued under chapter 2 of this title, the judge of the district court may, upon application by both the department of natural resources and conservation and one or more holders of valid water rights in the source, appoint a water commissioner. The judge may include the department in the apportionment of costs if it applied for the appointment of a water commissioner under subsection (2).

(5) Upon the application of the board or boards of one or more irrigation districts entitled to the use of water stored in a reservoir that is turned into the natural channel of any stream and withdrawn or diverted at a point downstream for beneficial use, the district court of the judicial district where the most irrigable acres of the irrigation district or districts are situated may appoint a water commissioner to equitably admeasure and distribute stored water to the irrigation district or districts from the channel of the stream into which it has been turned. A commissioner appointed under this subsection has the powers of any commissioner appointed under this chapter, limited only by the purposes of this subsection. A commissioner's compensation is set by the appointing judge and paid by each district and other users of stored water affected by the admeasurement and distribution of the stored water. In all other matters the provisions of this chapter apply so long as they are consistent with this subsection.

This subsection ~~(3)(a)(iii)~~ (3)(a)(ii) does not provide for a step advancement.

(7) (a) The department may develop and implement an alternative pay and classification plan for certain classes, occupations, and work units. Pay for employees in the alternative pay and classification plan may be established and changed based on demonstrated competencies and accomplishments, on the labor market, and on other situations defined by the department.

(b) To the extent that the plan applies to employees within a collective bargaining unit, the implementation of the plan is a negotiable subject under 39-31-305.

(b) To the extent that the plan applies to employees within a collective bargaining unit, the implementation of the plan is a negotiable subject under 39-31-305.

(c) The salary survey must be submitted to the office of budget and program planning as a part of the information required by 17-7-111.

(d) (i) Except as provided in subsection (10)(d)(ii), the survey and plan must be completed at least 6 months before the start of each regular legislative session.

 - (g) any other temporary disposition that may be required in the best interests of the child that does not require an expenditure of money by the department unless the court finds after notice and a hearing that the expenditure is reasonable and that resources are available for payment. The department is the payor of last resort after all family, insurance, and other resources have been examined.
- (3) An order for removal of a child from the home must include a finding that continued residence of the child with the parent is contrary to the welfare of the child or that an out-of-home placement is in the best interests of the child.
- (4) The order for immediate protection of the child must require the person served to comply immediately with the terms of the order and to appear before the court issuing the order on the date specified for a show cause hearing. Upon a failure to comply or show cause, the court may hold the person in contempt or place temporary physical custody of the child with the department until further order.
- (5) The petition must be served as provided in 41-3-422."

“75-10-621. Hazardous waste/CERCLA special revenue account. (1) There is a hazardous waste/CERCLA special revenue account within the state special revenue fund established in 17-2-102.

(2) There must be paid into the hazardous waste/CERCLA account:

(a) revenue obtained from the interest income of the resource indemnity trust fund under the provisions of 15-38-202, together with interest accruing on that revenue;

(b) all proceeds of bonds or notes issued under 75-10-623 and all interest earned on proceeds of the bonds or notes; and

(c) revenue from penalties or damages collected under the federal Comprehensive Environmental Response, Compensation, and Liability Act of 1980, as amended in 1986 (CERCLA).

(3) Appropriations may be made from the hazardous waste/CERCLA account only for the following purposes and subject to the following conditions:

(a) not more than one-half of the interest income received for any biennium from the resource indemnity trust fund may be appropriated on a biennial basis for:

(i) implementation of the Montana Hazardous Waste Act, including regulation of underground storage tanks and the state share to obtain matching federal funds;

(ii) implementation of Title 75, chapter 10, part 6, pertaining to state assistance to and cooperation with the federal government for remedial action under CERCLA;

(iii) expenses of the department in administering and overseeing the implementation of Title 75, chapter 10, parts 4 and 6; and

(iv) state expenses relating to investigation and remedial action for any hazardous substance defined in 75-10-602; and

(b) to the extent funds are available after the appropriations in subsection (3)(a), the department may, as appropriate, seek authorization from the legislature or, when the legislature is not in session, through the budget amendment process provided for in Title 17, chapter 7, part 4, to spend funds for:

(i) state participation in remedial action under section 104 of CERCLA;

(ii) state costs for maintenance of sites at which remedial action under CERCLA has been completed; and

(iii) the state share to obtain matching federal funds for underground storage tank corrective action.

(4) For the purposes of subsection (3)(b), the legislature finds that a need for state special revenue to obtain matching federal funds for underground storage tank corrective action or for remedial action under section 104 of CERCLA constitutes a serious unforeseen and unanticipated circumstance for the

purpose of meeting the definition of “emergency” in 17-7-102. The legislature further finds that the inability of the department to match the federal funds as the funds become available would seriously impair the functions of the department in carrying out its responsibilities under Title 75, chapter 10, parts 4 and 6.

(5) There is no dollar limit to the hazardous waste/CERCLA account. Except as provided in subsection (6), unused balances remain in the account until appropriated by the legislature for the purposes specified in this section.

(6) (a) If funds are transferred from the orphan share fund to the hazardous waste/CERCLA account pursuant to ~~75-10-743(10)~~ 75-10-743(9), the department shall, subject to the limitations in subsections (6)(b) and (6)(c) of this section, at the end of the fiscal year in which the transfer is made and in each subsequent fiscal year, transfer from the hazardous waste/CERCLA account to the orphan share fund the unencumbered amount remaining in the hazardous waste/CERCLA account at the end of the fiscal year that is in excess of the amount appropriated for the next fiscal year from the hazardous waste/CERCLA account.

(b) The total amount transferred pursuant to subsection (6)(a) may not exceed the total amount transferred to the hazardous waste/CERCLA account pursuant to ~~75-10-743(10)~~ 75-10-743(9).

(c) Subsection (6)(a) does not apply to the proceeds of bonds or notes sold pursuant to 75-10-623, to interest on the proceeds of those bonds or notes, or to appropriations of those proceeds or interest.”

Section 2. Section 75-10-704, MCA, is amended to read:

“75-10-704. Environmental quality protection fund. (1) There is in the state special revenue fund an environmental quality protection fund to be administered as a revolving fund by the department. The department is authorized to expend amounts from the fund necessary to carry out the purposes of this part.

(2) Except as provided in subsection (9), the fund may be used by the department only to carry out the provisions of this part and for remedial actions taken by the department pursuant to this part in response to a release of hazardous or deleterious substances.

(3) The department shall:

(a) except as provided in subsection (7), establish and implement a system, including the preparation of a priority list, for prioritizing sites for remedial action based on potential effects on human health and the environment; and

(b) investigate, negotiate, and take legal action, as appropriate, to identify liable persons, to obtain the participation and financial contribution of liable persons for the remedial action, to achieve remedial action, and to recover costs and damages incurred by the state.

(4) There must be deposited in the fund:

(a) all penalties, forfeited financial assurance, natural resource damages, and remedial action costs recovered pursuant to 75-10-715;

(b) all administrative penalties assessed pursuant to 75-10-714 and all civil penalties assessed pursuant to 75-10-711(5);

(c) funds appropriated to the fund by the legislature;

(d) funds received from the interest income of the resource indemnity trust fund pursuant to 15-38-202;

(e) funds received from the interest income of the fund;

(f) funds received from settlements pursuant to 75-10-719(7); and

(g) funds received from the interest paid pursuant to 75-10-722.

(5) Whenever a legislative appropriation is insufficient to carry out the provisions of this part and additional money remains in the fund, the department shall seek additional authority to spend money from the fund through the budget amendment process provided for in Title 17, chapter 7, part 4.

(6) Whenever the amount of money in the fund is insufficient to carry out remedial action, the department may apply to the governor for a grant from the environmental contingency account established pursuant to 75-1-1101.

(7) (a) There is established a state special revenue account for all funds donated or granted from private parties to remediate a specific release at a specific facility. There must be deposited into the account the interest income earned on the account. A person is not liable under 75-10-715 solely as a result of contributing to this account.

(b) Funds donated or granted for a specific project pursuant to this subsection (7) must be accumulated in the fund until the balance of the donated or granted funds is sufficient, as determined by the department, to remediate the facility pursuant to the requirements of 75-10-721 for which the funds are donated.

(c) If the balance of the fund created in this subsection (7), as determined by the department pursuant to the requirements of 75-10-721, is not sufficient to remediate the facility within 1 year from the date of the initial contribution, all donated or granted funds, including any interest on those donated or granted funds, must be returned to the grantor.

(d) If the balance for a specific project is determined by the department to be sufficient to remediate the facility pursuant to the requirements of 75-10-721, the department shall give that site high priority for remedial action, using the funds donated under this subsection (7).

(e) This subsection (7) is not intended to delay, to interfere with, or to diminish the authority or actions of the department to investigate, negotiate, and take legal action, as appropriate, to identify liable persons, to obtain the participation and financial contribution of liable persons for the remedial action, to achieve remedial action, and to recover costs and damages incurred by the state.

(f) The department shall expend the funds in a manner that maximizes the application of the funds to physically remediating the specific release.

(8) (a) A person may donate in-kind services to remediate a specific release at a specific facility pursuant to subsection (7). A person who donates in-kind services is not liable under 75-10-715 solely as a result of the contribution of in-kind services.

(b) A person who donates in-kind services with respect to remediating a specific release at a specific facility is not liable under this part to any person for injuries, costs, damages, expenses, or other liability that results from the release or threatened release, including but not limited to claims for

indemnification or contribution and claims by third parties for death, personal injury, illness, loss of or damage to property, or economic loss.

(c) Immunity from liability, pursuant to subsection (8)(b), does not apply in the case of a release that is caused by conduct of the entity providing in-kind services that is negligent or grossly negligent or that constitutes intentional misconduct.

(d) When a person is liable under 75-10-715 for costs or damages incurred as a result of a release or threatened release of a hazardous or deleterious substance, the person may not avoid that liability or responsibility under 75-10-711 by subsequent donations of money or in-kind services under the provisions of subsection (7) and this subsection (8).

(e) Any donated in-kind services that are employed as part of a remedial action pursuant to this subsection (8) must be approved by the department as appropriate remedial action.

(9) (a) If funds are transferred from the orphan share fund to the environmental quality protection fund pursuant to ~~75-10-743(10)~~ 75-10-743(9), the department shall, subject to the limitation in subsection (9)(b) of this section, at the end of the fiscal year in which the transfer is made and in each subsequent fiscal year, transfer from the environmental quality protection fund to the orphan share fund the unencumbered amount remaining in the environmental quality protection fund at the end of the fiscal year that is in excess of the amount appropriated for the next fiscal year from the environmental quality protection fund.

(b) The total transferred pursuant to subsection (9)(a) may not exceed the total amount transferred to the environmental quality protection fund pursuant to ~~75-10-743(10)~~ 75-10-743(9)."

Section 3. Section 75-10-743, MCA, is amended to read:

"75-10-743. Orphan share state special revenue account — reimbursement of claims — payment of department costs. (1) There is an orphan share account in the state special revenue fund established in 17-2-102 that is to be administered by the department. Money in the account is available to the department by appropriation and must be used to reimburse remedial action costs claimed pursuant to 75-10-742 through 75-10-751 and, except as provided in ~~subsection (10)~~ subsections (9) and (10), to pay costs incurred by the department in defending the orphan share.

(2) There must be deposited in the orphan share account:

(a) all penalties assessed pursuant to 75-10-750(12);

(b) funds received from the interest income of the resource indemnity trust fund pursuant to 15-38-202;

(c) funds allocated from the resource indemnity and ground water assessment tax proceeds provided for in 15-38-106;

(d) funds received from the distribution of oil and natural gas production taxes pursuant to 15-36-331;

(e) unencumbered funds remaining in the abandoned mines state special revenue account;

(f) interest income on the account;

(g) funds received from settlements pursuant to 75-10-719(7); and

(h) funds received from reimbursement of the department's orphan share defense costs pursuant to subsection (6).

(3) If the orphan share fund contains sufficient money, valid claims must be reimbursed subsequently in the order in which they were received by the department. If the orphan share fund does not contain sufficient money to reimburse claims for completed remedial actions, a reimbursement may not be made and the orphan share fund, the department, and the state are not liable for making any reimbursement for the costs. The department and the state are not liable for any penalties if the orphan share fund does not contain sufficient money to reimburse claims, and interest may not accrue on outstanding claims.

(4) Except as provided in subsection ~~(8)~~ (7), claims may not be submitted and remedial action costs may not be reimbursed from the orphan share fund until all remedial actions, except for operation and maintenance, are completed at a facility.

(5) Reimbursement from the orphan share fund must be limited to actual documented remedial action costs incurred after the date of a petition provided for in 75-10-745. Reimbursement may not be made for attorney fees, legal costs, or operation and maintenance costs.

(6) (a) The department's costs incurred in defending the orphan share must be paid by the persons participating in the allocation under 75-10-742 through 75-10-751 in proportion to their allocated shares. The orphan share fund is responsible for a portion of the department's costs incurred in defending the orphan share in proportion to the orphan share's allocated share, as follows:

(i) If sufficient funds are available in the orphan share fund, the department's costs incurred in defending the orphan share must be paid from the orphan share fund in proportion to the share of liability allocated to the orphan share.

(ii) If sufficient funds are not available in the orphan share fund, persons participating in the allocation under 75-10-742 through 75-10-751 shall pay all the orphan share's allocated share of the department's costs incurred in defending the orphan share in proportion to each person's allocated share of liability.

(b) A person who pays the orphan share's proportional share of costs has a claim against the orphan share fund and must be reimbursed as provided in subsection (3).

~~(7) If sufficient money remains in the orphan share fund on June 29, 2003, \$999,000 must be transferred to the general fund.~~

~~(8)~~(7) If the lead liable person under 75-10-746 presents evidence to the department that the person cannot complete the remedial actions without partial reimbursement and that a delay in reimbursement will cause undue financial hardship on the person, the department may allow the submission of claims and may reimburse the claims prior to the completion of all remedial actions. A person is not eligible for early reimbursement unless the person is in substantial compliance with all department-approved remedial action plans.

~~(9)~~(8) A person participating in the allocation process who received funds under the mixed funding pilot program provided for in sections 14 through 20, Chapter 584, Laws of 1995, may not claim or receive reimbursement from the orphan share fund for the amount of funds received under the mixed funding pilot program that are later attributed to the orphan share under the allocation process.

~~(4)(9)~~(9) For the biennium beginning July 1, 2003, and subject to the provisions of section 4, Chapter 199, Laws of 2003, the department may transfer funds from the orphan share fund to the environmental quality protection fund established in 75-10-704, the hazardous waste/CERCLA account established in 75-10-621, or both. The total amount transferred pursuant to this subsection may not exceed \$600,000.

(10)(a) For the biennium beginning July 1, 2005, up to \$1.25 million may be used by the department to pay the costs incurred by the department in contracting for evaluating the extent of contamination and formulating final remediation alternatives for releases at the Kalispell pole and timber, reliance refinery company, and Yale oil corporation facility complex. If the department spends less than \$1.25 million for those purposes, the remaining funds must be spent for remediation of the facility complex. The department may not seek recovery of the \$1.25 million from potentially liable persons.

(b) The money spent pursuant to subsection (10)(a) must be credited against the amount owed by the state agency in a judgment or settlement agreement for payment of the remedial action costs at the facility for which the money was spent.

(c) The department shall consult with the noticed potentially liable persons regarding contractor selection and determination of the scope of the work for contract tasks. The department shall also provide the noticed potentially liable persons with contract performance updates and shall consult with the noticed potentially liable persons regarding expenses and progress on contract tasks.

(d) The department shall contract for the compilation, assessment, and summarization of the existing data pertaining to the complex described in subsection (10)(a), for recommendations for and conducting of additional investigations and studies necessary to develop remediation alternatives and for development and assessment of remediation alternatives.

(e) Unless the department is delayed by a challenge to a contracting action, multiple contractor selection processes, or other unanticipated circumstances, the activities authorized under subsection (10)(a) must meet the following schedule:

(i) Contracts for investigations and studies must be in place by August 31, 2005.

(ii) A summary of existing data must be prepared by December 31, 2005.

(iii) The contract or contract task order for investigations, studies, and development and evaluation of final remediation alternatives must be in place by April 30, 2006.

(iv) All intended field work must be completed by November 30, 2006, and to the extent that this field work indicates that followup is necessary, the followup field work must be completed as soon as possible or addressed in the report that must be submitted pursuant to subsection (10)(g).

(v) The contractor shall submit evaluations of the extent of contamination by October 31, 2006.

(vi) The contractor shall submit final remediation alternatives by July 31, 2007.

(f) The department shall report to the environmental quality council quarterly during calendar years 2005, 2006, and 2007, regarding the progress

being made to meet the requirements of subsection (10)(e). The report must include information on expenditures.

(g) If investigations completed under subsection (10) indicate the need for additional information or for pilot tests and other related remedial action process activities, the department shall prepare a report identifying the rationale and estimated costs for additional work and present it to the environmental quality council during the spring of 2007.

(h) The department shall provide to the environmental quality council copies of investigations and reports completed pursuant to subsection (10)(d)."

AN ACT AUTHORIZING THE DEPARTMENT OF FISH, WILDLIFE, AND PARKS, THROUGH ITS DIRECTOR, TO GRANT OR ACQUIRE RIGHTS-OF-WAY FOR CERTAIN PURPOSES WITHOUT THE APPROVAL OF THE FISH, WILDLIFE, AND PARKS COMMISSION; ALLOWING THE DEPARTMENT, WITH THE CONSENT OF THE COMMISSION, TO MAKE LIMITED PROPERTY BOUNDARY AND WATER RIGHTS ADJUSTMENTS WITH ADJACENT LANDOWNERS; AMENDING SECTIONS 87-1-209 AND 87-1-301, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 87-1-209, MCA, is amended to read:

"87-1-209. Acquisition and sale of lands or waters. (1) The department, with the consent of the commission and, in the case of land acquisition involving more than 100 acres or \$100,000 in value, the approval of the board of land commissioners, may acquire by purchase, lease, agreement, gift, or devise and may acquire easements upon lands or waters for the purposes listed in this subsection. The department may develop, operate, and maintain acquired lands or waters:

- (a) for fish hatcheries or nursery ponds;
- (b) as lands or water suitable for game, bird, fish, or fur-bearing animal restoration, propagation, or protection;
- (c) for public hunting, fishing, or trapping areas;
- (d) to capture, propagate, transport, buy, sell, or exchange any game, birds, fish, fish eggs, or fur-bearing animals needed for propagation or stocking purposes or to exercise control measures of undesirable species;
- (e) for state parks and outdoor recreation;
- (f) to extend and consolidate by exchange, lands or waters suitable for these purposes.

(2) The department, with the consent of the commission, may acquire by condemnation, as provided in Title 70, chapter 30, lands or structures for the preservation of historical or archaeological sites that are threatened with destruction or alteration.

(3) (a) The department, with the consent of the commission, may dispose of lands and water rights acquired by it on those terms after public notice as required by subsection (3)(b), without regard to other laws that provide for sale or disposal of state lands and with or without reservation, as it considers necessary and advisable. The department, with the consent of the commission, may convey department lands and water rights for full market value to other governmental entities *or to adjacent landowners* without regard to the requirements of subsection (3)(b) or (3)(c) if the land is less than 10 acres or if the full market value of the interest to be conveyed is less than \$20,000. When the department conveys land or water rights to another governmental entity *or to an adjacent landowner* pursuant to this subsection, the department, in addition to giving notice pursuant to subsection (3)(b), shall give notice by mail to the landowners whose property adjoins the department property being conveyed.

(b) Notice of sale describing the lands or waters to be disposed of must be published once a week for 3 successive weeks in a newspaper with general circulation printed and published in the county where the lands or waters are situated or, if a newspaper is not published in that county, then in any newspaper with general circulation in that county.

(c) The notice must advertise for cash bids to be presented to the director within 60 days from the date of the first publication. Each bid must be accompanied by a cashier's check or cash deposit in an amount equal to 10% of the amount bid. Deposits must be returned to the unsuccessful bidders except bidders defaulting after notification.

(d) The department shall reserve the right to reject any bids that do not equal or exceed the full market value of the lands and waters as determined by the department. If the department does not receive a bid that equals or exceeds fair market value, it may then sell the lands or water rights at private sale. The price accepted on any private sale must exceed the highest bid rejected in the bid process.

(4) *When necessary and advisable for the management and use of department property, the director is authorized to grant or acquire from willing sellers right-of-way easements for purposes of utilities, roads, drainage facilities, ditches for water conveyance, and pipelines if the full market value of the interest to be acquired is less than \$20,000. Whenever possible, easements must include a weed management plan. Approval of the commission is not required for grants and acquisitions made pursuant to this subsection. In granting any right-of-way pursuant to this subsection, the department shall obtain a fair market value, but the department is not otherwise required to follow the disposal requirements of subsection (3). The director shall report any easement grant or acquisition made pursuant to this subsection to the commission at its next regular meeting.*

(5) The department shall convey lands and water rights without covenants of warranty by deed executed by the governor or in the governor's absence or disability by the lieutenant governor, attested by the secretary of state and further countersigned by the director.

The total cost of installment contracts may not exceed the cost of purchases authorized by the department and appropriated by the legislature.

(6)(7) The department is authorized to enter into leases of land under its control in exchange for services to be provided by the lessee on the leased land.”

(a) upon notice to the ~~obligor~~ *parent*, the ~~obligor~~ *parent* shall enroll the child in a health or medical insurance plan available to the ~~obligor~~ *parent* through an employer or other group for which the premium is partially or entirely paid by the employer or other group; and

(b) the ~~obligor~~ *parent* shall continue enrollment of the child in the plan until:

(i) a medical support order is entered;

(ii) the ~~obligor~~ *parent* can demonstrate to the department that the cost of providing coverage is not reasonable;

(iii) the ~~obligor's~~ *parent's* employment or membership in the group has terminated and the plan is no longer available to the ~~obligor~~ *parent*;

(iv) the employer or group eliminates coverage for all employees or members; or

(v) the department ceases to provide services for the child.

(5) If the ~~obligor~~ *parent* fails to enroll a child in a health or medical insurance plan under subsection (4) or lets coverage lapse, the failure or lapse may be punished as a contempt under 40-5-226. A contempt may not be found if the ~~obligor~~ *parent* shows that the cost of providing coverage for the child is not reasonable."

Section 3. Section 40-5-225, MCA, is amended to read:

"40-5-225. Notice of financial responsibility — temporary and final support obligations — administrative procedure. (1) In the absence of an

existing support order, when the requirements of this section are met, the department may enter an order requiring a child's parent or parents to pay an amount each month for the support of the child. ~~The support~~ *An order issued under this section* must include a medical support order as required by 40-5-208.

(2) An action to establish a support order must be commenced by serving a notice of financial responsibility on the parent or parents. The notice must include a statement:

(a) of the names of the child, the obligee, and, if different than the obligee, the child's guardian or caretaker relative;

(b) of the dollar amount of the support obligation to be paid each month for the child, *if any*;

(c) that the monthly support obligation, *if any*, is effective on the date of service of the notice, unless an objection is made and a hearing is requested, and may be collected during the proceeding that establishes the support obligation by any remedy available to the department for the enforcement of child support obligations;

(d) that in addition to *or independent of* child support, the parent or parents may be ordered to provide for the child's medical support needs;

(e) that any party may request a hearing to contest the amount of child support shown in the notice or to contest the establishment of a medical support order;

(f) that if a party does not timely file a request for hearing, support, including medical support, will be ordered as declared in the notice or in accordance with the child support guidelines adopted under 40-5-209;

(g) that if a party does request a hearing, the other parties may refuse to participate in the proceedings and that the child support and medical support order will be determined using the information available to the department or provided at the hearing;

(h) that a party's refusal to participate is a consent to entry of a child support and medical support order consistent with the department's determination; and

(i) that the parties are entitled to a fair hearing under 40-5-226.

(3) If a support action is pending in district court and a temporary or permanent support obligation has not been ordered or if a paternity action is pending and there is clear and convincing evidence of paternity based on paternity blood tests or other evidence, the department may enter an order requiring a child's parent or parents to pay an amount each month for the temporary support of the child pending entry of a support order by the district court. The temporary support order must include a medical support order as required by 40-5-208.

(4) An action to establish a temporary support order must be commenced by serving a notice of temporary support obligation on the parent or parents. In addition to the statements required in subsection (2), the notice must include a statement that:

(a) a party may request a hearing to show that a temporary support obligation is inappropriate under the circumstances; and

(b) the temporary support order will terminate upon the entry of a final support order or an order of nonpaternity. If the final order is retroactive, any amount paid for a particular period under the temporary support order must be

credited against the amounts due under the final order for the same period, but excess amounts may not be refunded. If an order of nonpaternity is issued or if the final support order states that periodic support obligation is not proper, the obligee shall refund to the obligor any improper amounts paid under the temporary support order, plus any costs that the obligor incurs in recovering the amount to be refunded.

(5) (a) If a temporary support order is entered or if proceedings are commenced under this section for a married obligor, the department shall vacate any support order or dismiss any proceeding under this part if it finds that the parties to the marriage have:

- (i) reconciled without the marriage having been dissolved;
- (ii) made joint application to the department to vacate the order or dismiss the proceeding; and
- (iii) provided proof that the marriage has been resumed.

(b) The department may not vacate a support order or dismiss a proceeding under this subsection (5) if it determines that the rights of a third person or the child are affected. The department may issue a new notice of temporary support obligation under this section if the parties subsequently separate.

(6) A notice of financial responsibility and the notice of temporary support obligation may be served either by certified mail or in the manner prescribed for the service of a summons in a civil action in accordance with the Montana Rules of Civil Procedure.

(7) If prior to service of a notice under this section the department has sufficient financial information, the department's allegation of the obligor's monthly support responsibility, whether temporary or final, must be based on the child support guidelines established under 40-5-214. If the information is unknown to the department, the allegations of the parent's or parents' monthly support responsibility must be based on the greater of:

- (a) the maximum amount of public assistance that could be payable to the child under Title 53 if the child was otherwise eligible for assistance; or
- (b) the child's actual need as alleged by the custodial parent, guardian, or caretaker of the child.

(8) (a) A party who objects to a notice of financial responsibility or notice of temporary support obligation may file a written request for a hearing with the department:

- (i) within 20 days from the date of service of a notice of financial responsibility; and
- (ii) within 10 days from the date of service of a notice of temporary support obligation.

(b) If the department receives a timely request for a hearing, it shall conduct one under 40-5-226.

(c) If the department does not receive a timely request for a hearing, it shall order the parent or parents to pay child support, *if any*, and to provide for the child's medical needs as stated in the notice. The child support obligation must be the amount stated in the notice or determined in accordance with the child support guidelines adopted under 40-5-209.

(9) If the department is unable to enter an obligation in accordance with the child support guidelines because of default of a party, the department may, upon

notice to the parties to the original order, substitute a support order made in accordance with the guidelines for the defaulted order.

(10) After establishment of an order under this section, the department may initiate a subsequent action on the original order to establish a *child support or medical* support obligation for another child of the same parents.

(11) A child support and medical support order under subsection (1) is effective as of the date of service of a notice of financial responsibility on the parent or parents and may be collected by any remedy available to the department for the enforcement of child support obligations. A final order is retroactive to the date of service of the notice of financial responsibility as provided in this subsection, except that the final order may also determine child support for a prior period as provided in 40-5-226(3).

(12) A child support and medical support order under subsection (1) continues until the child reaches 18 years of age or until the child's graduation from high school, whichever occurs later, but not later than the child's 19th birthday, unless the child is sooner emancipated by court order. A temporary support obligation established under subsection (3) continues until terminated as provided in subsection (5) or until the temporary order is superseded by a final order, judgment, or decree."

Section 4. Section 40-5-226, MCA, is amended to read:

"40-5-226. Administrative hearing — nature — place — time — determinations — failure to appear — entry of final decision and order.

(1) The administrative hearing is defined as a "contested case".

(2) If a hearing is requested, it must initially be conducted by teleconference methods and is subject to the Montana Administrative Procedure Act. At the request of a party or upon a showing that the party's case was substantially prejudiced by the lack of an in-person hearing, the hearings officer shall grant a de novo in-person hearing.

(3) The hearings officer shall determine the liability and responsibility, if any, of the parent or parents under the notice and shall enter a final decision and order in accordance with the determination. The order may award support from the date of:

(a) the child's birth if paternity was established under 40-5-231 through 40-5-238 or under Title 40, chapter 6, part 1, subject to the limitation in 40-6-108(3)(b);

(b) the parties' separation if support is initially established under 40-5-225; or

(c) notice to the parties of a support modification request under 40-5-273.

(4) (a) Except as provided in subsection (4)(b), if the parent or parents fail to appear at the hearing or to timely file a request for a hearing, the hearings officer, upon a showing of valid service, shall enter a default decision and order declaring the amount stated in the notice to be final.

(b) In a multiple party proceeding under 40-5-225, if one party files a timely request for hearing, the matter must be set for hearing. Notice of the hearing must be served on the parties. If a party refuses to appear for the hearing or participate in the proceedings, the hearings officer shall determine child support and medical support orders based on the notice, information available to the department, and evidence provided at the hearing by the appearing parties. A party's refusal to appear is a consent to entry of child and medical

support orders consistent with the hearings officer's determination. However, the default order may not be for more than the support requested in the notice unless the hearings officer finds that the evidence requires a larger amount.

(5) In a hearing to determine financial responsibility, whether temporary or final, and in any proceeding to modify support under 40-5-272, 40-5-273, and 40-5-276 through 40-5-278, the monthly support responsibility must be determined in accordance with the evidence presented and with reference to the uniform child support guidelines adopted by the department under 40-5-209. The hearings officer is not limited to the amounts stated in the notice. The guidelines must be used in all cases, including cases in which the order is entered upon the default of a party and those in which the order is entered upon the parties' consent. A verified representation of a defaulting parent's income, based on the best information available, may be used when a parent fails to provide financial information for use in applying the guidelines. The amount determined under the guidelines is presumed to be an adequate and reasonable support award, unless the hearings officer finds by clear and convincing evidence that the application of the guidelines is unjust to the child or to any of the parties or is inappropriate in a particular case. If the hearings officer finds that the guideline amount is unjust or inappropriate in a particular case, the hearings officer shall state the reasons for finding that the application of the guidelines is unjust to the child or a party or is inappropriate in that particular case. Similar findings must also be made in a case in which the parties have agreed to a support amount that varies from the guideline amount. The hearings officer may vary the application of the guidelines to limit the obligor's liability for past support to the proportion of expenses already incurred that the hearings officer considers just. Findings that rebut and vary the guideline amount must include a statement of the amount of support that would have ordinarily been ordered under the guidelines.

(6) In a hearing to enforce a support order or to establish paternity under this chapter, the department shall send a copy of the notice of hearing to the obligee by regular mail addressed to the obligee's last-known address. The obligee may attend and observe the hearing as a nonparty. This subsection does not limit participation of an obligee who is a party to the proceedings or who is called as a witness to testify.

(7) (a) Within 60 days after the hearing has been concluded, any posthearing briefs are received, and all the evidence submitted, except for good cause, the hearings officer shall enter a final decision and order. The determination of the hearings officer constitutes a final agency decision, subject to judicial review under 40-5-253 and the provisions of the Montana Administrative Procedure Act. A copy of the final decision must be delivered or mailed to each party, each party's attorney, and the obligee if the obligee is not a party.

(b) A child support or medical support obligation established under this section is subject to the registration and processing provisions of part 9 of this chapter.

(8) A child support or medical support order entered under this part must contain a statement that the order is subject to review and modification by the department upon the request of the department or a party under 40-5-272, 40-5-273, and 40-5-276 through 40-5-278 when the department is providing services under IV-D for the enforcement of the order.

(9) A support debt determined pursuant to this section is subject to collection action without further necessity of action by the hearings officer.

(10) A child support or *medical support* obligation determined under this part by reason of the obligor's failure to request a hearing under this part or failure to appear at a scheduled hearing may be vacated, upon the motion of an obligor, by the hearings officer within the time provided and upon a showing of any of the grounds enumerated in the Montana Rules of Civil Procedure. When issuing a support order, the department shall consider whether any of the exceptions to immediate income withholding found in 40-5-411 apply, and, if an exception is applicable, the department shall include the exception in the support order.

(11) (a) Unless the hearings officer makes a written exception under 40-5-315 or 40-5-411 and the exception is included in the support order, each order establishing a child support obligation, whether temporary or final, and each modification of an existing child support order under this part is enforceable by immediate or delinquency income withholding, or both, under Title 40, chapter 5, part 4. A support order that omits that provision or that provides for a payment arrangement inconsistent with this section is nevertheless subject to withholding for the payment of support without need for an amendment of the support order or for any further action by the hearings officer.

(b) If an obligor is excepted from paying support through income withholding, the support order must include a requirement that whenever a party to the case is receiving IV-D services, support payments must be paid through the department as provided in 40-5-909.

(12) (a) If the department establishes paternity or establishes or modifies a child support obligation, the department's order must include a provision requiring each party other than the department to promptly file with the department and to update, as necessary, information on:

- (i) identity of the party;
- [(ii) social security number;]
- (iii) residential and mailing addresses;
- (iv) telephone number;
- (v) driver's license number;
- (vi) name, address, and telephone number of employer; and

(vii) if the child is covered by a health or medical insurance plan, the name of the insurance carrier or health benefit plan, the policy identification number, the name of the persons covered, and any other pertinent information regarding coverage or, if the child is not covered, information as to the availability of coverage for the child through the obligor's and obligee's employer.

(b) The order must further direct that in a subsequent child support enforcement action, upon sufficient showing that diligent effort has been made to ascertain the location of the party, the department's due process requirements for notice and service of process are met with respect to the party upon delivery of written notice by regular mail to the most recent address of the party or the party's employer's address reported to the department.

(c) The department shall keep the information provided under subsection (12)(a) confidential except as necessary for purposes of Title IV-D of the Social Security Act.

(13) The hearings officer may:

(a) compel obedience to the hearings officer's orders, judgments, and process and to subpoenas and orders issued by the department, including income-withholding orders issued pursuant to 40-5-415;

(b) compel the attendance of witnesses at administrative hearings;

(c) compel obedience of subpoenas for paternity blood tests;

(d) compel the production of accounts, books, documents, and other evidence;

(e) punish for civil contempt. Contempt authority does not prevent the department from proceeding in accordance with the provisions of 2-4-104.

(f) compel the production of information requested by the department or a IV-D agency of another state under 40-5-443.

(14) A contempt occurs whenever:

(a) a person acts in disobedience of any lawful order, judgment, or process of the hearings officer or of the department;

(b) a person compelled by subpoena to appear and testify at an administrative hearing or to appear for genetic paternity tests fails to do so;

(c) a person compelled by subpoena duces tecum to produce evidence at an administrative hearing fails to do so;

(d) an obligor or obligee subject to a discovery order issued by the hearings officer fails to comply with discovery requests;

(e) a person or entity compelled by administrative subpoena from the department or another IV-D agency to produce financial information or other information needed to establish paternity or to establish, modify, or enforce a support order fails to do so;

(f) a payor under an order to withhold issued pursuant to 40-5-415 fails to comply with the provisions of the order. In the case of a payor under an income-withholding order, a separate contempt occurs each time that income is required to be withheld and paid to the department and the payor fails to take the required action.

(g) a payor or labor union fails to provide information to the department or another IV-D agency when requested under 40-5-443[; or]

[(h) a financial institution uses information provided by the department pursuant to 40-5-924 for any other purpose without the authorization of the department].

(15) Before initiating a contempt proceeding, the department shall give the alleged contemnor notice by personal service or certified mail of the alleged infraction and a reasonable opportunity to comply with the law and to cure the alleged infraction. In order to initiate a contempt proceeding, an affidavit of the facts constituting a contempt must be submitted to the hearings officer, who shall review it to determine whether there is cause to believe that a contempt has been committed. If cause is found, the hearings officer shall issue a citation requiring the alleged contemnor to appear and show cause why the alleged contemnor should not be determined to be in contempt and required to pay a penalty of not more than \$500 for each count of contempt. The citation, along with a copy of the affidavit, must be served upon the alleged contemnor either by personal service or by certified mail. All other interested persons may be served a copy of the citation by first-class mail.

(16) At the time and date set for hearing, the hearings officer shall proceed to hear witnesses and take evidence regarding the alleged contempt and any defenses to the contempt. If the alleged contemnor fails to appear for the hearing, the hearing may proceed in the alleged contemnor's absence. If the hearings officer finds the alleged contemnor in contempt, the hearings officer may impose a penalty of not more than \$500 for each count found. The hearings officer's decision constitutes a final agency decision, subject to judicial review under 40-5-253 and subject to the provisions of Title 2, chapter 4.

(17) An amount imposed as a penalty may be collected by any remedy available to the department for the enforcement of child support obligations, including warrant for distraint pursuant to 40-5-247, income withholding pursuant to Title 40, chapter 5, part 4, and state debt offset, pursuant to Title 17, chapter 4, part 1. The department may retain any penalties collected under this section to offset the costs of administrative hearings conducted under this chapter.

(18) The penalties charged and collected under this section must be paid into the state treasury to the credit of the child support enforcement division special revenue fund and must be accompanied by a detailed statement of the amounts collected. (Bracketed language terminates on occurrence of contingency—sec. 1, Ch. 27, L. 1999.)”

Section 5. Section 40-5-247, MCA, is amended to read:

“40-5-247. Warrant for distraint — effect — satisfaction of support lien — redemption. (1) (a) The department may issue a warrant for distraint to execute support liens established by 40-5-248 or to enforce and collect any money obligation authorized under this chapter.

(b) The warrant must be an order, under official seal of the department, directed to a sheriff of any county of the state or to any levying officer authorized by law to enforce a district court judgment. The order must command the recipient to levy upon and sell nonexempt real and personal property to satisfy the support lien upon which the warrant is based. The warrant must include notice of:

- (i) the existence of exemptions from execution;
- (ii) the procedure by which an exemption may be claimed; and
- (iii) the right to request a hearing to determine an exemption claim.

(c) A warrant must be signed by the director of the department or the director's designee.

(d) The warrant must be for the amount of the support lien or the amount of any other money obligation determined under this chapter, including interest and fees, if any.

(e) A warrant for distraint has the same effect as a writ of execution issued by a district court to enforce money judgments.

(2) (a) A warrant for distraint may be sent by the department to the sheriff or levying officer. Upon receipt of the warrant, the sheriff or levying officer shall proceed to execute upon the warrant in the same manner as prescribed for execution upon a judgment.

(b) A warrant for distraint may also be served by acknowledgment of service ~~upon an entity that has entered into an agreement with the department to accept service of a warrant for distraint, including a warrant received by~~

electronic transmission. Upon receipt of the warrant, the served entity shall proceed to execute upon the warrant in the same manner as prescribed for execution upon a judgment and shall return the warrant, along with any funds collected, within ~~90~~ 120 days of receipt of the warrant.

(c) A copy of the warrant must be mailed to the obligor at the obligor's last-known address at or promptly after the time of seizure.

(d) Within 10 days after the date of the mailing of the warrant to the obligor, an obligor claiming an exemption may request a hearing to determine the existence of the exemption. The department shall convene a contested case hearing to determine the claimed exemption. An order entered under this section is a final agency order, subject to judicial review under Title 2, chapter 4, part 7.

(e) A sheriff or levying officer shall return a warrant, along with any funds collected, within ~~90~~ 120 days of the receipt of the warrant.

(f) Funds resulting from execution upon the warrant must first be applied to the sheriff's or levying officer's costs, any superior liens, the support lien, or other money obligation and to any inferior liens. Any amounts in excess of this distribution must be paid to the obligor.

(g) If the warrant is returned not fully satisfied, the department has the same remedies to collect the deficiency as are available for any civil judgment.

(3) A sheriff's or levying officer's levy against real and personal property of the obligor is not limited to property in possession of persons or other entities given notice of a support lien under 40-5-242.

(4) (a) Upon receiving payment in full of the unpaid warrant amount plus penalty and fees, if any, and accumulated interest, the department shall release the warrant.

(b) Upon receiving partial payment of the unpaid warrant amount or if the department determines that a release or partial release of the warrant will facilitate the collection of the unpaid amount, penalty, and interest, the department may release or may partially release the warrant for distraint. The department may release the warrant if it determines that the warrant is unenforceable.

(5) An obligor or other person or entity having an interest in real or personal property levied upon by a warrant for distraint at any time prior to sale of the property may pay the amount of the support lien or other money obligation and any costs incurred by the sheriff or levying officer serving the warrant. Upon payment in full, the property must be restored to the obligor or other person and all proceedings on the warrant must cease.

(6) An obligor or other person or entity having an interest in real property levied upon and sold by a sheriff or levying officer pursuant to a warrant for distraint may, within 240 days after sale of the property, redeem the property by making payment to the purchaser in the amount paid by the purchaser plus interest at the statutory interest rate payable on judgments recovered in the district court.

(7) At any time after distraint of property under a warrant for distraint, the department may release all or part of the seized property without liability if payment of the support lien or other money obligation is assured or if the action will facilitate collection of the support lien or other money obligation. The

release or return does not operate to prevent future action to collect the warrant amount from the same or other property.

(8) The department may issue a warrant for distraint to collect a support lien or other money obligation under this section at any time within the statutory limitation period for enforcing and collecting delinquent child support.

(9) The use of the warrant for distraint is not exclusive, and the department may use any other remedy provided by law for the collection of child support amounts.”

Section 6. Section 40-5-412, MCA, is amended to read:

“40-5-412. Delinquency income withholding. (1) (a) In the case of support orders not subject to immediate income withholding under 40-5-411, including cases in which the court or administrative authority has made a finding of good cause or determines that an alternative arrangement exists, the income of the obligor is subject to withholding under this part beginning on the day the obligor becomes delinquent in the payment of support.

(b) For purposes of this section, an obligor becomes delinquent 8 working days after the last day of the month in which the payment is due.

(c) Agreements or orders establishing a schedule for payment of delinquent support do not prevent income withholding under this part.

(2) (a) If the department determines that an obligor is delinquent, the department may notify the obligor that income withholding will be initiated if the delinquent amount is not received within 8 days of the date of the notice. If the obligor does not pay the delinquent amount within that time, the department may immediately send an order to withhold income to any payor. Notification that income withholding will be initiated if the delinquent amount is not received within 8 days of the date of the notice is not necessary if such a notice was given for a prior delinquency and the prior delinquency in fact existed. This notice is different from the notice required by subsection (2)(b). ~~The order must be limited to current support unless modified to include arrears as provided in 40-5-413.~~

(b) At the same time an order to withhold income is sent to a payor, the department shall notify the obligor as provided in 40-5-413 that income withholding has been initiated.

(3) Notwithstanding the provisions of subsection (1), income withholding must be initiated, without regard to whether there is a delinquency, on the earlier of:

(a) the date the obligor requests that withholding begin; or

(b) at the request of the obligee if the obligor is found, after an opportunity for hearing under 40-5-414, to be delinquent under the terms of an alternative arrangement for the payment of support.

(4) To accomplish the purpose of subsection (1), the department shall monitor all support payments not otherwise subject to immediate withholding. To facilitate monitoring, the department by written notice to the obligor may direct an obligor to pay all support through the department, notwithstanding a court order directing payments to be made to the obligee or clerk of court.

(5) The only basis for contesting withholding under this section is a mistake of fact, which does not include a mistake of fact relating to establishment of custody and visitation but includes a mistake:

- (a) concerning the obligor's identity;
 - (b) concerning the existence of the support obligation;
 - (c) concerning the amount of support to be paid;
 - (d) in the determination that the obligor is delinquent in the payment of support;
 - (e) in computation of delinquent support amounts owed; or
 - (f) in the allegation that the obligor is in default of an alternative agreement.
- (6) A mistake of fact under subsection (5) does not include mistakes relating to issues of paternity or establishment of custody and visitation."

Section 7. Section 40-5-810, MCA, is amended to read:

"40-5-810. Notice of intent to enroll — order to enroll — authorization to enroll and participate in health benefit plan — rules.

(1) When a parent is required by a medical support order to obtain a health benefit plan for a child, the parent may be served with a notice of intent to enroll the child in any plan available to that parent. The notice may be issued separately or may be combined with any other notice issued under this part.

(2) The notice must contain a statement of the:

- (a) procedures to follow if the parent wishes to contest enrollment of a child in the plan;
- (b) conditions under which enrollment will occur and that enrollment applies to all current and subsequent plans; and
- (c) period of time within which the parent may file a request for a hearing to contest the enrollment.

(3) For notices issued by the department under this section, hearings must be contested cases under Title 2, chapter 4.

(4) The notice must be served upon the parent by certified mail or personally, including by acknowledgment of service.

(5) An order requiring enrollment of a child in a plan may be issued:

- (a) at any time after the parent's time for filing a request for a hearing on the notice of intent to enroll has lapsed;
- (b) as a result of a hearing that authorizes an order to enroll;
- (c) upon identifying a plan that is available to the parent; or
- (d) upon determining that the cost of the plan available to the parent is reasonable.

(6) An order requiring enrollment in a plan may be served on a plan administrator, an employer, or another individual or entity by certified mail, ~~or~~ personally, including by acknowledgment of service, *or by electronic service upon an entity that has entered into an agreement with the department to accept electronic service of an order under this part.*

(7) A plan administrator shall enroll a child when given a medical support order or an order to enroll the child issued under this section, even if a parent fails to execute documents required by the plan. The parents, the department, and a third-party custodian may release to a plan provider, employer, union, or other group any information necessary to obtain or enforce medical support or to facilitate the preparation, submission, processing, verification, or payment of claims.

(8) The signature of either parent, of an authorized representative of the department, or of a third-party custodian or the receipt of an order to enroll the child issued under this section authorizes the plan to receive and process claims and exercise any available options for the continuation or extension.

(9) (a) The order to enroll the child must instruct the employer to:

(i) transfer the ~~notice and~~ order to the plan administrator within 20 *working days of service* or by another date specified in the order;

(ii) notify the entity issuing the order of any lapse in insurance coverage or employment;

(iii) notify the entity issuing the order when the child is enrolled;

(iv) withhold any premiums from the parent's income and transfer the premiums to the plan; and

(v) not disenroll the child except in situations specified in the order.

(b) The order to enroll the child must instruct the plan administrator to, within 40 *working days of the date of* receipt of the order:

(i) take steps to cover the child, to notify the employer, and to provide verification of enrollment and a plan description to the department, parents, and any third-party custodian of the child; or

(ii) provide information to the entity issuing the order concerning why coverage is not available.

(10) The department may adopt rules in conformity with federal law establishing the priority of withholdings for financial support and medical support. Regardless of the priority of withholdings, the maximum amount withheld from the parent's wages or salary, including fees, may not exceed the maximum amount permitted under the federal Consumer Credit Protection Act, 15 U.S.C. 1673.

(11) An order to enroll may be modified or replaced at any time to add a child to or remove a child from a plan, consistent with the parent's medical support obligation.

(12) The department may terminate an order to enroll issued by the department when the department is no longer authorized to enforce the parent's medical support obligation, when the parent's medical support obligation is terminated, or when the department determines that the cost of the plan to the parent is not reasonable."

Section 8. Section 40-5-812, MCA, is amended to read:

"40-5-812. Obligations of health benefit plan. (1) Upon receipt of a medical support order requiring a parent to provide coverage for a child *or an order requiring enrollment of a child pursuant to 40-5-810*, the administrator of a health benefit plan who receives the order shall accept the order as a valid authorization to enroll or provide benefits to the child. The health benefit plan may rely upon the face of the order and need not inquire as to its legal sufficiency.

(2) A plan administrator shall give the nonobligated parent, the department, whenever public assistance is paid to the child, or a third-party custodian all notices and correspondence from the plan and allow them to freely communicate and interact with the plan in all respects regarding the child's benefits as fully and effectively as if done by the obligated parent.

(3) A copy of the medical support order *or an order requiring enrollment of the child pursuant to 40-5-810* must be accepted by the plan administrator as a request and application of the eligible obligated parent requesting that new or continued benefits, including continuation coverage available under COBRA, be provided for the child. As soon as practical and no later than 30 days after receipt of the order or upon the obligated parent obtaining eligibility, the child must be enrolled under the plan as an individual entitled to available benefits. Enrollment may not be delayed until an open enrollment period.

(4) If a plan is provided by an employer or other payor of income, the payor shall deduct the necessary premiums, if any, from the income of the obligated parent and remit the premiums to the plan as provided in 40-5-813.

(5) Within 30 days after receipt of a copy of a medical support order *or within 40 working days after the date of an order issued pursuant to 40-5-810*, the health benefit plan shall give written notice to both parents, to the department, and to any third-party custodian setting forth the status of the child's enrollment in the plan and the addresses and telephone numbers of the offices where further information can be obtained and where changes of address and other updated information should be submitted.

(6) If coverage is transferred to a different plan, within 30 days of transfer, the new plan shall provide written notice to both parents, to the department, whenever public assistance is paid for the child, or to the third-party custodian setting forth the status of the child's enrollment in the plan and the addresses and telephone numbers of the offices where further information can be obtained and where changes of address and other updated information should be submitted.

(7) A plan administrator may not terminate a child's coverage unless:

(a) written evidence shows that the medical support order *or the order requiring enrollment of the child pursuant to 40-5-810* is no longer in effect, that the child will be enrolled in another health benefit plan, or that individual insurance is provided;

(b) the employer, union, or other group eliminates coverage for all members or employees;

(c) the plan is available through the obligated parent's employer or other payor of income and the obligated parent's employment or right to receive income from the payor is terminated and continued coverage under COBRA is not available or the time for such coverage is expired; or

(d) the plan is available through the obligated parent's employer or other payor of income, the amount of the premium or the premium together with child support exceeds the limits in this section, and the other parent, the department, or the third-party custodian has not cured the insufficiency under 40-5-811."

Section 9. Section 40-5-813, MCA, is amended to read:

"40-5-813. Obligation of payor. (1) Upon receipt of a medical support order *or an order requiring enrollment of the child pursuant to 40-5-810*, a payor providing a health benefit plan shall withhold from the obligated parent's income an amount equal to the required premium, if any, and apply the withheld amount to the plan premium, except that amounts withheld may not exceed the maximum amount permitted under the federal Consumer Credit Protection Act. If the premium exceeds the maximum, the payor may not withhold the excess. If the ~~total cost of the premium, together with~~ *total cost of the premium, together with* child support to be withheld, ~~exceeds the maximum, for current support and arrears~~

exceeds the maximum amount permitted under the federal Consumer Credit Protection Act, the current child support has priority and the full cost of the premium have priority before the arrears. If the total cost of the premium and current support exceed the amount of permissible garnishment, the current support and arrears take priority over the premium up to the maximum amount permitted under the federal Consumer Credit Protection Act. The payor may not withhold the part of the premium that is in excess of the maximum.

(2) A medical support order or an order requiring enrollment of the child pursuant to 40-5-810 has priority over garnishment of the income of the obligated parent for any purpose, except child support.

(3) (a) The payor shall continue withholding premiums when an obligated parent resumes employment following any break in service, layoff, leave of absence, or other similar circumstance.

(b) Upon the termination of employment, extended layoff, or any other break in service that causes coverage under a health benefit plan to cease, the payor shall immediately notify the other parent and the department or the third-party custodian; if either submitted the medical support order, *the order requiring enrollment of the child pursuant to 40-5-810*, or ~~submitted~~ a written notice of interest to the plan.

(4) (a) A payor who is an employer may not discharge, refuse to employ, or take other disciplinary action against an obligated parent solely because of the issuance of a medical support order *or an order requiring enrollment of the child pursuant to 40-5-810*.

(b) The obligated parent has the burden of proving that the issuance of the medical support order *or the order requiring enrollment of the child pursuant to 40-5-810* was the sole reason for the employer's action.

(c) A payor knowingly violating this section is subject to the contempt powers of the tribunal issuing the medical support order *or the order requiring enrollment of the child pursuant to 40-5-810*. The tribunal may, in addition, impose a civil penalty of not more than \$150."

Section 10. Section 53-9-129, MCA, is amended to read:

"53-9-129. Award not subject to execution, attachment, garnishment, or assignment — exception. (1) An award is not subject to execution, attachment, garnishment, or other process, *except an execution, attachment, or garnishment of a right to compensation for work loss to secure payment of maintenance or child support.*

(2) An assignment or agreement to assign a right to compensation in the future is unenforceable except:

(a) an assignment of a right to compensation for work loss to secure payment of maintenance or child support; or

Be it enacted by the Legislature of the State of Montana:

Section 1. Health care declaration registry — website — rulemaking. (1) The attorney general shall establish and maintain a health care declaration registry.

(2) The registry must be accessible through a website maintained by the attorney general.

(3) The registry must be used to store declarations pertaining to life-sustaining treatment made pursuant to 50-9-103 that are filed with the attorney general.

(4) The registry must be maintained in a secure database that is designed to provide authorized health care providers with immediate access to the registry at all times.

(5) The attorney general may adopt rules to implement the creation and maintenance of a health care declaration registry and for the creation and maintenance of the statewide education and outreach program created in [section 5].

Section 2. Health care declaration registry filing provisions — special revenue fund — failure to file declaration or notify of revocation — duty of health care providers to access registry. (1) An individual or a person designated by the individual may file with the attorney general, for entry into the health care declaration registry, a declaration provided for in 50-9-103 that pertains to life-sustaining treatment.

(2) (a) The attorney general may accept gifts, grants, donations, bequests, and other forms of voluntary contributions to support, promote, and maintain the registry.

(b) There is a health care declaration account in the state special revenue fund. Money received pursuant to subsection (2)(a) and any money transferred from the general fund to the health care declaration registry must be deposited in the account and must be used by the attorney general to create and maintain the health care declaration registry and to create and maintain an education and outreach program for the public regarding advance health care planning and end-of-life health care decisionmaking.

(3) (a) Failure to file the declaration with the attorney general does not affect the validity of the declaration.

Section 3. Entry of declaration into health care declaration registry — removal of declaration. (1) Upon receipt of a declaration pertaining to life-sustaining treatment, the attorney general shall determine if the declaration is in compliance with the provisions of 50-9-103. If the declaration is not in compliance with the provisions of 50-9-103, the attorney general shall return the declaration together with a statement that the declaration was not filed due to its nonconformance with the requirements of 50-9-103.

(2) (a) If a declaration is accepted for filing, the attorney general shall create a digital copy of the declaration and enter it into the database of the health care declaration registry.

(b) The attorney general shall assign a unique access code to each individual who files a declaration that may be used by that individual or by a health care provider in a case in which the individual becomes a qualified patient to access the registry to view the filed declaration.

(c) (i) After entering the digital copy of the declaration in the registry, the attorney general shall return to the individual filing the declaration the original declaration along with two wallet-sized cards that indicate that a copy of the declaration exists in the registry and that the name and access code on the cards may be used to access the registry to view an electronic copy of the declaration.

(ii) (A) In addition to the materials provided to an individual filing a declaration under subsection (2)(c)(i), the attorney general shall include a form asking the individual filing the declaration to indicate on the form the privacy level that the individual desires with respect to accessing the declaration and asking the individual to return the form to the attorney general.

(B) An individual shall choose between two privacy levels. The standard privacy level allows access by the individual filing the declaration, appropriate health care providers, anyone with the name and access code, and anyone with the social security number, birth date, and mother's maiden name of the individual who filed the declaration. The higher privacy level allows access only by the individual filing the declaration, appropriate health care providers, and anyone with the name and access code. If a form indicating a choice of privacy level is not returned to the attorney general, the attorney general shall use the standard privacy level in determining access to a declaration.

(3) If the attorney general receives a notice of the revocation of a declaration that is contained in the health care declaration registry or is notified that a person who is the subject of a declaration filed in the registry is deceased, the attorney general shall remove that declaration from the registry.

(3) (a) The attorney general shall issue confidential passwords to attending physicians, attending advanced practice registered nurses, and hospital medical records department staff that allow them to search the health care declaration database for a qualified patient who is unable to communicate health care choices.

(b) The attorney general shall establish by rule procedures for applying for and the issuance of confidential passwords to those persons described in subsection (3)(a).

(4) At the request of a person who submitted a declaration or who is named in the declaration, the attorney general may transmit the information received regarding the declaration to the registry system of another jurisdiction as identified by the requestor.

CHAPTER NO. 448

[SB 108]

AN ACT REVISING REQUIREMENTS FOR CERTIFICATION OF INDEPENDENT CONTRACTORS; PROVIDING A CONCLUSIVE PRESUMPTION THAT AN INDEPENDENT CONTRACTOR EXEMPTION CERTIFICATE VERIFIES AN INDEPENDENT CONTRACTOR'S STATUS FOR PURPOSES OF WORKERS' COMPENSATION AND OCCUPATIONAL DISEASE LAWS; PROVIDING AUTHORITY TO SUSPEND OR REVOKE CERTIFICATION; SPECIFYING VIOLATIONS AND A PENALTY; CLARIFYING THE DEFINITION OF "INDEPENDENT CONTRACTOR"; DECLARING LEGISLATIVE INTENT FOR A CONCLUSIVE PRESUMPTION REGARDING AN INDEPENDENT CONTRACTOR EXEMPTION CERTIFICATE; ALLOWING AN INDEPENDENT CONTRACTOR TO OPT OUT OF WORKERS' COMPENSATION AND OCCUPATIONAL DISEASE LAWS; PROVIDING AN EXEMPTION TO THE GENERAL PROHIBITION AGAINST A WAIVER OF STATUTES; REVISING THE DISPUTE APPEAL PERIOD AND PROCESS; REPEALING A REQUIREMENT TO REPORT TO THE STATE COMPENSATION INSURANCE FUND; AMENDING SECTIONS 39-8-102, 39-51-201, 39-51-204, 39-71-105, 39-71-117, 39-71-401, 39-71-409, 39-71-415, AND 39-72-102, MCA; REPEALING SECTIONS 39-51-604 AND 39-71-120, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE AND AN APPLICABILITY DATE.

WHEREAS, the Montana Supreme Court ruled in *Wild v. Fregein Construction*, 2003 MT 115, 315 Mont. 425, 68 P.3d 855, that the independent contractor exemption certificate does not raise a conclusive presumption as to the status of a person as an independent contractor and that an employer has an obligation to determine whether an individual is treated as an independent contractor or as an employee; and

WHEREAS, the Montana Supreme Court in the *Wild* decision ruled that it is against the public policy of the state for an employer to coerce a worker to work as an independent contractor by offering to pay an independent contractor at a rate higher than the employer pays employees; and

WHEREAS, the Montana Supreme Court in the *Wild* decision affirmed the twin determinants of independent contractor status as being "A" issues of control and "B" whether the individual is in an independent business, commonly known as the "A-B" test, and emphasized the necessity of both factors being present, with performing work for other persons being an indication of an independent business; and

WHEREAS, the concurring opinion in the Wild decision further suggested that the Department of Labor and Industry strengthen the certification process to provide a conclusive determination of independent contractor status; and

WHEREAS, the Wild decision created a great deal of uncertainty in matters involving independent contractors and employees in the business community, with employers and independent contractors coming together to propose a consensus solution after participating in a study required by Senate Bill 270, passed by the 58th Legislature; and

WHEREAS, the Montana Legislature considers enacting legislation appropriate to effectively reverse the Wild decision and to restore the conclusive presumption of an independent contractor exemption certificate as well as to allow employers to pay persons with the independent contractor exemption certificate at a rate higher than the rate paid to employees and additionally to allow a person with an independent contractor exemption certificate to work for only one employing unit without becoming an employee as well as to waive the benefits of the workers' compensation and occupational disease laws.

Be it enacted by the Legislature of the State of Montana:

Section 1. Independent contractor certification. (1) (a) A person who regularly and customarily performs services at a location other than the person's own fixed business location shall apply to the department for an independent contractor exemption certificate unless the person has elected to be bound personally and individually by the provisions of compensation plan No. 1, 2, or 3.

(b) A person who meets the requirements of this section and receives an independent contractor exemption certificate is not required to obtain a personal workers' compensation insurance policy.

(c) For the purposes of this section, "person" means a sole proprietor, a working member of a partnership, a working member of a limited liability partnership, or a working member of a member-managed limited liability company.

(2) The department shall adopt rules relating to an original application for or renewal of an independent contractor exemption certificate. The department shall adopt by rule the amount of the fee for an application or certificate renewal. The application or renewal must be accompanied by the fee.

(3) The department shall deposit the application or renewal fee in an account in the state special revenue fund to pay the costs of administering the program.

(4) (a) To obtain an independent contractor exemption certificate, the applicant shall swear to and acknowledge the following:

(i) that the applicant has been and will continue to be free from control or direction over the performance of the person's own services, both under contract and in fact; and

(ii) that the applicant is engaged in an independently established trade, occupation, profession, or business and will provide sufficient documentation of that fact to the department.

(b) For the purposes of subsection (4)(a)(i), an endorsement required for licensure, as provided in 37-47-303, does not imply or constitute control.

(5) An applicant for an independent contractor exemption certificate shall submit an application under oath on a form prescribed by the department and containing the following:

- (a) the applicant's name and address;
- (b) the applicant's social security number;
- (c) each occupation for which the applicant is seeking independent contractor certification; and

(d) other documentation as provided by department rule to assist in determining if the applicant has an independently established business.

(6) The department shall issue an independent contractor exemption certificate to an applicant if the department determines that an applicant meets the requirements of this section.

(7) (a) When the department approves an application for an independent contractor exemption certificate and the person is working under the independent contractor exemption certificate, the person's status is conclusively presumed to be that of an independent contractor.

(b) A person working under an approved independent contractor exemption certificate has waived all rights and benefits under the Workers' Compensation Act and the Occupational Disease Act of Montana and is precluded from obtaining benefits under either of those acts unless the person has elected to be bound personally and individually by the provisions of compensation plan No. 1, 2, or 3.

(c) For the purposes of the Workers' Compensation Act and the Occupational Disease Act of Montana, a person is working under an independent contractor exemption certificate if:

(i) the person is performing work in the trade, business, occupation, or profession listed on the person's independent contractor exemption certificate; and

(ii) the hiring agent and the person holding the independent contractor exemption certificate do not have a written or an oral agreement that the independent contractor exemption certificate holder's status with respect to that hiring agent is that of an employee.

(8) Once issued, an independent contractor exemption certificate remains in effect for 2 years unless:

- (a) suspended or revoked pursuant to [section 2]; or
- (b) canceled by the independent contractor.

(9) If the department denies an application for an independent contractor exemption certificate, the applicant may contest the denial by petitioning the workers' compensation court within 30 days of the mailing of the denial.

Section 2. Suspension or revocation of independent contractor exemption certificate. (1) The department may suspend an independent contractor exemption certificate for a specific business relationship if the department determines that the employing unit exerts or retains a right of control to a degree that causes a certificate holder to violate the provisions of [section 1(4)].

(2) The department may revoke an independent contractor exemption certificate after determining that the certificate holder:

- (a) provided misrepresentations in the application affidavit or certificate renewal form;

(b) altered or amended the application form, the renewal application form, other supporting documentation required by the department, or the independent contractor exemption certificate; or

(c) failed to cooperate with the department in providing information relevant to the continued validity of the holder's certificate.

(3) A decision by the department to suspend or revoke an independent contractor exemption certificate takes effect upon issuance of the decision. Suspension or revocation of the independent contractor exemption certificate does not invalidate the certificate holder's waiver of the rights and benefits of the Workers' Compensation Act and Occupational Disease Act of Montana for the period prior to notice to the hiring agent by the department of the department's decision to suspend or revoke the independent contractor exemption certificate.

(4) A decision by the department to suspend or revoke an independent contractor exemption certificate may be appealed in the same manner as provided in [section 1(9)] for denial of an application for an independent contractor exemption certificate.

Section 3. Independent contractor violations — penalty. (1) A person may not:

(a) perform work as an independent contractor without first:

(i) obtaining from the department an independent contractor exemption certificate unless the individual is not required to obtain an independent contractor exemption certificate pursuant to [section 1(1)(a)]; or

(ii) electing to be bound personally and individually by the provisions of compensation plan No. 1, 2, or 3;

(b) perform work as an independent contractor when the department has revoked or denied the independent contractor's exemption certificate;

(c) transfer to another person or allow another person to use an independent contractor exemption certificate that was not issued to that person;

(d) alter or falsify an independent contractor exemption certificate; or

(e) misrepresent the person's status as an independent contractor.

(2) An employer may not:

(a) require an employee through coercion, misrepresentation, or fraudulent means to adopt independent contractor status to avoid the employer's obligations to provide workers' compensation coverage; or

(b) exert control to a degree that causes the independent contractor to violate the provisions of [section 1(4)].

(3) In addition to any other penalty or sanction provided in this chapter, a person or employer who violates a provision of this section is subject to a fine to be assessed by the department of up to \$1,000 for each violation. The department shall deposit the fines in the uninsured employers' fund. The lien provisions of 39-71-506 apply to any assessed fines.

(4) A person or employer who disputes a fine assessed by the department pursuant to this section may file an appeal with the department within 30 days of the date on which the fine was assessed. If, after mediation, the issue is not resolved, the issue must be transferred to the workers' compensation court for resolution.

“39-71-105. Declaration of public policy. For the purposes of interpreting and applying Title 39, chapters 71 and 72, the following is the public policy of this state:

(1) ~~It is an~~ An objective of the Montana workers’ compensation system is to provide, without regard to fault, wage supplement and medical benefits to a worker suffering from a work-related injury or disease. Wage-loss benefits are

not intended to make an injured worker whole; ~~they~~ but are intended to assist a worker at a reasonable cost to the employer. Within that limitation, the wage-loss benefit should bear a reasonable relationship to actual wages lost as a result of a work-related injury or disease.

(2) It is the intent of the legislature to assert that a conclusive presumption exists that recognizes that a holder of a current, valid independent contractor exemption certificate issued by the department is an independent contractor if the person is working under the independent contractor exemption certificate. The holder of an independent contractor exemption certificate waives the rights, benefits, and obligations of Title 39, chapters 71 and 72, unless the person has elected to be bound personally and individually by the provisions of compensation plan No. 1, 2, or 3.

~~(2)(3)~~ A worker's removal from the ~~work force due to~~ workforce because of a work-related injury or disease has a negative impact on the worker, the worker's family, the employer, and the general public. Therefore, it is an objective of the workers' compensation system is to return a worker to work as soon as possible after the worker has suffered a work-related injury or disease.

~~(3)(4)~~ Montana's workers' compensation and occupational disease insurance systems are intended to be primarily self-administering. Claimants should be able to speedily obtain benefits, and employers should be able to provide coverage at reasonably constant rates. To meet these objectives, the system must be designed to minimize reliance upon lawyers and the courts to obtain benefits and interpret liabilities.

~~(4)(5)~~ Title 39, chapters 71 and 72, must be construed according to their terms and not liberally in favor of any party.

~~(5)(6)~~ It is the intent of the legislature that stress claims, often referred to as "mental-mental claims" and "mental-physical claims", are not compensable under Montana's workers' compensation and occupational disease laws. The legislature recognizes that these claims are difficult to objectively verify and that the claims have a potential to place an economic burden on the workers' compensation and occupational disease system. The legislature also recognizes that there are other states that do not provide compensation for various categories of stress claims and that stress claims have presented economic problems for certain other jurisdictions. In addition, not all injuries are compensable under the present system, as is the case with repetitive injury claims, and it is within the legislature's authority to define the limits of the workers' compensation and occupational disease system."

Section 8. Section 39-71-117, MCA, is amended to read:

The presumption may be rebutted by substantial credible evidence of the following:

(a) the person, association, contractor, firm, limited liability company, limited liability partnership, or corporation, other than a temporary service contractor, furnishing the services of a worker to another retains control over all aspects of the work performed by the worker, both at the inception of employment and during all phases of the work; and

(ii) The department shall calculate the average annual growth rate of the Montana gross state product, as published by the bureau of economic analysis of the United States department of commerce, for the following periods:

(A) the last 4 calendar years for which the information has been published; and

(B) the 4 calendar years beginning with the year before the first year in the period referred to in subsection (3)(a)(ii)(A).

(iii) The department shall calculate the average annual growth rate of Montana personal income, as published by the bureau of economic analysis of the United States department of commerce, for the following periods:

(A) the last 4 calendar years for which the information has been published; and

(B) the 4 calendar years beginning with the year before the first year in the period referred to in subsection (3)(a)(iii)(A).

(b) (i) ~~For fiscal year 2004 and subsequent fiscal years, the~~ *The* entitlement share pool growth rate for the first year of the biennium must be the following percentage of the average of the growth rates calculated in subsections (3)(a)(ii)(B) and (3)(a)(iii)(B):

(A) for counties, 54%;

(B) for consolidated local governments, 62%; and

(C) for incorporated cities and towns, 70%.

(ii) The entitlement share pool growth rate for the second year of the biennium must be the following percentage of the average of the growth rates calculated in subsections (3)(a)(ii)(A) and (3)(a)(iii)(A):

(A) for counties, 54%;

(B) for consolidated local governments, 62%; and

(C) for incorporated cities and towns, 70%.

(4) As used in this section, "local government" means a county, a consolidated local government, an incorporated city, and an incorporated town. A local government does not include a tax increment financing district provided for in subsection (6). For purposes of calculating the base year component for a county or consolidated local government, the department shall include the

revenue listed in subsection (1) for all special districts within the county or consolidated local government. The county or consolidated local government is responsible for making an allocation from the county's or consolidated local government's share of the entitlement share pool to each special district within the county or consolidated local government in a manner that reasonably reflects each special district's loss of revenue sources listed in subsection (1).

(5) (a) The entitlement share pools calculated in this section and the block grants provided for in subsection (6) are statutorily appropriated, as provided in 17-7-502, from the general fund to the department for distribution to local governments. Each local government is entitled to a pro rata share of each year's entitlement share pool based on the local government's base component in relation to the base year entitlement share pool. The distributions must be made on a quarterly basis ~~beginning September 15, 2001.~~

(b) (i) ~~For fiscal year 2002, the growth amount is the difference between the fiscal year 2002 entitlement share pool and the base year entitlement share pool. For fiscal year 2002, a county may have a negative base year component. For fiscal year 2003 and each succeeding fiscal year, the~~ *The* growth amount is the difference between the entitlement share pool in the current fiscal year and the entitlement share pool in the previous fiscal year. For the purposes of subsection (5)(b)(ii)(A), a county with a negative base year component has a base year component of zero. The growth factor in the entitlement share must be calculated separately for:

- (A) counties;

(b) The petition may be modified for different relief at any time within the discretion of the court.

(c) A petition for temporary legal custody may be the initial petition filed in a case.

(d) A petition for the termination of the parent-child legal relationship may be the initial petition filed in a case if a request for a determination that preservation or reunification services need not be provided is made in the petition.

(2) The county attorney, attorney general, or an attorney hired by the county shall file all petitions under this chapter. A petition filed by the county attorney, attorney general, or an attorney hired by the county must be accompanied by:

(3) Abuse and neglect petitions must be given highest preference by the court in setting hearing dates.

(4) An abuse and neglect petition is a civil action brought in the name of the state of Montana. The Montana Rules of Civil Procedure and the Montana Rules of Evidence apply except as modified in this chapter. Proceedings under a petition are not a bar to criminal prosecution.

(5) (a) Except as provided in subsection (5)(b), the person filing the abuse and neglect petition has the burden of presenting evidence required to justify the relief requested and establishing:

Any foster parent, preadoptive parent, or relative caring for the child must be given legal notice by the attorney filing the petition of all judicial hearings for the child and must be given an opportunity to be heard. (b) A foster parent, preadoptive parent, or relative of the child who is caring for or a relative of the child who has cared for a child who is the subject of the petition who appears at a hearing set pursuant to this section may be allowed by the court to intervene in the action if the court, after a hearing in which evidence is presented on those subjects provided for in 41-3-437(4), determines that the intervention of the person is in the best interests of the child. A person granted intervention pursuant to this subsection is entitled to participate in the adjudicatory hearing held pursuant to 41-3-437 and to notice and participation in subsequent proceedings held pursuant to this chapter involving the custody of the child.

(10) An abuse and neglect petition must:

(c) state the names, addresses, and relationship to the child of all persons who are necessary parties to the action.

~~(11) The court may at any time on its own motion or the motion of any party appoint counsel for any indigent party. If an indigent parent is not already represented by counsel, counsel must be appointed for an indigent parent at the time that a request is made for a determination that preservation or reunification services need not be provided.~~

If a court orders an alternative dispute resolution proceeding, a party who does not wish to participate may file a motion objecting to the order. If the department is a party to the original proceeding, a representative of the department who has complete authority to settle the issue or issues in the original proceeding must be present at any alternative dispute resolution proceeding.

(13) Service of a petition under this section must be accompanied by a written notice advising the child's parent, guardian, or other person having physical or legal custody of the child of the:

(c) timelines for hearings and determinations required under this chapter.

(14) If appropriate, orders issued under this chapter must contain a notice provision advising a child's parent, guardian, or other person having physical or legal custody of the child that:

(b) if a child has been in foster care for 15 of the last 22 months, state law presumes that termination of parental rights is in the best interests of the child and the state is required to file a petition to terminate parental rights; and

(c) completion of a treatment plan does not guarantee the return of a child.

(15) A court may appoint a standing master to conduct hearings and propose decisions and orders to the court for court consideration and action. A standing master may not conduct a proceeding to terminate parental rights. A standing master must be a member of the state bar of Montana and must be knowledgeable in the area of child abuse and neglect laws."

Reasonable efforts include but are not limited to voluntary protective services agreements, development of individual written case plans specifying state efforts to reunify families, placement in the least disruptive setting possible, provision of services pursuant to a case plan, and periodic review of each case to ensure timely progress toward reunification or permanent placement. (8) If a child who has been removed from the child's home is not returned home after the show cause hearing or if removal is ordered, the parents or parent, guardian, or other person or agency having physical or legal custody of the child named in the petition may request that a citizen review board, if available pursuant to part 10 of this chapter, review the case within 30 days of the show cause hearing and make a recommendation to the district court, as provided in 41-3-1010.

Section 51. Section 46-18-101, MCA, is amended to read:

"46-18-101. Correctional and sentencing policy. (1) It is the purpose of this section to establish the correctional and sentencing policy of the state of Montana. Laws for the punishment of crime are drawn to implement the policy established by this section.

(2) The correctional and sentencing policy of the state of Montana is to:

(a) punish each offender commensurate with the nature and degree of harm caused by the offense and to hold an offender accountable;

(b) protect the public, reduce crime, and increase the public sense of safety by incarcerating violent offenders and serious repeat offenders;

(c) provide restitution, reparation, and restoration to the victim of the offense; and

(3) To achieve the policy outlined in subsection (2), the state of Montana adopts the following principles:

(a) Sentencing and punishment must be certain, timely, consistent, and understandable.

(f) Sentencing practices must provide alternatives to imprisonment for the punishment of those nonviolent felony offenders who do not have serious criminal records.

(g) Sentencing and correctional practices must emphasize that the offender is responsible for obeying the law and must hold the offender accountable for the offender's actions.

(h) Sentencing practices must emphasize restitution to the victim by the offender. A sentence must require an offender who is financially able to do so to pay restitution, costs as provided in 46-18-232, costs of ~~court-appointed~~ assigned counsel, as provided in 46-8-113, and, if the offender is a sex offender, costs of any chemical treatment.

Section 60. Section 53-24-302, MCA, is amended to read:

"53-24-302. Involuntary commitment of alcoholics — rights. (1) A person may be committed to the custody of the department by the district court

upon the petition of the person's spouse or guardian, a relative, the certifying physician, or the chief of any approved public treatment facility. The petition must allege that the person is an alcoholic who habitually lacks self-control as to the use of alcoholic beverages and that the person has threatened, attempted, or inflicted physical harm on another and that unless committed is likely to inflict physical harm on another or is incapacitated by alcohol. A refusal to undergo treatment does not constitute evidence of lack of judgment as to the need for treatment. The petition must be accompanied by a certificate of a licensed physician who has examined the person within 2 days before submission of the petition unless the person whose commitment is sought has refused to submit to a medical examination, in which case the fact of refusal must be alleged in the petition. The certificate must set forth the physician's findings in support of the allegations of the petition. A physician employed by the admitting facility or the department is not eligible to be the certifying physician.

(2) Upon filing the petition, the court shall fix a date for a hearing no later than 10 days after the date the petition was filed. A copy of the petition and of the notice of the hearing, including the date fixed by the court, must be served on the petitioner, the person whose commitment is sought, the person's next of kin other than the petitioner, a parent or the person's legal guardian if the person is a minor, the administrator in charge of the approved public treatment facility to which the person has been committed for emergency care, and any other person the court believes advisable. A copy of the petition and certificate must be delivered to each person notified.

(3) At the hearing, the court shall hear all relevant testimony, including, if possible, the testimony of at least one licensed physician who has examined the person whose commitment is sought. The person has a right to have a licensed physician of the person's own choosing conduct an examination and testify on the person's behalf. If the person has no funds with which to pay the physician, the reasonable costs of one examination and testimony must be paid by the county. The person must be present unless the court believes that the person's presence is likely to be injurious to the person. ~~The person must be advised of the right to counsel, and if the person is unable to hire counsel, the court shall appoint an attorney to represent the person at the expense of the county.~~ The court shall examine the person in open court or, if advisable, shall examine the person in chambers. If the person refuses an examination by a licensed physician and there is sufficient evidence to believe that the allegations of the petition are true or if the court believes that more medical evidence is necessary, the court may make a temporary order committing the person to the department for a period of not more than 5 days for purposes of a diagnostic examination.

(4) If after hearing all relevant evidence, including the results of any diagnostic examination by the department, the court finds that grounds for involuntary commitment have been established by clear and convincing evidence, it shall make an order of commitment to the department. The court may not order commitment of a person unless it determines that the department is able to provide adequate and appropriate treatment for the person and that the treatment is likely to be beneficial.

(5) A person committed under this section must remain in the custody of the department for treatment for a period of 40 days unless sooner discharged. At the end of the 40-day period, the person must automatically be discharged unless before expiration of the period the department obtains a court order from the district court of the committing district for the person's recommitment upon the grounds set forth in subsection (1) for a further period of 90 days unless

sooner discharged. If a person has been committed because the person is an alcoholic likely to inflict physical harm on another, the department shall apply for recommitment if after examination it is determined that the likelihood still exists.

(6) A person recommitment under subsection (5) who has not been discharged by the department before the end of the 90-day period must be discharged at the expiration of that period unless before expiration of the period the department obtains a court order from the district court of the committing district on the grounds set forth in subsection (1) for recommitment for a further period not to exceed 90 days. If a person has been committed because the person is an alcoholic likely to inflict physical harm on another, the department shall apply for recommitment if after examination it is determined that the likelihood still exists. Only two recommitment orders under subsections (5) and (6) are permitted.

(7) Upon the filing of a petition for recommitment under subsection (5) or (6), the court shall fix a date for hearing no later than 10 days after the date the petition was filed. A copy of the petition and of the notice of hearing, including the date fixed by the court, must be served on the petitioner, the person whose commitment is sought, the person's next of kin other than the petitioner, the original petitioner under subsection (1) if different from the petitioner for recommitment, one of the person's parents or the person's legal guardian if the person is a minor, and any other person the court believes advisable. At the hearing, the court shall proceed as provided in subsection (3).

(8) A person committed to the custody of the department for treatment must be discharged at any time before the end of the period for which the person has been committed if either of the following conditions is met:

(a) in case of an alcoholic committed on the grounds of likelihood of infliction of physical harm upon another, that the person is no longer in need of treatment or the likelihood no longer exists; or

(b) in case of an alcoholic committed on the grounds of incapacity and the need of treatment, that the incapacity no longer exists, further treatment will not be likely to bring about significant improvement in the person's condition, or treatment is no longer adequate or appropriate.

(9) The court shall inform the person whose commitment or recommitment is sought of the person's right to contest the application, be represented by counsel at every stage of any proceedings relating to the person's commitment and recommitment, and have *assigned* counsel ~~appointed by the court or provided by the court pursuant to the Montana Public Defender Act, [sections 1 through 4 and 6 through 14]~~, if the person wants the assistance of counsel and is unable to obtain *private* counsel. If the court believes that the person needs the assistance of counsel, the court shall ~~require, by appointment if necessary, order the office of state public defender, provided for in [section 7], to assign~~ counsel for the person regardless of the person's wishes. The person whose commitment or recommitment is sought must be informed of the right to be examined by a licensed physician of the person's choice. If the person is unable to obtain a licensed physician and requests examination by a physician, the court shall employ a licensed physician.

(10) If a private treatment facility agrees with the request of a competent patient or the patient's parent, sibling, adult child, or guardian to accept the patient for treatment, the department may transfer the patient to the private treatment facility.

(11) A person committed under this section may at any time seek to be discharged from commitment by writ of habeas corpus or other appropriate means.

(b) at its option, give notice of the sale and sell the refunding bonds in the same manner that other special improvement district bonds are sold.

(3) After the adoption of the required resolution or resolutions, the council may:

(a) sell the refunding bonds at a private negotiated sale; or

(b) at its option, give notice of the sale and sell the refunding bonds in the same manner that other special improvement district bonds are sold.

(ii) the refunding bonds are to bear interest at a variable rate and the city council determines that the issuance of variable rate refunding bonds is reasonably expected to result in less interest payable on the refunding bonds than the interest payable on the refunded bonds; or

(iii) the bonds to be refunded bear interest at a variable rate, and the council determines that the issuance of fixed rate refunding bonds is in the best interest of the owners of property in the district and the city or the council determines that the issuance of variable rate refunding bonds based on a different index or formula than that of the refunded bonds is reasonably expected to result over

the remaining term of the bonds to be refunded in an interest rate at least 1/2 of 1% a year less than the rate of interest on the refunded bonds;

(b) there is, or will be on the next payment date, default in the payment of bond principal or interest; or

(5) (a) Refunding bonds issued pursuant to this section may be issued to refund outstanding bonds in advance of the date on which the bonds mature or are subject to redemption, but the proceeds of the refunding bonds, less any accrued interest or premium received from their sale, must be deposited with other funds appropriated for the payment of the outstanding bonds in escrow with a suitable banking institution or trust company, which may be located either in or out of the state.

(b) Deposited funds must be invested in securities that are general obligations of the United States or securities the principal of and interest on which are guaranteed by the United States. The securities must mature or be callable at the option of the holder on the dates and bear interest at the rates and be payable on the dates as may be required to provide funds sufficient, with any cash deposited in the escrow account, to pay when due:

(i) the interest to accrue on each refunded bond to its maturity or redemption date, if called for redemption;

(ii) the principal on each refunded bond at maturity or upon the redemption date; and

(iii) any redemption premium.

(c) The escrow account must be irrevocably appropriated to the payment of the principal of an interest and redemption premium, if any, on the refunded bonds.

(d) Funds to the credit of the debt service fund for the payment of the refunded bonds and not required for the payment of principal or interest due prior to issuance of the refunding bonds may be appropriated by the council to the escrow account.

(e) The city may pay the reasonable costs and expenses of printing the refunding bonds and of establishing and maintaining the escrow account.

(6) Refunding bonds may be issued under this section to pay principal of or interest on special improvement district bonds outstanding on April 30, 1985, only if:

(a) the proceeds of the refunding bonds do not redeem the outstanding bonds until one-third or more of the term for which the bonds were issued has expired;

(b) there is a deficiency in the bond account or interest account of the special improvement district fund from which the bonds are payable that will not be satisfied by a loan from the revolving fund; or

(c) 50% or more of the installments of special assessments levied in the special improvement district and payable in a single fiscal year have been delinquent for at least 1 year.”

Section 6. Section 15-70-522, MCA, is amended to read:

"15-70-522. Tax incentive for production of alcohol — ~~written plan required — reservation of incentives —~~ rules. (1) (a) If the alcohol was produced in Montana from Montana agricultural products, including Montana wood or wood products, or if the alcohol was produced from non-Montana agricultural products when Montana products are not available, there is a tax incentive payable to alcohol distributors for distilling alcohol that:

- (i) is to be blended with gasoline for sale as gasohol in Montana;
- (ii) was exported from Montana to be blended with gasoline for sale as gasohol; or
- (iii) is to be used in the production of ethyl butyl ether for use in reformulated gasoline.

(b) Payment must be made by the department out of the amount collected under 15-70-204.

(2) Except as provided in subsections (3) and (4), the tax incentive on each gallon of alcohol distilled in accordance with subsection (1) is ~~30~~ 20 cents a gallon for each gallon that is 100% produced from Montana products, with the amount of the tax incentive for each gallon reduced proportionately, based upon the amount of agricultural or wood products not produced in Montana that is used in the production of the alcohol. ~~Beginning July 1, 2010, there is no tax incentive. The tax incentive is available to a facility for the first 6 years from the date that the facility begins production. The facility shall file a business plan with the department at least 2 years before the estimated beginning date of production. After the initial business plan is filed, the facility shall provide the department with quarterly updates regarding any changes to the business plan.~~

(3) Regardless of the alcohol tax incentive provided in subsection (2):

(a) the total payments made for the incentive under this part may not exceed \$6 million in any consecutive 12-month period;

(b) a plant or facility is not eligible to receive the tax incentive unless the facility paid the standard prevailing rate of wages for heavy construction, as provided in 18-2-401(13)(a), during the construction phase; and

(c) an alcohol distributor is not eligible to receive the tax incentive unless at least:

(i) 20% Montana product is used to produce alcohol at the facility in the first year of production;

(ii) 25% Montana product is used to produce alcohol at the facility in the second year of production;

(iii) 35% Montana product is used to produce alcohol at the facility in the third year of production;

(iv) 45% Montana product is used to produce alcohol at the facility in the fourth year of production;

(v) 55% Montana product is used to produce alcohol at the facility in the fifth year of production; and

(vi) 65% Montana product is used to produce alcohol at the facility in the sixth year of production.

(4) (a) An alcohol distributor may not receive tax incentive payments under subsection (2) that exceed \$2 million in any consecutive 12-month period. Subject to subsections (5) and (6), an alcohol distributor may receive tax incentive payments commencing the first quarter after a facility begins production. The distributor shall report its production to the department pursuant to 15-70-205.

(b) The distributor's report must include:

(i) the total number of gallons produced for the month;

(ii) the total amount of products purchased for the production of alcohol;

(iii) the percentage of the total amount of products purchased that are Montana products; and

(iv) other information that the department determines is necessary.

~~(5) An alcohol distributor may not receive tax incentive payments under subsection (2) unless the distributor has provided a written business plan to the department of transportation at least 24 months before the distributor's anticipated collection of the tax incentives and has complied with the schedule provided for in subsection (6). The plan must contain the following information:~~

~~(a) the source or sources of financing for the acquisition of the plant, land, and equipment used for the production of alcohol for use in gasohol;~~

~~(b) the anticipated source of agricultural products used in the production of alcohol for use in gasohol; and~~

~~(c) the anticipated time, quantity, and duration of production of alcohol for use in gasohol.~~

~~(6) An applicant that has provided the department with a written business plan shall meet the following schedule to be able to receive alcohol tax incentive payments:~~

~~(a) start building construction or remodeling within 24 months of the date on which the department received the business plan;~~

~~(b) complete 50% of construction or remodeling of a production facility within 36 months of the date on which the business plan was received; and~~

~~(7) If the applicant does not adhere to the schedule in subsection (6), the applicant loses its priority for receiving incentive payments.~~

~~(8)~~(5) (a) A plant shall apply for the incentive payment by submitting an application to the department when the plant has proof of commitment from lenders to finance the plant. Subject to subsection (5)(b), the department shall

respond to the applicant with approval of the application within 45 days of receipt of the application, after confirming the lending commitment. Upon approval of the application, the department shall enter into a contract with the plant that ensures the state's commitment to pay incentive payments to qualifying ethanol plants.

(b) If the department is not able to confirm a lending commitment, the department shall deny the application.

(6) After the department has verified production, the application provisions of subsection (5) are met, and the plant owner presents proof of financing, the department shall begin payments of the alcohol tax incentives based on actual production according to the terms of ~~subsection~~ subsections (2) and (4).

~~*(9) The department shall reserve, in the order that written plans required under subsection (5) are received by the department, alcohol tax incentives based on the anticipated time, quantity, and duration of production.*~~

~~*(10) A new tax incentive payment may not be made if the total tax incentive established in subsection (3) has been reserved or paid. If an alcohol tax incentive has been reduced or canceled, the amount by which the tax incentive has been reduced or canceled is available for reservation as provided in subsection (9).*~~

Section 7. Section 17-6-317, MCA, is amended to read:

"17-6-317. Participation by private financial institutions — rulemaking. (1) (a) The board may jointly participate with private financial institutions in making loans to a business enterprise if the loan will:

(i) result in the creation of a business estimated to employ at least 10 people in Montana on a permanent, full-time basis;

(ii) result in the expansion of a business estimated to employ at least an additional 10 people in Montana on a permanent, full-time basis; or

(iii) prevent the elimination of the jobs of at least 10 Montana residents who are permanent, full-time employees of the business.

(b) Loans under this section may be made only to business enterprises that are producing or will produce value-added products or commodities.

(c) A loan made pursuant to this section does not qualify for a job credit interest rate reduction under 17-6-318.

(2) A loan made pursuant to this section may not exceed 1% of the coal severance tax permanent fund and must comply with each of the following requirements:

(a) (i) The business enterprise seeking a loan must have a cash equity position equal to at least 25% of the total loan amount.

(ii) A participating private financial institution may not require the business to have an equity position greater than 50% of the total loan amount.

(iii) If additional security or guarantees, exclusive of federal guarantees, are required to cover a participating private financial institution, then the

additional security or guarantees must be proportional to the amount loaned by all participants, including the board of investments.

(b) The board shall provide 75% of the total loan amount.

(c) The term of the loan may not exceed 15 years.

(d) The board shall charge interest at the following annual rate:

(i) 2% for the first 5 years if 15 or more jobs are created or retained;

(ii) 4% for the first 5 years if 10 to 14 jobs are created or retained;

(iii) 6% for the second 5 years; and

(iv) the board's posted interest rate for the third 5 years, but not to exceed 10% a year.

(e) (i) The interest rates in subsections (2)(d)(i) and (2)(d)(ii) become effective when the board receives certification that the required number of jobs has been created or as provided in subsection (2)(e)(ii). If the board disburses loan proceeds prior to creation of the required jobs, the loan must bear interest at the board's posted rate.

(ii) In establishing interest rates under subsections (2)(d)(i) and (2)(d)(ii) for preventing the elimination of jobs, the board shall require the submission of financial data that allows the board to determine if the loan and interest rate will in fact prevent the elimination of jobs.

(f) If a business entitled to the interest rate in subsection (2)(d)(i) or (2)(d)(ii) reduces the number of required jobs, the board may apply a graduated scale to increase the interest rate, not to exceed the board's posted rate.

(g) For purposes of calculating job creation or retention requirements, the board shall use the average weekly salary, as defined in 39-71-116, multiplied by the number of jobs required. This calculated number is the minimum aggregate salary threshold that is required to be eligible for a reduced interest rate. If individual jobs created pay less than the average weekly salary, the borrower shall create more jobs to meet the minimum aggregate salary threshold. If fewer jobs are created or retained than required in subsection (2)(d)(i) or (2)(d)(ii) but aggregate salaries meet the minimum aggregate salary threshold, the borrower is eligible for the reduced interest rate. A job paying less than the minimum wage, provided for in 39-3-409, may not be included in the required number of jobs.

(h) (i) A participating private financial institution may charge interest in an amount equal to the national prime interest rate, adjusted on January 1 of each year, but the interest rate may not be less than 6% or greater than 12%.

(ii) At the borrower's discretion, the borrower may request the lead lender to change this prime rate to an adjustable or fixed rate on terms acceptable to the borrower and lender.

(iii) A participating private financial institution, or lead private financial institution if more than one is participating, may charge a 0.5% annual service fee.

(i) The business enterprise may not be charged a loan prepayment penalty.

(j) The loan agreement must contain provisions providing for pro rata lien priority and pro rata liquidation provisions based upon the loan percentage of the board and each participating private lender.

(3) If a portion of a loan made pursuant to this section is for construction, disbursement of that portion of the loan must be made based upon the percentage of completion to ensure that the construction portion of the loan is advanced prior to completion of the project.

(4) A private financial institution shall participate in a loan made pursuant to this section to the extent of 85% of its lending limit or 25% of the loan, whichever is less. However, the board's participation in the loan must be 75% of the loan amount.

(5) (a) *A Except as provided in subsection (5)(b), a business enterprise receiving a loan under the provisions of this section may not pay bonuses or dividends to investors until the loan has been paid off, except that incentives may be paid to employees for achieving performance standards or goals.*

(b) A business enterprise for the production of alcohol to be used as provided in Title 15, chapter 70, part 5, may pay dividends to investors and bonuses to employees if the business enterprise is current on its loan payments and has available funds equal to at least 15% of the outstanding principal balance of the loan.

(6) The board may adopt rules that it considers necessary to implement this section."

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 33-1-318, MCA, is amended to read:

“33-1-318. Injunctions and other remedies. (1) Whenever it appears to the commissioner that a person has engaged in or is about to engage in an act or practice constituting a violation of 33-1-107, 33-1-501, 33-1-1302, 33-14-201, chapters 2, 16 through 18, and 30 of this title, [sections 4 through 11], part 13 of chapter 20 of this title, or part 4 of chapter 25 of this title, or any rule or order issued under this code, the commissioner may:

(a) issue an order directing the person to cease and desist from continuing the act or practice after reasonable notice and opportunity for a hearing;

(b) issue a temporary cease and desist order that must remain in effect until 10 days after the hearing is held. If the commissioner issues a temporary cease and desist order, the respondent has 15 days from receipt of the order to make a written request for a hearing on the allegations contained in the order. The hearing must be held within 20 days of the commissioner’s receipt of the hearing request unless the time is extended by agreement of the parties. If the respondent does not request a hearing within 15 days of receipt of the order and the commissioner does not order a hearing, the order becomes final.

(c) without the issuance of a cease and desist order, bring an action in a court of competent jurisdiction to enjoin the acts or practices and to enforce compliance with this code or any rule or order issued under this code. Upon a proper showing, a permanent or temporary injunction, restraining order, or

writ of mandamus must be granted and a receiver or conservator may be appointed for the defendant or the defendant's assets. The commissioner may not be required to post a bond.

(2) If a hearing is held on a cease and desist order, both parties have 20 days from the date the hearing is concluded or from the date a transcript of the hearing is filed, if one is requested, to submit proposed findings of fact, conclusions of law, orders, and supporting briefs to the hearings examiner. The parties have an additional 10 days within which to submit comments on the opposing party's proposed findings of fact, conclusions of law, orders, and briefs. A final order must be issued within 30 days of the submission of the comments.

(3) The commissioner may, after giving reasonable notice and an opportunity for a hearing under this section, impose a fine not to exceed \$5,000 for each violation upon a person found to have engaged in an act or practice constituting a violation of a provision of this code or any rule or order issued under this code. The fine is in addition to all other penalties imposed by the laws of this state and must be collected by the commissioner in the name of the state of Montana and deposited in the general fund. Imposition of a fine under this subsection is an order from which an appeal may be taken pursuant to 33-1-711. If a person fails to pay a fine referred to in this subsection, the amount of the fine is a lien upon all of the assets and property of that person in this state and may be recovered by suit by the commissioner and deposited in the general fund. Failure of the person to pay a fine also constitutes a forfeiture of the right to do business in this state under this code."

(2) The commissioner may, after having conducted a hearing pursuant to 33-1-701, impose the penalties provided for in 33-1-317 for a violation of this section. Failure to pay a fine under this section results in a lien upon the assets and property of the person as provided in 33-1-318(3).

(3) In addition to any penalty provided for in 33-1-317, the commissioner may require a person regulated under this title who commits insurance, *medical care discount card*, or *pharmacy discount card* fraud to make full restitution to

The certificate is renewed upon payment by the supplier of a nonrefundable renewal fee of \$100 and expires on the anniversary of its issuance if the renewal fee is not paid before that date. Once issued or renewed, the certificate continues in effect for 1 year unless suspended, revoked, or terminated. The commissioner shall deposit the fees required by this section with the state treasurer, to be credited to the general fund.

Section 9. Medical care discount card supplier financial responsibility requirements — claims against bonds or accounts — exemptions. (1) A person intending to act as a medical care discount card supplier may not market, promote, advertise, or distribute a medical care discount card in this state until the person has purchased a bond or established a surety account and filed with the commissioner a copy of a bond or a statement identifying a surety account depository as provided in this section.

(5) A surety on a medical care discount card company bond may not cancel a bond required by this section without giving at least 21 days' written notice of cancellation to the medical care discount card supplier and the commissioner. If the commissioner receives notice of a surety's intention to cancel a supplier's bond, the commissioner shall notify the affected supplier that, unless the supplier files another \$50,000 surety bond with the commissioner or establishes a \$50,000 surety account on or before the date the bond is to be cancelled, the supplier may no longer do business as a supplier in this state.

(6) A bond surety shall write a bond required by this section and a person intending to act as a medical care discount card supplier shall establish an account in favor of a person, and the commissioner for the benefit of a person, injured by a violation of [sections 4 through 11]. (7) A person with a claim against a medical care discount card supplier's bond or surety account for a violation of a provision of [sections 4 through 11] may maintain an action against the supplier and against either the bond surety or the trustee of the surety account, as appropriate. The aggregate liability of the surety or trustee to a person injured by a violation of [sections 4 through 11] may not exceed the amount of the surety bond or account.

(8) A person acting as a medical care discount card supplier on October 1, 2005, shall file with the commissioner a copy of a surety bond or statement identifying a surety account depository on that date. A person commencing business as a supplier after October 1, 2005, shall file a copy of a bond or statement with the commissioner at least 30 days before commencing business as a supplier.

- (e) shall ensure that each prescription drug provider claimed by the pharmacy discount card supplier to offer a discount in conjunction with the pharmacy discount card is contractually bound to provide that discount to the purchaser or user;
- (f) may not make misleading, deceptive, or fraudulent representations regarding a discount or range of discounts available through the use of a pharmacy discount card;

(g) shall provide to each prospective purchaser or user prior to purchase reasonable access to a list of the benefits and services provided through the use of a pharmacy discount card;

(h) shall provide a prospective purchaser or user prior to purchase access to a list of any prescription drug providers in the prospective purchaser's or user's service area;

(i) shall disclose in all enrollment materials that a pharmacy discount card purchaser or user has 30 days to cancel a pharmacy discount card as provided in [section 7];

(j) shall make available to each pharmacy discount card user continuously after purchase of a pharmacy discount card, through a toll-free telephone number, the internet, and in writing upon request, the name, address, and telephone number of each prescription drug provider in the user's service area, including mail order prescription drug providers, that are bound by contract to offer prescription drugs in accordance with the terms and conditions of the pharmacy discount card; and

- (a) located within 5 miles of the project;
 - (b) constructed within the same 12-month period; and
 - (c) under common ownership.

Section 4. Renewable resource standard — administrative penalty — waiver. (1) Except as provided in subsection (11) and [section 7], a graduated renewable energy standard is established for public utilities as provided in subsections (2) through (4).

(2) In each compliance year beginning January 1, 2008, through December 31, 2009, each public utility shall procure a minimum of 5% of its retail sales of electrical energy in Montana from eligible renewable resources.

(3) (a) In each compliance year beginning January 1, 2010, through December 31, 2014, each public utility shall procure a minimum of 10% of its retail sales of electrical energy in Montana from eligible renewable resources.

(b) As part of their compliance with subsection (3)(a), public utilities shall purchase both the renewable energy credits and the electricity output from community renewable energy projects that total at least 50 megawatts in nameplate capacity.

(c) Public utilities shall proportionately allocate the purchase required under subsection (3)(b) based on each public utility's retail sales of electrical energy in Montana in the calendar year 2009.

(4) (a) In the compliance year beginning January 1, 2015, and in each succeeding compliance year, each public utility shall procure a minimum of 15% of its retail sales of electrical energy in Montana from eligible renewable resources.

(b) (i) As part of their compliance with subsection (4)(a), public utilities shall purchase both the renewable energy credits and the electricity output from community renewable energy projects that total at least 75 megawatts in nameplate capacity.

(ii) In meeting the standard in subsection (4)(b)(i), a public utility may include purchases made under subsection (3)(b).

(c) Public utilities shall proportionately allocate the purchase required under subsection (4)(b) based on each public utility's retail sales of electrical energy in Montana in the calendar year 2014.

(5) (a) In complying with the standards required under subsections (2) through (4), a public utility shall, for any given compliance year, calculate its procurement requirement based on the public utility's previous year's sales of electrical energy to retail customers in Montana.

(b) The standard in subsections (2) through (4) must be calculated on a delivered-energy basis after accounting for any line losses.

(6) A public utility has until 3 months following the end of each compliance year to purchase renewable energy credits for that compliance year.

(7) (a) In order to meet the standard established in subsections (2) through (4), a public utility may only use:

(i) electricity from an eligible renewable resource in which the associated renewable energy credits have not been sold separately;

(ii) renewable energy credits created by an eligible renewable resource purchased separately from the associated electricity; or

(iii) any combination of subsections (7)(a)(i) and (7)(a)(ii).

(b) A public utility may not resell renewable energy credits and count those sold credits against the public utility's obligation to meet the standards established in subsections (2) through (4).

(c) Renewable energy credits sold through a voluntary service such as the one provided for in 69-8-210(4) may not be applied against a public utility's obligation to meet the standards established in subsections (2) through (4).

(8) Nothing in [sections 1 through 8] limits a public utility from exceeding the standards established in subsections (2) through (4).

(9) If a public utility exceeds a standard established in subsections (2) through (4) in any compliance year, the public utility may carry forward the amount by which the standard was exceeded to comply with the standard in either or both of the 2 subsequent compliance years. The carryforward may not be double-counted.

(10) Except as provided in subsection (11), if a public utility is unable to meet the standards established in subsections (2) through (4) in any compliance year, that public utility shall pay an administrative penalty, assessed by the commission, of \$10 for each megawatt hour of renewable energy credits that the public utility failed to procure. A public utility may not recover this penalty in electricity rates. Money generated from these penalties must be deposited in the universal low-income energy assistance fund established in 69-8-412(1)(a).

(11) A public utility may petition the commission for a short-term waiver from full compliance with the standards in subsections (2) through (4) and the penalties levied under subsection (10). The petition must demonstrate that the:

(a) public utility has undertaken all reasonable steps to procure renewable energy credits under long-term contract, but full compliance cannot be achieved either because renewable energy credits cannot be procured or for other legitimate reasons that are outside the control of the public utility; or

(b) integration of additional eligible renewable resources into the electrical grid will clearly and demonstrably jeopardize the reliability of the electrical system and that the public utility has undertaken all reasonable steps to mitigate the reliability concerns.

Section 5. Procurement — cost recovery — reporting. (1) In meeting the requirements of [sections 1 through 8], a public utility shall:

(a) conduct renewable energy solicitations under which the public utility offers to purchase renewable energy credits, either with or without the associated electricity, under contracts of at least 10 years in duration; and

(b) consider the importance of geographically diverse rural economic development when procuring renewable energy credits.

(2) A public utility that intends to enter into contracts of less than 10 years in duration shall demonstrate to the commission that these contracts will provide a lower long-term cost of meeting the standard established in [section 4].

(3) (a) Contracts signed for projects located in Montana must require all contractors to give preference to the employment of bona fide Montana residents, as defined in 18-2-401, in the performance of the work on the projects if the Montana residents have substantially equal qualifications to those of nonresidents.

(b) Contracts signed for projects located in Montana must require all contractors to pay the standard prevailing rate of wages for heavy construction, as provided in 18-2-401(13)(a), during the construction phase of the project.

(4) All contracts signed by a public utility to meet the requirements of [sections 1 through 8] are eligible for advanced approval under procedures established by the commission. Upon advanced approval by the commission, these contracts are eligible for cost recovery from ratepayers, except that nothing in [sections 1 through 8] limits the commission's ability to subsequently, in any future cost-recovery proceeding, inquire into the manner in which the

public utility has managed the contract and to disallow cost recovery if the contract was not reasonably administered.

(5) A public utility shall submit renewable energy procurement plans to the commission in accordance with rules adopted by the commission. The plans must be submitted to the commission on or before:

- (a) January 1, 2007, for the standard required in [section 4(2)];
- (b) June 1, 2008, for the standard required in [section 4(3)];
- (c) June 1, 2013, for the standard required in [section 4(4)]; and
- (d) any additional future dates as required by the commission.

(6) A public utility shall submit annual reports, in a format to be determined by the commission, demonstrating compliance with [sections 1 through 8] for each compliance year. The reports must be filed by March 1 of the year following the compliance year.

Section 6. Commission authority — rulemaking authority. (1) The commission has the authority to generally implement and enforce the provisions of [sections 1 through 8].

(2) The commission shall adopt rules before June 1, 2006, to:

- (a) select a renewable energy credit tracking system to verify compliance with [sections 1 through 8];
- (b) establish a system by which renewable resources become certified as eligible renewable resources;
- (c) define the process by which waivers from full compliance with [sections 1 through 8] may be granted;
- (d) establish procedures under which contracts for eligible renewable resources and renewable energy credits may receive advanced approval;
- (e) define the requirements governing renewable energy procurement plans and annual reports; and
- (f) generally implement and enforce the provisions of [sections 1 through 8].

Section 7. Cost caps. (1) A public utility that has restructured pursuant to Title 69, chapter 8, is not obligated to take electricity from an eligible renewable resource unless the eligible renewable resource has demonstrated through a competitive bidding process that the total cost of electricity from that eligible resource, including the associated cost of ancillary services necessary to manage the transmission grid and firm the resource, is less than or equal to bids for the equivalent quantity of power over the equivalent contract term from other electricity suppliers.

(2) A public utility that has not restructured pursuant to Title 69, chapter 8, is not obligated to take electricity from an eligible renewable resource unless the cost per kilowatt hour of the generation from the renewable resource does not exceed by more than 15% the cost of power from any other alternate generating resource available to the public utility.

Section 8. Cooperative utility — exemption — standard. (1) A cooperative utility is exempt from the graduated renewable energy standard established in [section 4].

(2) Each governing body of a cooperative utility that has 5,000 or more customers is responsible for implementing and enforcing a renewable energy standard for that cooperative utility that recognizes the intent of the legislature

to encourage new renewable energy production and rural economic development, while taking into consideration the effect of the standard on rates, reliability, and financial resources.

Section 9. Saving clause. [This act] does not affect rights and duties that matured, penalties that were incurred, or proceedings that were begun before [the effective date of this act].

Section 10. Severability. If a part of [this act] is invalid, all valid parts that are severable from the invalid part remain in effect. If a part of [this act] is invalid in one or more of its applications, the part remains in effect in all valid applications that are severable from the invalid applications.

Section 11. Codification instruction. [Sections 1 through 8] are intended to be codified as an integral part of Title 69, and the provisions of Title 69 apply to [sections 1 through 8].

Section 12. Effective date. [This act] is effective on passage and approval.

(4) Prior to assignment of a state-assigned vehicle identification number or to confirm a vehicle identification number from the chassis or frame of a custom vehicle, street rod, or specially constructed vehicle, the department may require a vehicle inspection.

Section 3. Registration — custom vehicle, street rod, kit vehicle, or specially constructed vehicle. (1) (a) A custom vehicle or street rod:

(i) that is more than 30 years old may be registered under 61-3-411 as a collector's item; or

(b) The owner of a custom vehicle or street rod that is originally registered under subsection (1)(a) or that was registered prior to January 1, 2006, may be authorized to operate the custom vehicle or street rod while displaying only one license plate on the rear exterior of the vehicle if the owner certifies that the custom vehicle or street rod is not used for general transportation purposes and pays an additional \$10 fee, to be deposited in the state general fund.

(c) (i) Upon original registration of a custom vehicle or street rod under subsection (1)(a)(i), either a set of pioneer or vintage license plates, as described in 61-3-411(2), or a set of original Montana license plates, as allowed under 61-3-412(1), must be assigned and issued to the custom vehicle or street rod.

(ii) Upon original registration of a custom vehicle or street rod under subsection (1)(a)(ii) and unless the owner has applied for personalized license plates, special license plates for military personnel, veterans, or spouses, collegiate plates, or generic specialty license plates or has met the requirements of subsection (1)(b), a set of standard license plates must be assigned to the vehicle under 61-3-331.

(iii) Upon original registration of a custom vehicle or street rod under subsection (1)(a)(ii) and if the owner of a custom vehicle or street rod has met the requirements of subsection (1)(b), a single license plate, including a personalized standard license plate, special license plate for military personnel, veterans, or spouses, collegiate plate, or generic specialty license plate, if otherwise available to the vehicle owner or vehicle type, may be issued for the custom vehicle or street rod.

Section 4. Section 61-3-301, MCA, is amended to read:

"61-3-301. Registration — license plate required — display. (1) (a) Except as otherwise provided in this chapter subsection (1)(b), a person may not operate a motor vehicle upon the public highways of Montana unless the vehicle is properly registered and has the proper number plates conspicuously displayed, one on the front and one on the rear of the vehicle, each securely fastened to prevent it from swinging and unobstructed from plain view, except that vehicles authorized to display demonstrator plates under 61-4-125 or 61-4-129 may have only one number plate conspicuously displayed on the rear. A person may not display on a vehicle at the same time a number assigned to it under any motor vehicle law except as provided in this chapter. A junk vehicle, as defined in Title 75, chapter 10, part 5, being driven or towed to an auto wrecking graveyard for disposal is exempt from the provisions of this section.

(b) *A custom vehicle or street rod registered under [section 3(1)(b) or (1)(c)(iii)] may display a single license plate firmly attached to the rear exterior of the custom vehicle or street rod.*

(2) A person may not purchase or display on a vehicle a license plate bearing the number assigned to any county, as provided in 61-3-332, other than the county of the person's permanent residence at the time of application for registration. However, the owner of a motor vehicle requiring a license plate on a motor vehicle used in the public transportation of persons or property may make application for the license in any county through which the motor vehicle passes in its regularly scheduled route, and the license plate issued bearing the number assigned to that county may be displayed on the motor vehicle in any other county of the state.

(3) It is unlawful to:

(a) display license plates issued to one vehicle on any other vehicle, trailer, or semitrailer unless legally transferred as provided by statute;

(b) repaint old license plates to resemble current license plates; or

(c) display a prior design of number plates issued under 61-3-332(4)(a) or special license plates issued under 61-3-332(10) or 61-3-421 more than 18 months after a new design of number plates or special license plates has been issued, except as provided in 61-3-332(4)(c) and (4)(d), 61-3-448, or 61-3-468.

(4) This section does not apply to a vehicle exempt from taxation under 15-6-215 or subject to the registration fee or fee in lieu of tax under 61-3-520.

(5) A person violating these provisions is guilty of a misdemeanor and is subject to the penalty prescribed in 61-3-601.

(6) For the purposes of this section, "conspicuously displayed" means that the required license plates are obviously visible and firmly attached to:

(a) the front and the rear bumper of a motor vehicle equipped with front and rear bumpers; or

(b) other clearly visible locations on the front and the rear exteriors of a motor vehicle."

Section 5. Section 61-3-411, MCA, is amended to read:

"61-3-411. Registration of a motor vehicle owned and operated solely as a collector's item. (1) An owner of a motor vehicle that is more than 30 years old and that is used solely as a collector's item and *is not used* for general transportation purposes may file with the department an application for the registration of the motor vehicle. The application must be sworn to before an officer authorized to administer oaths. The application must state:

(a) the name and address of the owner;

(b) the name and address of the person from whom *the vehicle was* purchased;

(c) the make, the gross weight, the year and number of the model, and the manufacturer's identification number and serial number of the motor vehicle; and

(d) that the vehicle is owned and operated solely as a collector's item and *is not used* for general transportation purposes.

(2) Upon receipt of the application for registration and payment of the registration fees, including fees in lieu of tax, the department shall file the application and register the motor vehicle in the manner specified in 61-3-303 and, unless the applicant chooses to exercise the option allowed in 61-3-412, shall deliver to the applicant:

(a) for a motor vehicle manufactured in 1933 or earlier, two license plates bearing the inscription "Pioneer—Montana" and the registration number; or

(b) for a motor vehicle manufactured in 1934 or later and more than 30 years old, two license plates bearing the inscription "Vintage—Montana" and the registration number.

(3) The year of issuance may not be shown on the plates.

(4) Annual renewal of the registration of a motor vehicle registered under this section is not required, and the registration is valid as long as the vehicle is

in existence and owned by the initial registrant. ~~Upon sale of the motor vehicle, the purchaser shall renew the registration and pay a license renewal fee of \$10 for a vehicle weighing more than 2,850 pounds and \$5 for a vehicle weighing 2,850 pounds or less.~~

Section 6. Section 61-9-204, MCA, is amended to read:

“61-9-204. Taillamps. (1) A motor vehicle, trailer, semitrailer, and pole trailer and any other vehicle that is being drawn at the end of a combination of vehicles must be equipped with at least one properly functioning taillamp mounted on the rear that emits a red light plainly visible from a distance of 500 feet to the rear, except that in the case of a combination of vehicles, only the taillamp on the rearmost vehicle need actually be seen from the distance specified. The vehicles mentioned in this subsection, other than a motorcycle, quadricycle, motor-driven cycle, or truck tractor, registered in this state and manufactured or assembled after January 1, 1956, must be equipped with at least two properly functioning taillamps mounted on the rear that emit a red light plainly visible from a distance of 1,000 feet to the rear of the vehicle.

(2) A taillamp upon a vehicle must be located at a height of not more than 72 inches or less than 15 inches.

(3) Either a taillamp or a separate lamp must illuminate with a white light the rear registration plate and render it clearly legible from a distance of 50 feet to the rear. A taillamp or taillamps, together with a separate lamp for illuminating the rear registration plate, must be lighted whenever the headlamps are lighted.

(4) Taillamps are not required on a motorcycle that is registered under 61-3-411 as a collector's item, but the motorcycle may not be operated on a highway or street from one-half hour after sunset to one-half hour before sunrise or when persons and vehicles are not clearly discernible at a distance of 500 feet unless it is equipped with the required taillamps.

(5) A person may not operate a motor vehicle on a highway with taillamps that are covered by a lens or a plastic cover or with a tinted or colored material, substance, system, or component placed on or in front of rear lamps, taillamps, license plate lamps, or rear lamp combinations that obscures the taillamps or diminishes the distance of visibility required by this section.

(6) ~~This section does not prohibit a vehicle manufactured prior to 1960 from being equipped with a taillamp that includes within the red cover a center lens that is blue in color.~~ (a) *A custom vehicle or street rod may use a blue dot taillight, as defined in subsection (6)(b), as a stop lamp, a rear signal lamp, or a rear reflector.*

(b) *“Blue dot taillight” means a red lamp installed in the rear of a motor vehicle containing a blue or purple insert that is not more than 1 inch in diameter.”*

Section 7. Section 61-9-407, MCA, is amended to read:

“61-9-407. Fenders, splash aprons, or flaps required on certain vehicles — dimension and location. (1) A person may not move, or permit to be moved, a vehicle, except a motorcycle, quadricycle, motor-driven cycle, or farm tractor, as defined in this title, upon the public highways without having first equipped the rearmost wheels or set of wheels of the vehicle with fenders, splash aprons, or flaps. The fenders, splash aprons, or flaps must be designed, constructed, and attached to the vehicle in a manner that arrests and deflects

dirt, mud, water, rocks, and other substances that may be picked up by the rear wheels of the vehicle and thrown into the air, as follows:

(a) If the vehicle is equipped with fenders, the fenders must extend in full width from a point above and forward of the center of the tire or tires over and to the rear of the tires.

(b) If the vehicle is equipped with splash aprons or flaps, the splash aprons or flaps must extend downward in full width from a point not lower than halfway between the center of the tire or tires and the top of the tire or tires and to the rear of the tires.

(c) If the vehicle is in excess of 8,000 pounds gross vehicle weight or rating, the fenders, splash aprons, or flaps must extend downward to a point that is not more than 10 inches above the surface of the highway when the vehicle is empty.

(d) If the vehicle is 8,000 pounds or less gross vehicle weight or rating, the fenders, splash aprons, or flaps must extend downward to a point that is not more than 20 inches above the surface of the highway when the vehicle is empty.

(2) Fenders, splash aprons, or flaps, as used in subsection (1), must be constructed as follows:

(a) when measured on the cross-sections of the tread of the wheel or on the combined cross-sections of the treads of multiple wheels, the fender, splash apron, or flap extends at least to each side of the width of the tire or of the combined width of the multiple tires; and

(b) the fender, splash apron, or flap is capable at all times of arresting and deflecting dirt, mud, water, or other substance that may be picked up and carried by the wheel or wheels.

(3) This section does not apply to ~~a street rod vehicle, as defined in [section 1],~~ motor vehicles not originally equipped with fenders, splash aprons, or flaps, or motor vehicles for which fenders, splash aprons, or flaps were not required by federal law or regulation at the time of manufacture.

~~(4) For purposes of 61-9-430 and this section, "street rod" means a vehicle manufactured before 1949 that has been modified in body style or design."~~

Section 8. Section 61-9-430, MCA, is amended to read:

"61-9-430. Bumpers. (1) A motor vehicle of less than 10,000 pounds gross vehicle weight or rating registered in Montana, except a motorcycle, a quadricycle, a motor-driven cycle, or a farm tractor, must be equipped with a front bumper and, unless the vehicle is equipped with work-performing features that make installation impractical or unnecessary, with a rear bumper.

(2) This section does not apply to ~~a street rod vehicle, as defined in 61-9-407(4) [section 1],~~ vehicles not originally equipped with front or rear bumpers, or vehicles for which bumpers were not required by federal law or regulation at the time of manufacture."

Section 9. Codification instruction. (1) [Section 1] is intended to be codified as an integral part of Title 61, chapter 1, and the provisions of Title 61, chapter 1, apply to [section 1].

(2) [Section 2] is intended to be codified as an integral part of Title 61, chapter 3, part 2, and the provisions of Title 61, chapter 3, part 2, apply to [section 2].

(3) [Section 3] is intended to be codified as an integral part of Title 61, chapter 3, part 3, and the provisions of Title 61, chapter 3, part 3, apply to [section 3].

Section 10. Coordination instruction. If both Senate Bill No. 285 and [this act] are passed and approved, then subsection (1)(b) of 61-3-411 in [this act] must read as follows:

“(b) the name and address of the person from whom the motor vehicle, trailer, semitrailer, or pole trailer was purchased;”.

Section 11. Effective date. [This act] is effective on passage and approval.

CHAPTER NO. 461

[HB 60]

AN ACT ESTABLISHING A DECONTAMINATION STANDARD FOR THE CLEANUP OF INDOOR PROPERTY CONTAMINATED BY THE CLANDESTINE MANUFACTURE OF METHAMPHETAMINE; PROVIDING

FOR RULEMAKING AUTHORITY TO CHANGE THE STANDARD OR TO ADOPT SIMILAR STANDARDS FOR PRECURSORS TO METHAMPHETAMINE TO PROTECT HUMAN HEALTH; AUTHORIZING THE DEPARTMENT OF ENVIRONMENTAL QUALITY TO PROVIDE MINIMUM STANDARDS AND REQUIREMENTS FOR CERTIFYING PERSONS TO CONDUCT METHAMPHETAMINE LAB REMEDIATION ACTIVITIES; REQUIRING NOTICE TO SUBSEQUENT OCCUPANTS OF CONTAMINATED INHABITABLE PROPERTY UNDER CERTAIN CONDITIONS; PROVIDING REPORTING REQUIREMENTS; AND PROVIDING CIVIL IMMUNITY FOR A PROPERTY OWNER AND OWNER'S AGENT IN CERTAIN INSTANCES.

Be it enacted by the Legislature of the State of Montana:

Section 1. Finding and purpose. The legislature finds that some properties are being contaminated with hazardous chemical residues created by the manufacture of methamphetamine. Innocent members of the public may be harmed when they are unknowingly exposed to these residues if the properties are not decontaminated prior to any subsequent rental, sale, or use of the properties. Remediation of properties has been frustrated by the lack of a decontamination standard. The purpose of [sections 1 through 6] is to protect the public health, safety, and welfare by providing specific cleanup standards and authorizing the department to establish a voluntary program that will provide for a property decontamination process that will meet state standards.

Section 2. Definitions. Unless the context requires otherwise, in [sections 1 through 6], the following definitions apply:

(1) "Department" means the department of environmental quality provided for in 2-15-3501.

(2) (a) "Inhabitable property" means any building or structure used as a clandestine methamphetamine drug lab that is intended to be primarily occupied by people, either as a dwelling or a business, including a storage facility, mobile home, or recreational vehicle, that may be sold, leased, or rented for any length of time.

(b) The term does not mean any water system, sewer system, land, or water outside of a building or structure described in subsection (2)(a).

(3) "Surface material" means any porous or nonporous substance common to the interior of a building or structure, including but not limited to ceilings and walls, window coverings, floors and floor coverings, counters, furniture, heating and cooling duct work, and any other surfaces to which inhabitants of the building or structure may be exposed.

Section 3. Decontamination standards — rulemaking authority — samples. (1) The decontamination standard for methamphetamine inside inhabitable property is less than or equal to 0.1 micrograms of methamphetamine per 100 square centimeters of surface material unless a different standard is adopted by the department by rule to protect human health. The department may adopt standards by rule for precursors to methamphetamine that are consistent with the standard for methamphetamine.

(2) (a) The department may by rule establish the number and locations of surface material samples to be collected based on the circumstances of the contamination and acceptable testing methods.

(b) In the absence of a rule described in subsection (2)(a), at least three samples must be collected from the surface material most likely to be contaminated at each property.

Section 4. Contractor certification — department authority. (1) The department is authorized to establish by rule minimum standards for the training and certification of contractors and their employees who are to perform the assessment or remediation of inhabitable property contaminated by methamphetamine residues.

(2) The department may train and test or may approve courses to train and test contractors and their employees in the proper methods of assessing, remediating, and testing inhabitable property contaminated by methamphetamine residues. If the department conducts the training and testing of contractors and their employees, it may adopt rules to provide for the assessment of reasonable fees to cover the state's costs of providing the training and testing.

(3) The department shall establish by rule procedures for the certification of contractors and their employees, including procedures for the decertification of contractors and their employees for cause. The rules may provide for the assessment of reasonable fees to cover the cost of the contractor certification program.

(4) Any contractor and the contractor's employees certified to perform the remediation of inhabitable property in any other state are approved for certification in Montana unless the department determines that the certification process in the other state is not substantially similar to the minimum certification standards established by the department.

(5) The department shall maintain a list of certified contractors and shall make the list available to local health officials, law enforcement officials, and the public.

Section 5. Occupant notice by owner of inhabitable property — immunity. (1) An owner of inhabitable property that is known by the owner to have been used as a clandestine methamphetamine drug lab shall notify in writing any subsequent occupant or purchaser of the inhabitable property of that fact if the inhabitable property has not been remediated to the standards established in [section 3] by a contractor who is certified in accordance with [section 4].

(2) An owner or an owner's agent referred to in subsection (1) may provide notice to a subsequent occupant or purchaser that the owner or the owner's agent has submitted:

(a) documentation to the department by a contractor who is certified pursuant to [section 4] that the inhabitable property has been remediated to the standards established in [section 3]; or

(b) documentation by a certified contractor that the property meets the decontamination standards without decontamination.

(3) Notice as required or authorized in this section must occur before agreement to a lease or sale of the inhabitable property.

(4) If the department has confirmed that the decontamination standard provided for in [section 3] has been met and if notice has been given as provided in subsections (2) and (3), the owner and the owner's agent are not liable in any

action brought by a person who has been given notice that is based on the presence of methamphetamine in an inhabitable property.

(5) The immunity provided for in subsection (4) does not apply to an owner or an owner's agent who caused the methamphetamine contamination.

Section 6. Reporting requirements. (1) Whenever a state or local law enforcement agency becomes aware that an inhabitable property has been contaminated by its use as a clandestine methamphetamine drug lab, the agency shall report the contamination to the department and to the local health officer.

(2) The department shall maintain a list of inhabitable property that has been reported as contaminated, and the list must be made available to the public through a website except as provided in subsection (3).

(3) Upon confirmation by the department that an inhabitable property has been properly remediated to the standards established in [section 3] or that the inhabitable property meets the decontamination standards without decontamination, the department shall remove the inhabitable property from the list required in subsection (2). The department shall provide written notification to the local health officer and the property owner of record when the documentation shows that the inhabitable property has been properly assessed or remediated.

(4) The department may adopt rules establishing reasonable requirements for the sufficiency of documentation to be provided by a certified contractor.

(5) Notwithstanding any other provision of law, once an inhabitable property has been removed from the list required in subsection (2), a property owner, landlord, or real estate agent is not required to report or otherwise disclose the past contamination.

Section 7. Codification instruction. [Sections 1 through 6] are intended to be codified in Title 75, chapter 10.

"20-5-323. Tuition and transportation rates. (1) Except as provided in subsections (2) through (5), whenever a child has approval to attend a school outside of the child's district of residence under the provisions of 20-5-320 or 20-5-321, the rate of tuition charged for a Montana resident student may not exceed 20% of the per-ANB maximum rate established in 20-9-306 for the year of attendance.

(b) approve an increase of the average number belonging used to establish the ensuing year's basic entitlement and total per-ANB entitlement in accordance with subsection (5) if the increase in subsection (3)(a) is ~~at least~~ *greater than 6%*.

(4) The superintendent of public instruction shall notify the district of the decision by the fourth Monday in June.

(5) Whenever an unusual enrollment increase is approved by the superintendent of public instruction, the increase of the average number belonging used to establish the basic entitlement and total per-ANB entitlement for the ensuing ANB calculation period is *determined using* the difference between the enrollment for the ensuing school fiscal year and 106% of the ~~current~~ enrollment *used to calculate the budgeted ANB*. The amount determined is the maximum allowable increase added to the average number belonging for the purpose of establishing the ensuing year's basic entitlement and total per-ANB entitlement.

(6) (a) Any entitlement increases resulting from provisions of this section must be reviewed at the end of the ensuing school fiscal year.

(b) If the actual enrollment is less than ~~the average number belonging used for BASE funding program and entitlement calculations~~ *the enrollment used to determine budgeted ANB*, the superintendent of public instruction shall revise the total per-ANB entitlement and basic entitlement calculations, *as provided in subsection (5)*, using the actual ~~average number belonging~~ *enrollment in place of the estimated enrollment*.

(c) All total per-ANB entitlements received by the district in excess of the revised entitlements are overpayments subject to the refund provisions of 20-9-344(4)."

Section 15. Section 20-9-321, MCA, is amended to read:

"20-9-321. Allowable cost payment for special education. (1) *As used in this section, "ANB" means the current year ANB.*

(2) *The 3-year average ANB provided for in 20-9-311(10) does not apply to the calculation and distribution of state special education allowable cost payments provided for in this section.*

(3) For the purpose of establishing the allowable cost payment for a current year special education program for a school district, the superintendent of public instruction shall determine the total special education payment to a school district, cooperative, or joint board for special education services formed under 20-3-361 prior to July 1, 1992, using the following factors:

(a) the district ANB student count as established pursuant to 20-9-311 and 20-9-313;

(b) a per-ANB amount for the special education instructional block grant;

(c) a per-ANB amount for the special education-related services block grant;

(d) an amount for cooperatives or joint boards meeting the requirements of 20-7-457, to compensate for the additional costs of operations and maintenance, travel, supportive services, recruitment, and administration; and

(e) any other data required by the superintendent of public instruction to administer the provisions of this section.

~~(2)(4)~~ (a) The total special education allocation must be distributed according to the following formula:

(i) 52.5% through instructional block grants;

(ii) 17.5% through related services block grants;

(iii) 25% to reimbursement of local districts; and

(iv) 5% to special education cooperatives and joint boards for administration and travel.

(b) Special education allowable cost payments outlined in subsection ~~(2)(a)~~ ~~(4)(a)~~ must be granted to each school district and cooperative with a special education program as follows:

(i) The instructional block grant limit prescribed in subsection ~~(2)(a)(i)~~ ~~(4)(a)(i)~~ must be awarded to each school district, based on the district ANB and the per-ANB special education instructional amount.

(ii) The special education-related services block grant limit prescribed in subsection ~~(2)(a)(ii)~~ ~~(4)(a)(ii)~~ must be awarded to each school district that is not a cooperative member, based on the district ANB and the per-ANB special education-related services amount, or to a cooperative or joint board that meets the requirements of 20-7-457. The special education-related services block grant amount for districts that are members of approved cooperatives or a joint board must be awarded to the cooperatives or joint board.

(iii) If a district's allowable costs of special education exceed the total of the special education instructional and special education-related services block grant plus the required district match required by subsection ~~(4)(6)~~ (6), the district is eligible to receive at least a 40% reimbursement of the additional costs. To

ensure that the total of reimbursements to all districts does not exceed 25% of the total special education allocation limit established in subsection ~~(2)(a)(iii)~~ ~~(4)(a)(iii)~~, reimbursement must be made to districts for amounts that exceed a threshold level calculated annually by the office of public instruction. The threshold level is calculated as a percentage amount above the sum of the district's block grants plus the required district match.

(iv) Of the amount distributed under subsection ~~(2)(a)(iv)~~ ~~(4)(a)(iv)~~, three-fifths must be distributed based on the ANB count of the school districts that are members of the special education cooperative or joint board and two-fifths must be distributed based on distances, population density, and the number of itinerant personnel under rules adopted by the superintendent of public instruction.

~~(3)~~(5) The superintendent of public instruction shall adopt rules necessary to implement this section.

~~(4)~~(6) A district shall provide a 25% local contribution for special education, matching every \$3 of state special education instructional and special education-related services block grants with at least one local dollar. A district that is a cooperative member is required to provide the 25% match of the special education-related services grant amount to the special education cooperative.

~~(5)~~(7) The superintendent of public instruction shall determine the actual district match based on the trustees' reports. Any unmatched portion reverts to the state and must be subtracted from the district's ensuing year's special education allowable cost payment.

~~(6)~~(8) A district that demonstrates severe economic hardship because of exceptional special education costs may apply to the superintendent of public instruction for an advance on the reimbursement for the year in which the actual costs will be incurred."

The trustees are not required to submit to the qualified electors any increase in state funding of the basic or per-ANB entitlements approved by the legislature. When the trustees of a district determine that a voted amount of financing is required for the general fund budget, the trustees shall submit the proposition to finance the voted amount to the electors who are qualified under 20-20-301 to vote upon the proposition. The election must be called and conducted in the manner prescribed by this title for school elections and must conform to the requirements of 15-10-425. The trustees shall certify any additional levy amount authorized by the election on the budget form that is submitted to the county superintendent, and the county commissioners shall levy the authorized number of mills on the taxable value of all taxable property within the district, as prescribed in 20-9-141.

(8) *The trustees of the district may permissively levy up to the same over-BASE property tax revenue levied in the prior fiscal year.*

Section 17. Section 20-9-366, MCA, is amended to read:

“20-9-366. Definitions. As used in 20-9-366 through 20-9-371, the following definitions apply:

(1) “County retirement mill value per elementary ANB” or “county retirement mill value per high school ANB” means the sum of the taxable valuation in the previous year of all property in the county divided by 1,000, with the quotient divided by the total county elementary ANB count or the total county high school ANB count used to calculate the elementary school districts’ and high school districts’ current year total per-ANB entitlement amounts.

(2) (a) “District guaranteed tax base ratio” for guaranteed tax base funding for the BASE budget of an eligible district means the taxable valuation in the previous year of all property in the district divided by the sum of the district’s current year BASE budget amount less direct state aid *and the state special education allowable cost payment.*

(b) "District mill value per ANB", for school facility entitlement purposes, means the taxable valuation in the previous year of all property in the district divided by 1,000, with the quotient divided by the ANB count of the district used to calculate the district's current year total per-ANB entitlement amount.

(3) "Facility guaranteed mill value per ANB", for school facility entitlement guaranteed tax base purposes, means the sum of the taxable valuation in the previous year of all property in the state, multiplied by 140% and divided by 1,000, with the quotient divided by the total ANB amount used to calculate the school districts' current year total per-ANB entitlement state elementary ANB count or the total state high school ANB count used to calculate the elementary school districts' and high school districts' current year total per-ANB entitlement amounts.

(4) (a) "Statewide elementary guaranteed tax base ratio" or "statewide high school guaranteed tax base ratio", for guaranteed tax base funding for the BASE budget of an eligible district, means the sum of the taxable valuation in the previous year of all property in the state, multiplied by 175% and divided by the total sum of either the state elementary school districts' or the high school districts' current year BASE budget amounts less total direct state aid.

(b) "Statewide mill value per elementary ANB" or "statewide mill value per high school ANB", for school retirement guaranteed tax base purposes, means the sum of the taxable valuation in the previous year of all property in the state, multiplied by 121% and divided by 1,000, with the quotient divided by the total state elementary ANB count or the total state high school ANB amount used to calculate the elementary school districts' and high school districts' current year total per-ANB entitlement amounts."

Section 18. Section 20-9-406, MCA, is amended to read:

"20-9-406. Limitations on amount of bond issue — definition of federal impact aid basic support payment. (1) (a) Except as provided in subsection (1)(d), the maximum amount for which an elementary district or a high school district may become indebted by the issuance of general obligation bonds, including all indebtedness represented by outstanding general obligation bonds of previous issues, ~~and~~ registered warrants, *outstanding obligations under 20-9-471 and 20-9-502, and any other loans or notes payable that are held as general obligations of the district*, is 45% of the taxable value of the property subject to taxation, as ascertained by the last assessment for state, county, and school taxes previous to the incurring of the indebtedness.

(b) Except as provided in subsection (1)(d), the maximum amount for which a K-12 school district, as formed pursuant to 20-6-701, may become indebted by the issuance of general obligation bonds, including all indebtedness represented by outstanding general obligation bonds of previous issues, ~~and~~ registered warrants, *outstanding obligations under 20-9-471 and 20-9-502, and any other loans or notes payable that are held as general obligations of the district*, is up to 90% of the taxable value of the property subject to taxation, as ascertained by the last assessment for state, county, and school taxes previous to the incurring of the indebtedness.

(c) The total indebtedness of the high school district with an attached elementary district is limited to the sum of 45% of the taxable value of the property for elementary school program purposes and 45% of the taxable value of the property for high school program purposes.

(d) (i) The maximum amount for which an elementary district or a high school district with a district mill value per elementary ANB or per high school ANB that is less than the ~~corresponding statewide mill value per elementary ANB or per high school ANB~~ *facility guaranteed mill value per elementary ANB or high school ANB under 20-9-366* may become indebted by the issuance of general obligation bonds, including all indebtedness represented by outstanding general obligation bonds of previous issues, ~~and~~ registered warrants, *outstanding obligations under 20-9-471 and 20-9-502, and any other loans or notes payable that are held as general obligations of the district*, is 45% of the corresponding ~~statewide~~ *facility guaranteed* mill value per ANB times 1,000 times the ANB of the district. For a K-12 district, the maximum amount for which the district may become indebted is 45% of the sum of the ~~statewide~~ *facility guaranteed* mill value per elementary ANB times 1,000 times the elementary ANB of the district and the ~~statewide~~ *facility guaranteed* mill value per high school ANB times 1,000 times the high school ANB of the district.

(ii) If mutually agreed upon by the affected districts, for the purpose of calculating its maximum bonded indebtedness under this subsection (1)(d), a district may include the ANB of the district plus the number of students residing within the district for which the district or county pays tuition for attendance at a school in an adjacent district. The receiving district may not use out-of-district ANB for the purpose of calculating its maximum indebtedness if the out-of-district ANB has been included in the ANB of the sending district pursuant to the mutual agreement.

(2) The maximum amounts determined in subsection (1) do not pertain to indebtedness imposed by special improvement district obligations or assessments against the school district or to general obligation bonds issued for the repayment of tax protests lost by the district. All general obligation bonds issued in excess of the amount are void, except as provided in this section.

(3) The maximum amount of impact aid revenue bonds that an elementary district, high school district, or K-12 school district may issue may not exceed a total aggregate amount equal to three times the average of the school district's annual federal impact aid basic support payments for the 5 years immediately preceding the issuance of the bonds. However, at the time of issuance of the bonds, the average annual payment of principal and interest on the impact aid bonds each year may not exceed 35% of the total federal impact aid basic support payments of the school district for the current year.

(4) When the total indebtedness of a school district has reached the limitations prescribed in this section, the school district may pay all reasonable and necessary expenses of the school district on a cash basis in accordance with the financial administration provisions of this chapter.

(5) Whenever bonds are issued for the purpose of refunding bonds, any money to the credit of the debt service fund for the payment of the bonds to be refunded is applied toward the payment of the bonds and the refunding bond issue is decreased accordingly.

(6) As used in this part, "federal impact aid basic support payment" means the annual impact aid revenue received by a district under 20 U.S.C. 7703(b) but excludes revenue received for impact aid special education under 20 U.S.C. 7703(d) and impact aid construction under 20 U.S.C. 7707."

Section 19. Section 20-9-443, MCA, is amended to read:

“20-9-443. Disposition of remaining debt service fund. (1) Except as provided in subsection (2), when all of the bonds, and bond interest, and *special improvement district obligations* of a school district have been fully paid, all money remaining in the debt service fund for the school district and all money that may come into the debt service fund from the payment of the delinquent taxes must be transferred by the county treasurer to the building reserve levy fund, the technology acquisition and depreciation fund, or the general fund as designated by the school district, ~~provided that if~~ the subsequent use of the funds by the school district is limited to constructing, equipping, or enlarging school buildings or purchasing land needed for school purposes in the district.

(2) Any federal impact aid funding remaining in the debt service fund of a school district that has fully repaid the bonds and bond interest must revert to the district's impact aid account established pursuant to 20-9-514.”

Section 20. Extension of school election deadlines. In order to allow for the more orderly and efficient conduct of the regular school elections scheduled for May 3, 2005, it may not be possible to comply with certain statutory deadlines relating to a school election. Therefore, in 2005 only, a school district may limit the regular school election scheduled for May 3, 2005, to trustee elections only and may reschedule a single general fund operating levy election at any time prior to the adoption of a final budget pursuant to 20-9-131. In addition, all statutory deadlines for the May 3, 2005, regular school elections that fall on or before April 15 are extended to April 25, 2005, except that the timeline for posting the election notice is changed to April 25, 2005, through May 3, 2005.

Section 21. Interdistrict agreements — fund transfers. (1) The trustees of any two school districts that have unified pursuant to 20-6-312, any two school districts that have created a joint board of trustees pursuant to 20-3-361, or a high school district and any elementary school district associated with that high school district may enter into an interdistrict agreement to provide for the joint funding and operation and maintenance of both districts upon the terms and conditions as may be mutually agreed to by the districts subject to the conditions of this section. An agreement must be approved by the board of trustees of both districts by February 1 of the current fiscal year.

(2) All expenditures in support of the interdistrict agreement may be made from the interlocal cooperative fund as specified in 20-9-703 and 20-9-704. Each district may transfer funds into the interlocal cooperative fund from the general fund of the district. Transfers to the interlocal cooperative fund from each school district are limited to an amount not to exceed the direct state aid in support of the respective school district's general fund and must be completed by February 1 of the current fiscal year.

(3) Expenditures from the interlocal cooperative fund under this section are limited to those expenditures that are permitted by law and that are within the final budget for the general fund from which the transfer was made.

(1) An out-of-district attendance agreement that allows a child to enroll in and attend a school in a Montana school district that is outside of the child’s district of residence or in a public school district of a state or province that is adjacent to the county of the child’s residence is mandatory whenever:

(a) the child resides closer to the school that the child wishes to attend and more than 3 miles from the school the child would attend in the resident district and the resident district does not provide transportation; or

(b) (i) the child resides in a location where, ~~due to~~ *because of* geographic conditions between the child’s home and the school that the child would attend within the district of residence, it is impractical to attend school in the district of residence, as determined by the county transportation committee based on the following criteria:

(A) the length of time that is in excess of the 1-hour limit for each bus trip for an elementary child as authorized under 20-10-121;

(B) whether distance traveled is greater than 40 miles one way from the child’s home to school on a dirt road or greater than a total of 60 miles one way from the child’s home to school in the district of residence over the shortest passable route; or

(C) whether the condition of the road or existence of a geographic barrier, such as a river or mountain pass, causes a hazard that prohibits safe travel between the home and school.

(ii) The decision of the county transportation committee is subject to appeal to the superintendent of public instruction, as provided in 20-3-107, but the decision must be considered as final for the purpose of the payment of tuition under ~~20-5-324(6)~~ 20-5-324(5)(a)(ii) until a decision is issued by the superintendent of public instruction. The superintendent of public instruction may review and rule upon a decision of the county transportation committee without an appeal being filed.

(c) the child is a member of a family that is required to send another child outside of the elementary district to attend high school and the child of elementary age may more conveniently attend an elementary school where the high school is located, provided that the child resides more than 3 miles from an elementary school in the resident district or that the parent is required to move to the elementary district where the high school is located to enroll another child in high school. A child enrolled in an elementary school pursuant to this subsection (1)(c) may continue to attend the elementary school after the other child has left the high school.

(c) (i) The trustees of the district of choice may waive any or all of the tuition rate. The trustees of the district of choice may waive the tuition for all students whose tuition is required to be paid by one type of entity and may charge tuition for all students whose tuition is required to be paid by another type of entity. In any other actions in which costs and attorney fees are

awarded a governmental entity, they must be calculated by reference to the hourly rate charged by the department of justice agency legal services bureau for the provision of legal services to state agencies, multiplied by the number of attorney hours devoted to the prosecution of the action, plus the actual cost of any expenses reasonably incurred in the prosecution of the action. A private citizen who is a plaintiff or coplaintiff is entitled to reasonable costs and attorney fees if the action is settled favorably for the governmental entity or the governmental entity prevails in the action. A person who is the subject of a civil action and who prevails in an action that is not settled and that the court finds was clearly frivolous or brought solely for harassment purposes is entitled to the person's reasonable costs and attorney fees, which must be equitably apportioned against the private citizen and governmental entity if a private citizen and a governmental entity were coplaintiffs.

Section 12. Prohibitions on employers — employee remedies. (1) A governmental entity may not adopt or enforce a rule, regulation, or policy preventing an employee from disclosing information to a government or law enforcement agency with regard to or from acting in furtherance of an investigation of a violation of [section 3] or an action brought pursuant to [section 5 or 6].

(2) "Base period" means the first 4 of the last 5 completed calendar quarters immediately preceding the first day of an individual's benefit year. However, in the case of a combined-wage claim pursuant to the arrangement approved by the secretary of labor of the United States, the base period is the period applicable under the unemployment law of the paying state. For an individual who fails to meet the qualifications of 39-51-2105 or a similar statute of another state because of a temporary total disability, as defined in 39-71-116, or a similar statute of another state or the United States, the base period means the first 4 quarters of the last 5 completed calendar quarters preceding the disability if a claim for unemployment benefits is filed within 24 months of the date on which the individual's disability was incurred.

(3) "Benefit year", with respect to any individual, means the 52-consecutive-week period beginning with the first day of the calendar week in which the individual files a valid claim for benefits, except that the benefit year is 53 weeks if filing a new valid claim would result in overlapping any quarter of the base year of a previously filed new claim. A subsequent benefit year may not be established until the expiration of the current benefit year. However, in the case of a combined-wage claim pursuant to the arrangement approved by the secretary of labor of the United States, the base period is the period applicable under the unemployment law of the paying state.

(4) "Benefits" means the money payments payable to an individual, as provided in this chapter, with respect to the individual's unemployment.

The legislature now finds that because of technological advances and changing patterns of medical practice, medicine is increasingly being practiced by electronic means across state lines. Although access to technological advances is in the public interest, the legislature also finds that regulation of the practice of medicine across state lines is necessary to protect the public against the unprofessional, improper, unauthorized, and unqualified practice of medicine. Accordingly, the legislature finds that physicians outside the boundaries of Montana who ~~enter the state by electronic or other technological means to~~ practice medicine for compensation on patients inside Montana are seeking the benefit and protection of the laws of Montana and are subject to the licensure

and regulatory requirements provided in 37-3-341 through *37-3-345 and 37-3-347 through 37-3-349.*"
